Thursday, January 26, 1961 Vol. 1, No. 44

MORRIE AKERMAN WINS THREE TROPHIES

Five trophies and high tribute was given to the members of the S.S.I. Boxing Club at the 11th Annual Emerald Gloves boxing card held at Vancouver College last Friday & Saturday. Morrie Akerman won the 85 lb. division, was awarded a trophy for the best left hand, and won the "Most Likely Prospect" award. Morrie drew a bye on Friday and then won his two fights on Sat. night, beating G. Britz of Vanc. and D. Morris of Burnaby. Don Morrison won the runner-up trophy in the 95 lb. class, winning his first match from P. Grey of Vanc. College and losing to Les. Wilson, last year's champ in the finals. Danny Akerman lost to D. Wylie of Vancouver in the 65 lb. class. The S.S.I. Boxing Club was awarded the "Best Small Club" trophy.

The Salt Spring boys caught the fancy of the Sat. night crowd of 1200 people, who adopted our boys as the favorites and cheered them lustily. The manners and fighting abilities of the Salt Spring boys impressed so many people that a large delegation of Vancouver boxing enthusiasts, under the leadership of Major Paul Roth, Chairman of the B.C. Athletic Union of Vanc., are coming to S.S.I. for the Febr. 4th. boxing card to be held at Fulford Hall.

Don Reynolds, Ted Akerman, Steve Morrison, & Pat Slingsby, also members of the boxing club, took part in a boxing card at Chemainus on Sat. Don was the only winner and Steve drew with his opponent.

Mr. & Mrs. C.W. Chappell of Winnipeg have purchased the Jack E. Foster home at Vesuvius and will take up residence in the Spring.

RECREATION

It was learned at the recreational meeting held at Fulford Hall on Jan. 18th that a community-wide recreational programme, with financial assistance by the B.C. Government, is possible for Salt Spring Island. Over 100 people attended to hear Mr. G.J.Pynn, Recreational Consultant for the Community Recreational Programme of the B.C. Govr. explain the programme.

If a community desires a complete recreational programme, covering everything from sports to handicrafts to educational classes to almost everything that people do with their leisure time, they first must form a recreational commission composed of local people. This first step was taken, with the appointment of a nomination committee to choose the recreational commission for S.S.I. This commission will direct the recreational programme and act as agents for local clubs, sport groups and other recreational-minded groups in negotiations with the government for grants and other types of assistance.

The ideal situation would be for the local commission to hire a full-time well-trained Recreational Supervisor to organize and conduct all phases of the recreational programme. The Government will pay as high as \$125 per month toward his salary. While the Recreational Supervisor would be in charge, the local clubs, such as Rod & Gun, Boxing Club, etc. would not lose their autonomy, would still run their clubs as before, with the added possibility of getting assistance from the government.

While the cost (CONT'D P.2)

PUBLIC MEETING

Anyone interested in the community, the golf course, or a country club should ring the date, January 28th, on their calendar. Next Saturday, Jan. 28 at 8:00 p.m. at Mahon Hall, a public meeting is called to hear the recommendations of the Special Committee appointed at the last public meeting held in December to discuss the golf course problems. The public meeting will be chaired by the Special Committee. A golf club meeting will follow the public meeting.

In June of 1936, the Fulford Hall was destroyed by fire. On Nov. 24, 1937, the present Fulford Hall was officially opened, a monument to community enterprise.

Today, when it seems few people are interested in their hall, it is refreshing to read the old minutes book and learn of the people who pitched in to re-build their hall. You read of Mr. R. Lee offering the use of his tug, his scows and his time to make three trips to a Chemainus mill for lumber; of Wm. Palmer, Cliff Lee, N. McIlroy and the Island Freight Co. donating the use of their trucks; of J.W. Graham giving 3 floor registers, one sash and 26 1/2 days of labour; of Mrs. J.Cairns boarding free two sheet metal workers for two days; of J.J. Kennedy giving three weeks wages for one man and donating a keg of nails; of over 75 people giving many days of labour; of many giving money; and many giving materials.

On Nov 24, 1937, the new Fulford Hall was officially opened and 375 people were there. 375 people, proud of the community and proud of their achievement.

The S.S.I. Lion's Club has been given the authority to operate the ambulance service on S.S.I. by the Extraordinary General Meeting held at Mahon Hall on Jan. 18. The ambulance depreciation fund was turned over to the Lion's Club. Members of the Lion's Club will take first aid courses and will have to qualify for the type of driver's license necessary. The Lions expect to have a new ambulance in service in the near future.

B.C. Hydro is conducting a cake baking contest for boys and girls. This event is for all boys and girls from the Duncan, Cowichan & Gulf Islands areas. Full details and entry blanks are available at the school. Separate prizes for boys and girls.

(CONT'D FROM P.1) RECREATION.....to S.S.I. has not been estimated, the cost based on figures from communities of comparable size, would not be prohibitive. It was stated that if the recreational programme received 50¢ per month from everyone on the island, S.S.I. would have the best recreational programme of any community in B.C.

On Monday Premier Bennett said that no decision has been reached about increasing fares on the Gulf Islands Ferry Co. run. "But we have the best interest of the Gulf Islands at heart," he said. "That's not saying what we will do regarding fares".

In the 1960 Annual Report of the Women's Auxiliary to the Lady Minto Hospital, the President, Miss D. Mickleborough, closed the report with these remarks made by a speaker at the Provincial Meeting, "The raising of money is not the only purpose of the Auxiliary. The public relations value is even greater than their value as a money raising group." This value was certainly in evidence as the year's work in a variety of activities and the excellent co-operation of members of the Auxiliary and residents of the Hospital District was revealed in this excellent report. Miss Mickleborough was re-elected president, Mrs. W.E. Dipple, vice-president, Mrs. S. Quinton, treasurer, and Mrs. E. Richardson, secretary. Mrs. P.H. Lazenby was returned as "hospital visitor".

 CAKES
 MADE TO ORDER

The regular monthly meeting of the Guild of Sunshine was held in the Board Room of Mahon Hall, with the President, Mrs. G. Lowe, in the chair and twenty members present. It was reported that eight hampers had been sent out at Christmas as well as small individual gifts to the patients at Dr. Francis' Hospital. Mrs. W. Byers has resigned as visitor to the hospital and Mrs. B. Krebs has been appointed to act in her stead. Mrs. Lowe will continue

to visit Lady Minto Hospital. Mrs. Byers, who is leaving Salt Spring, was presented with a bouquet and gifts by the President and a motion was passed thanking Mrs. Byers for her tireless work on behalf of the Guild. As the Golden anniversary of the founding of the group takes place in April there was some discussion as to a fitting way to celebrate. Mrs. F. Newnham and Mrs. J. Catto were appointed a nominating committee for the annual meeting in February and four new members (CONT'D P.3)

During the year members spent 293 hours in repair of linens and making of new articles required for patients. 269 new articles were made. Among purchases made for use in the hospital were 20 sets of stainless steel cream jugs and sugar bowls for patients trays, a pipette cleanser for the laboratory, two stainless steel stands with basins for the operating room, rugs for the living room of the residence, electric sewing machine and a new motor for an old machine and a substantial donation toward the cost of the carport, which members of the Hospital Board are building for the Ambulance and the Matron's car are just a few of the many worthwhile contributions of the Women's Auxiliary.

On Monday the Commons gave first reading to a bill by WF Matthews, our Member of Parliament, to change the name of the riding to "Nanaimo-Cowichan-The Islands."

(CONT'D FROM P.2) GUILD were welcomed, Mrs. F. Fredrickson, Miss A. Herd, Mrs. F. Reid and Mrs. C. Wagg. Hostesses for the afternoon were Mrs. S. Clai-bourne and Mrs. W. Rogers.

LETTERS-TO-THE-EDITOR DEPT..... "Dear Sir: In reply to Mrs. Dicken's remarks in last week's paper, I couldn't help but burn over him kicking the kids in the teeth. I do not know what he has against the younger generation of today but it sounds like he is condemning people, who are young, for just being alive. He asks why it is so important that youth should enjoy itself and that there is nothing to do. There are always ways of finding something to do; as tearing around in fast cars and drinking or strolling around Ganges destroying property. These are ways of letting off steam because there is simply "nothing to do".

Thanks to the "dedicated men", the youth have the way of passing time by indulging in something beneficial. The reputation of a community depends upon the type of training it gives to youth.

Raising a family seems to be put as a horrible ordeal by Mr. Dickens. As for giving up any free time for the "poor dears", well, that's out. A good part of teenager's trouble, nowadays, is that the parents don't spend enough time with "the poor

dears". Most youngsters are afraid to take their troubles to their parents simply because the parents are afraid to talk about the topic or haven't the time.

Another point he mentions in his letter is that "in his day"(famous saying) it was for facing the work-a-day world. Well, times have changed. Today, you don't have to go out and work in the coal fields at the age of twelve. This is the most important century in the history of the world as far as progress is concerned and it won't be up to the "older folks"

but the youth of today to decide the future of years to come. That doesn't mean they have to bury themselves in books eighteen hours a day. The body has to develop as well as the mind. Recreation is as good as anything for this. From what I have been hearing about the community spirit of the old days, I'd say this island is in worse shape today than it was twenty years ago.

I have never heard Mr. Dickens' name mentioned concerning helping the community. I wonder how many children he raised that made him such an authority on youth.

(signed) Don Irwin."

Rev. A. Sheppard, Missionary & Evangelist of the Evangelistic Tabernacle, Vanc., will conduct an Evangelistic Crusade in the Rex Theatre, commencing Jan. 25th, and continuing every night (except Mondays & Tuesdays) for several weeks. The public is invited to attend to hear the Gospel in song and word.

With Mrs. R.T. Meyer presiding, the Vesuvius Bay Circle of the W.A. held its February meeting at the home of Mrs. L.C. Lambert, with eighteen members present and one new member, Mrs. Jack James, welcomed to the organization. Mrs. G.H. Holmes opened the meeting and with Miss C.T. Motherwell, took the devotional period. The minutes of the November meeting were read and passed also the treasurer's report and it was moved that any outstanding bills be paid. Mrs. Holmes read a letter from the Circle's Prayer Partner, Rev. J. Whitbread, who referred to his future holiday this year, when he hopes to visit Salt Spring Island. Mrs. Holmes also read an interesting article giving an account of the writer's attendance at many different churches in England, the beauty and antiquity of these buildings, the glorious music of the churches and the large congregations attending were well described. The Womans World Day of Prayer is to be held on February 17 in St. George's Church, Mrs. F. Agnew, as a reader, will represent Vesuvius Circle. The members were invited to attend the W.A. Valentine Tea in the Parish Hall, on February 11. A delegate to the Annual W.A. meeting in Victoria will be chosen at the February meeting. The sum of \$25 was donated to the Diocesan Board by the Circle for the Congo appeal. Following adjournment tea was served by Mrs. Lambert and Mrs. D. Lowther. The next meeting will be held on Tuesday, 20 Feb. at the home of Mrs. A.G. Wilkins.

Mrs. Cecil Springford presided at the quarterly meeting of St. Mark's Chancel Guild, held recently at her home at St. Mary's Lake. Mrs. A. Stanton and Mrs. Jack James were welcomed as new members. In the absence of Archdeacon G.H. Holmes, the meeting was opened and the devotional taken by Mrs. Holmes. The president congratulated the members on a good year's work; this included a new floor laid in

the nave of the church. A peal of bells system, including a fine tape recorder, tapes, and a loud speaker system in the tower facing two directions, was the gift of the Congregation.

Mrs. Holmes took the chair for the annual meeting which followed. All 1960 officers were re-elected. Mrs. Stanton will replace Mrs. T.A. Millner who has resigned from the committee. The treasurer's report showed a balance of \$116.

Mr. Graham Shove has offered to recruit volunteers to improve the approach to the vestry. Following adjournment, tea was served by Mrs. G.S. Humphreys.

The annual meeting of the Beaver Point Community Association was held on Monday, Jan. 16 at the Beaver Point Hall. The new committee: Gwen Ruckle, pres., Andrew Stevens, sec. treas., Nan Ruckle, social convener, Freda Hall and Tom Butt, committee. The main item of business was the discussion on new roofing for the Hall. The date for the Bean Supper was set for March 25th.

The unhappiest and loneliest person in the world is the chronic alcoholic who has an insistent yearning to enjoy life as he once knew it, but can not picture life without alcohol. He has a heart-breaking obsession, that by some miracle of control he will be able to do so. -ad

Ganges Sea Scouts are continuing their meetings on Friday evenings. The present membership of nineteen being a new high. Saturday mornings, Mrs. P. Frattinger is conducting target practice at the Rod & Gun Club rifle range. Last Monday evening, Capt. O.J. Williams, manager of the B.C. Steamships, spoke to the Scouts in St. George's Hall, displaying films of the Canadian Pacific Steamships and development of the Island Tug & Barge Co.

Mr. & Mrs. Irl Bradley have returned from a short trip to Vanc. & Seattle.

FULFORD NEWS by Bea Hamilton.....Mrs. W.Y. Stewart was one of the officers of St. Mary's Guild to be re-elected to office at the recent Guild meeting. Mrs. Stewart is the treasurer and Mrs. G.H. Holmes was re-elected to the place of honorary president. These two valuable names were not mentioned in last week's report, as well as the treasurer's report, which showed a balance of \$200. Sorry, dear ladies - you were not forgotten - just didn't get in in time to hit the dead-line.....Mr. John Klassen came up with the top score in the cribbage tournament which has been going on in the Beaver Point Hall the past few months. In the over-all score, Mrs. A. Stevens is leading with highest points to date - there are three more months to go so anyone can win. There were four tables in competition on Saturday night and refreshments were served by Mrs. L. Reynolds and Mrs. J. Klassen.....Miss Kathy Butt, Victoria College, spent the week-end with her parents, Mr. & Mrs. T. Butt at Beaver Point. Miss Chris Butt of Victoria Br. Bank of Montreal, was also home last week-end.....A lovely corner at Fulford is in Mrs. A.O. Lacy's garden, where masses of white snow-drops are blooming - and up the bank at Dromore, violets are in flower and have been all winter. The yellow jasmine at the corner of the house looks like golden sunshine and the white Christmas roses and mauve primroses add their glory to the mild winter season. The first crocus's are in flower here and there in the grass.

Branch 32 C.A.P.O. held their annual luncheon Thursday, Jan. 19th in St. George's Parish Hall. 48 members and friends sat down to enjoy lunch. Mr. Fred Goddard, president, introduced the guests. Mrs. Holmes spoke (in the absence of the Archdeacon due to illness) Dr. Hughes and Mr. Robt. Thompson gave short addresses. A lively game conducted by Mrs. W. Asbury was enjoyed and a number of prizes won. Music was supplied by Harry Hall and Frank Hayward. Guests included: Mrs. Laurie Mouat, Mrs. Ellen Carswell, Dr. N. Hughes, Mrs. Holmes and Mr. & Mrs. Robt. Thompson of Sidney. Mrs. B. Krebs was in charge of the tables, assisted by Mrs. S. Kitchner, Mrs. M. Till, Mrs. P. Parkes, Mrs. J. Hayward and Mrs. Zetterberg. Mrs. Jean Sewell registered 8 new members. Mrs. E. Thacker was the General Convener. It was regrettable 10 members were unable to attend through sickness.

This Branch of the Commonwealth organization the Save the Children Fund has been asked to help in feeding the thousands of starving children of the Congo. We are only able to accept money which will be sent through the U.K. Ambassador in Leopoldville to be distributed by the U.N. Food will be purchased from the countries surrounding the Congo thus saving time in shipping and overcoming the problems of duty. Kasai Province is the hardest hit and children are dying daily. Crops have not been planted due to the tribal warfare. The situation is desperate. This is the worst famine to hit the world since 1943 - 18 years ago. As soon as the country is at all stable this Fund will be sending greater help. Our policy is always to aid in as many ways possible and to teach the people of the country concerned so they may help themselves. This is desperately needed in the Congo to-day. Donation of money may be sent to the Save the Children Fund, Room 11, 817 Granville Street, Vancouver 2 - receipts will be issued for income tax purposes.

Mr. & Mrs. Marcel Godfrey of Kent, England, on their world tour have been visiting Major & Mrs. B.W. Markham at Vesuvius Bay. It may be recalled that Mr. Godfrey is a well known painter, not only in Europe but also in Canada.

NEWS AND VIEWS OF SALT-SPRING HIGH by Donna Hollings.

.....The Saltspring Island Credit Union is sponsoring a Credit Union School Savings Club. Grades 4 to 12 assembled at the Mahon Hall on Thur. Jan. 19 to hear Mrs. E. Strandfelt, from the Credit Union Office in Nanaimo, speak on the purpose and advantages of this club. She was introduced by Mr. A. Young, president of our local Credit Union who also spoke briefly on this plan. It is hoped that a large amount of students will take advantage of this plan. Marguerite Gear and Marcia Sober travelled to Vancouver last Thur. to attend a Future Teachers Conference at U.B.C. They both felt that they benefited from this experience and collected useful information for themselves and other students interested in teaching as a career.

The Burgoyne Bay W.A. held their annual meeting at the home of Mrs. C. Lee. After leading the devotional period, Dr. Hughes took the chair for the election of officers. Mrs. A. House is now pres. and Mrs. E. Fraser is vice-president. Mrs. F.C.E. Williams was returned as treasurer by acclamation. Mrs. H. Dickens is Sect. Plans were made to assist with other organizations in child care and refugee camp work. A Valentine Tea will be held in February.

The S.S.I. Dog Obedience Training Club held their first training class at Central Hall on Jan. 13th. The President, Mr. W.P. "Bill" Evans welcomed the new members into the club and announced that Mrs. A. Best would again be the club trainer. Fernwood Farms presented to the club a perpetual Junior

Challenge Trophy for inter club annual competition and to be competed for by novice trainers 15 years of age and under. It is hoped that the trophy will stimulate interest among the the young dog owners of Salt Spring and Vancouver Island. Obedience training carries a dog beyond the stage where he is merely house-broken and every dog with training is a much more amusing companion, a pleasure to his owner and friends alike. For anyone interested there is still time to attend the classes now being held Friday evenings at Central.

The Salt Spring Island Library Association held its annual meeting at St. George's Parish Hall Jan. 9th. By unanimous vote the present board was returned to office. Dr. W.J. McAlister will serve as chairman, Mrs. M. Winteringham, secretary and Mrs. M. Hawkins, treasurer. Mrs. R.T. Meyer read a short history of the library which was prepared by Mrs. Hawkins. Dr. McAlister paid tribute to the members of the Board, the voluntary workers and especially to Mr. Mouat who donated the space where the library is located. A standing vote of thanks was given Mrs. Hawkins for the tremendous job she has done and she was presented with a vase of flowers. It is interesting to note that when the Library opened late in 1959, total book stock was 1300 and paid up members numbered only 20. Now after its first year of operation total book stock is 2893 and the number of regular borrowers has increased to 375.

Rev. R. Moses, president of the B.C. Conference of the United Church will speak at the Ganges United Church on Jan. 29th at 11:00 a.m.

ROMAN CATHOLIC: Our Lady of Grace - Ganges - Holy Mass - 10:30 a.m.

CHRISTIAN SCIENCE GROUP: Mahon Hall - 11:00 am

Continuing news item from the Victoria Daily Times of Oct. 29, 1894, concerning Elisha Pollard well-known Pender Island man. September 16th left Ross and Henderson's at 11:30 and camped on Redstone flat, having travelled ten miles. Met Mr. George Gaffney, an old miner and hunter, who had thought of going to the head waters of the Bella Coola on a trapping expedition. Tried to get him to accompany us, but failed to induce him, as he considered the route an impossible one. Travelled about ten miles on the 17th of September, when the trail crossed a creek a little beyond a deserted ranch known as Straus'. This creek our horses resolutely refused to cross, and as the bottom was composed of a soft black mud we travelled up the creek for two miles and found

a good crossing. Camped here and spent the afternoon cutting a trail through the brush on the far side of the creek. Left Straus' creek and travelled about two miles down the side of it to where the trail had crossed and followed it to Horsehead creek, on Tatla Lake, twelve miles. September 19th left Horsehead creek at 11 a.m. Shortly after starting we were over-taken by Mr. Spaulding, who has been running Mr. Franklin's ranch on Tatla lake. Reached Franklin's ranch about 5 p.m. through fifteen miles of all open country along the southeast shore of Tatla lake. Left Franklin's September 22nd. Broke camp at 10 a.m. and camped on the Hie-na-Klea river, twelve miles. Very hard frost at night. September 23rd left Hie-na-Klea camp at 10:30 a.m. and followed the trail about ten miles, when we came to a big unoccupied siwash camp on the banks of a good sized river which was not marked on the map we had with us (the survey of 1890). This caused us some anxiety, as we thought we must be going wrong, but when we saw that there was no river marked within fifty miles, which was obviously incorrect, we felt comforted, and camped on the river that night. Left the old siwash camp by a trail travelling north. In about three miles the trail gave out, and we must either go back or strike through the thick pine timber, steering by the compass. Decided upon the latter alternative, and after travelling five miles were brought to a complete standstill by a dense thicket, which took us three hours to cut through. Camped on the further side of the thicket, and taking my gun started off to find some game. Walked half an hour, steering by compass; when after walking for about five minutes without looking at the compass (TO BE CONT'D)

BILL'S TAXI

25 GANGES 25

DAY OR NIGHT

Connecting with coach line bus at Swartz Bay daily except Wed. & Sunday. Bus leaves Ganges at 7:30 a.m. and 5:30 p.m.

SALT SPRING MOTORS

If your car is sparking all over these damp, wet mornings, it doesn't mean everything's full of spark. But it does mean that you should have wiring & ignition checked before it lets you down.
