Vol. 2 No. 26

Last week, DRIFTWOOD had the privilege of chatting for nearly two hours with a charming and gracious lady, Mrs. Isabel Meighen wife of the late Rt. Hon. Arthur Meighen, former Prime Minister of Canada. Mrs. Meighen, now residing in Toronto, was visiting Mr. & Mrs. Jack Fendall and Mr. & Mrs. W. Seymour on Salt Spring Island last week. Mrs. Fendall & Mrs. Seymour are first cousins of Mr. Meighen.

Mrs. Meighen, who still takes a lively interest in the affairs of Canada, is a mother of two boys and a girl and several grandchildren. Like most grandmothers, her life revolves around her children, but she finds time to survey the Canadian Political field with a practiced eye.

Her two boys have not followed their father's footsteps into the political arena, but one grandson, age 22, is priming for a political career and there is no doubt in her mind that the name of Meighen will once more flash across the hustings.

Mrs. Meighen is also the grandmother of Priscilla Wright, a singer of some renown, who is heard weekly on the "Pop & Priscilla" show on CBC. Miss Wright hit the headlines at an early age when her recording of "The Man in the Raincoat" was a big hit several years ago.

BISHOP ARLINGTON WILSON

On Sept. 6th, Mr. Bishop Wilson, well-known and well-liked resident of Salt Spring Island, suffered a fatal heart attack while fighting a small grass fire on his property on Sunset Drive.

Mr. Wilson was born Nov. 6, 1896, and retired to S.S.I. 21 years ago, coming from Bernie, B.C. He was a mining engineer, (Cont'd P.2)

The action taken by the School Board meeting on Tuesday once more indicated their stand that the Centennial Museum site was not to be used for a fire hall. This action was taken in response to a letter from the Chamber of Commerce asking the School Board to consider another building site for their offices and to consider allowing the new fire hall to be built at the museum site so the present fire hall "fill" could be converted into a village park or plaza.

A group of citizens, with vision and fore-sightedness, have been quietly campaigning to turn the unoccupied land left in downtown Ganges into a plaza of green grass, trees, benches, and flowers which would make our village an outstanding beauty spot. All of the group have re-iterated that a fire hall is vastly important to the Island and they would not like to see the building of the fire hall delayed. However, they feel that before any more buildings go up in Ganges, serious thought should be given to the future. Consideration should be given to the problems of increased population, increase in traffic and parking problems, and the desirability of making Ganges a beauty spot of which all the Island can be proud. Most of the group feel that if a move is not made at this time, to make Ganges more attractive to visitor and resident alike, all chances of doing so in the future will be lost.

Upon approaching the Fire District Executive, the group found out the Fire District, which has already called for tenders on the new fire hall, would be willing to move provided a spot as good or better than the present location could be found quickly. The Hon. Earle C. Westwood indicated the Government would donate, and prepare (fill) the land for building on the lot next to the Tax Assessor's Office and go to considerable expense in seeing the plaza idea go through. However this piece of land is too narrow and not the most suitable place for a fire hall. It was then suggested the School Board relinquish the museum site for the fire hall and the government would give the School Board the lot by the Tax Assessor's office. The Fire District was willing to build at the museum site, as they considered it a most suitable location.

The discussion, at the School Board meeting, where it was indicated that Mr. Doug Dane (Fulford), and Mrs. F. Prior (N.Pender), were the only members in favour of the proposal, finally evolved to the point where it was the considered opinion of the Board that they did not have the legal right to give up any of their land for anything other than educational endeavors. This was according to Section 172, sub-section 2 of the School Act. The Board unanimously passed a resolution to write a letter to the Chamber quoting this section of the Act, and to appoint a Committee to discuss the matter with the Chamber.

It was obvious, to this reporter, that if a motion to give up the museum site to the Fire Dept., had been put to vote, the motion would have been defeated, at least 6-2.

One suggestion was made by a member, that perhaps additional fill could be added to the present fill and Ganges could have its Fire hall and park in the same area. All the members were sympathetic to the view of making Ganges a prettier place to live.

MOUAT PARK

A simple, but impressive ceremony marked the Official Opening of the Mouat Park in Ganges last Friday, Sept. 8th. A crowd of over 500 people gathered in the brilliant sunshine to witness the ceremonies, and to hear the "keynote" address of the Hon. Earle C. Westwood Minister of Recreation & Conservation.

The park site, donated by Mr. Gavin C. Mouat, will be known as the Mouat Park, in honour of the Mouat family, one of S.S.I.'s pioneer and illustrious families. Guests of honour, introduced by Mr. Westwood, were Mr. & Mrs. Gavin C. Mouat, Mr. & Mrs. Thomas W. Mouat, Mr. & Mrs. William M. Mouat, Mrs. R. Toynbee, and Mr. & Mrs. Clinton S. Wood.

Mr. Gavin Mouat was introduced, and officially turned the park site over to the people of B.C. Mr. Mouat spoke of the many blessings, surrounded by opportunity, that exist in the Gulf Islands, and he hoped that it was not too far in the future before all of mankind enjoyed the benefits that we do.

On behalf of all the Mouats, past and present, and bearing in mind the hardy pioneers who settled here, and for the benefit of future generations, Mr. Mouat gave the deed to the land, to Mr. Westwood.

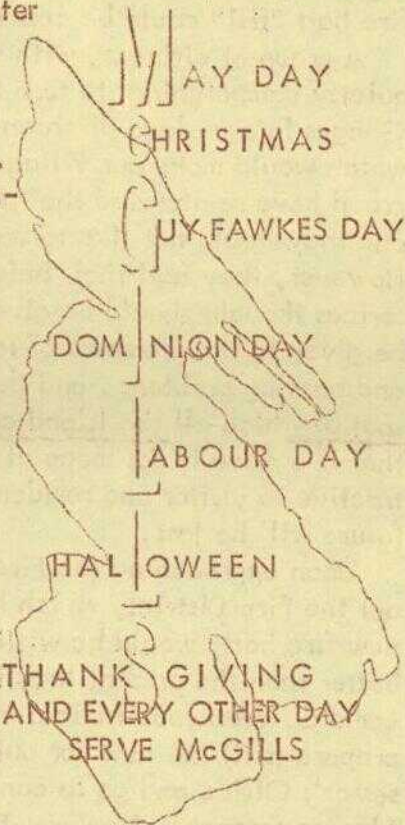

Mr. Westwood, in his acceptance speech, paid tribute to those pioneers, extended his thanks to the generosity of Mr. Mouat, and spoke of the children and the families who will enjoy this park for the years to come.

Mr. Westwood unveiled a plaque at the end of the ceremonies. Coffee, cookies, and soft drinks were served to the people.

ELK ON S.S.I. after 100 years....

By Bea Hamilton.....Salt Spring Island is getting really famous. Now we have a strange visitor - On Saturday, an Elk was seen up on Mt. Bruce- and by Bob Akerman, Ted, Morry and Cathy. "I thought I was seeing things- then Ted said "That looks like an Elk !" so I felt better." Bob said. The Elk had fine looking antlers and it was fairly close so the Akermans got a good look at it. The big buck half ran, half loped along until he was out of sight. A deer would bound away so although Bob found it hard to believe his own eyes, he knew they were looking at the real thing. Confirming this, Ronnie Lee later phoned that he had seen what looked like Elk tracks on the Lake flats below Mt. Bruce, and down at Sansum Narrows.

COOK - ROLAND WEDDING by Bea Hamilton...

A wedding of interest to Salt Spring Islanders was that of lovely Leona Roland, who was married Sept. 1st. in Victoria, at the Gorge Centennial United Church, and it was a big day for the three little sisters, Mary-Lou and Josephine, the small twins, who were flower girls, and little Cathy, who was the Ring bearer. All the little girls were dressed alike in yellow nylon sheers with tiny hats of flowers and ribbons in white and yellow.

The bride was really beautiful in a full length gown of white brocade satin, long torso, lily point sleeves and bouffant skirt. She wore a diamond and pearl crown and a softly flowing finger-tip veil. Her bouquet was white Chrysanthemums and red rose buds. The Maid of honor, Miss Crista Roberts, wore a dress of white chiffon overlaid with embroidered blue and white flowers, her accessories were white. The bridesmaids, Rosemary Tahouncy and Pat Cook, wore blue chiffon, lace lined bodice and full skirts, blue feathered hats, and carried

bouquets of white Mums and pink rose buds.

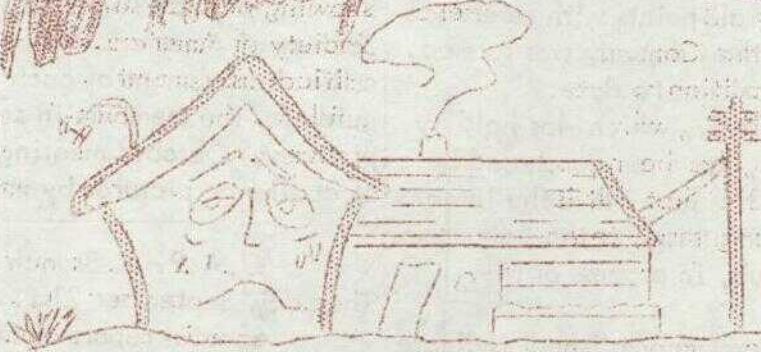

Supporting the groom, Gordon Francis Cook, was Ralph Burgess. Gordon is the eldest son of Mr. and Mrs. Mossmann Cook, of Arnot St. Victoria, and Leona is the daughter of Mr. and Mrs. Jack Roland. Ushers were Carl Bridal and Steven la Fortune.

The mother of the bride was dressed in a mauve sheath dress with beige accessories, and the mother of the groom wore beige sheath dress and accessories. Both mothers wore lovely corsages.

The reception was held in the Flamingo Room at the Crystal Gardens, with Tommy Tucker's orchestra in attendance. The toast to the bride was proposed by Mr. Al Pierce of Victoria. The bride wore for going away costume, a mauve suit, stroller length coat and mauve accessories. Mr. and Mrs. Gordon Cook will honeymoon on the Mainland and make their home in Victoria, B.C.

Mrs. Ian McKain (Nee Faith King) and sons, Mark & Frank of Los Angeles, are visiting Mrs. D. King.

If the Ganges Softball team, the "Salties", could hit home runs like they hit the ceiling at a report in DRIFTWOOD about the Fulford "All-Stars" being as good as they, the "Salties" would never get beat.

According to some incensed "Salties", they have played the All Stars about 20 games this year and the Fulford team won only three games and tied one. We had reported, on good authority, that the two teams had played four games and each had won two.

Now we don't know if the "Salties" have illusions of grandeur or if the "All-Stars" have conveniently forgot about 16 games. We would like to suggest the two teams play one more game for the Championship of the Island and award not the winners, but the losers with one large crying towel.

Any member of the Chamber of Commerce is cordially invited to attend the Executive Meeting of that organization at anytime. While the normal routine of getting the business of the Chamber done cannot be impeded, anyone who has a matter to bring to the attention of the Executive may do so. The Executive meetings are usually held on the 1st Wednesday of the month in the Board Room at Mahon Hall.

Kaye Rowe, Feature writer for the BRANDON SUN of Brandon, Manitoba, recently visited S.S.I. and wrote a feature article on "Canada's Paradise Island" for the SUN., published Aug. 26, 1961. After reading this glowing account of life on S.S.I. its beauties and its people, it is a wonder to us that Brandon hasn't been de-populated with a mass exodus to this "paradise island", with Kaye Rowe leading the way.

The regular monthly meeting of the Anglican W.A. was held last Friday at the Parish Hall, with Mrs. G.H. Holmes in the chair. 12 members were present. Mrs. E. Worthington and Mrs. Holmes took the devotional. Mrs. Holmes read excerpts from the "Canadian Churchmen".

Mrs. V.L. Jackson gave the sewing report and the meeting voted \$25.00 for more material. Mrs. J. Ashby gave a display of Dorcas work and the meeting voted another \$15.00 for wool. Archdeacon Holmes gave a report on the addition to the parish hall. It was decided to hold the annual Thanksgiving Supper on October 18th. A special meeting of the W.A. will be held on Sept. 29th to make the supper arrangements. The Archdeacon closed the meeting. Tea hostesses were Mrs. Holmes and Mrs. E. Faure.

The regular monthly meeting of the Ganges United Church W.A. was held in the Church Hall on Sept. 7th., with the President, Mrs. R. Bidwell in the chair. The meeting was opened by singing the hymn, "What a Friend We Have in Jesus", followed by repeating the W.A. Purpose and the Lord's Prayer.

Mrs. W. LeFevre took the devotional and gave an interesting address on "Spiritual Fear, Normal and Abnormal". The annual Thanksgiving Dinner will be held on Thanksgiving Day, October 9th. Mrs. F. Reid will be the General Convener and Mrs. W.M. Mouat will be in charge of the ticket sales.

The Annual Fall Bazaar will be held on November 23rd, and Mrs. J. Cutto has been designated to be General Convener for that event.

Members of the local Dog Obedience Training Club had a busy week-end in Duncan with sheep and tracking trials. "Peg" turned in a top notch performance, coming home with prizes and smiles for Mrs. J. Hawksworth. "Kim" a beagle owned by Mr. and Mrs. H. Hoffman, tracked a trail of 500 yards to find a small piece of leather hidden in a ten acre field. Since this was the biggest tracking event held in Canada or U.S.A. with only six dogs qualifying, the Hoffman's were more than pleased when "Kim" received congratulations and his award from Cpl. Ian E. Hall, R.C.M.P. of Prince George and D.B. Hudson of Victoria, judges for Canadian Kennel Club.

The Waggon Wheels Square Dance Club is getting ready to launch another season of square dancing. A meeting of all club members and anyone else interested in learning the art of square dancing will be held at the home of B. Lukas, Vesuvius, Sunday, Sept. 17th. at 2:00 p.m.

Mr. Neil Couits of St. Mary's Lake took two of his chinchillas to the Alberni Valley Chinchilla show last week-end at Alberni and came away with three prizes including the "Show Champion" ribbon. Both of his animals won the first prize in their class. Over 300 chinchillas were shown.
