FUN AND GAMES AT THE FULFORD SPORTS DAY

## ALL BUT THE WEATHER WAS FINE

by Bea Hamilton

Despite cool weather, some six hundred people attended the Sports Festival at Fulford, sponsored by the Fulford Hall and Fulford Athletic Committees. The sum of about \$1000 was taken in for the whole day, counting the dance at night. Over 200 lbs. of beef lay barbecued in the hot pit, and was in charge of Larry Rumsby of Sooke, with assistance from Club members. In case you don't know it, it took the boys all night to build up the fire. Then at 4 a.m. the big chunks of beef, well wrapped, were placed in the hot bed, ashes piled on top and then, and only then, were the men able to go home for a couple of hours sleep. The men had been working on the Athletic field for over a week, and it is amazing what a lot was done in that time.

"Credit goes to the many helpers, like Art Young, who put up the back-stop on the sports field, and donated his time and work: and to many others," said Bob Aker-

## RACIAL STRUGGLE IN US MUCH WORSE THAN WE KNOW . . .

Dr. Allan Ward, speaking to a group of Islanders here last Wednesday August 5th. stated the race struggles in the southern States are much worse than published reports indicate. He stated that many cases of outright cruelty and even murder are snowed under and hushed up so that the real picture of the situation is not allowed to become common knowledge.

As an example, Dr. Ward cited the case of a negro

who was shot while driving his car down the street. The car went out of control and hit a tree. The driver was killed instantly by several bullets in the head. At the coroner's inquest, an autopsy report which had been demanded by the NAACP, stated the man had lost control of his car and the impact had shaken loose the fillings in his teeth and damaged his brain.

## AUTOMATIC TELEPHONES!

All those telephone trucks around the Island these past few days are crews making last minute checks of lines and equipment before the change-over to automatic exchange operation at 12:01 a.m. August 13th. Mr. Higginbotham, District Manager B.C. Telephone at Victoria says the cost of the changeover will be in the neighbourhood of \$200,000 total for all the Islands. This includes the cost of buildings, switching equipment, plant, cable and instruments. Salt Spring Island system totals \$320,000.

Mr. Higginbotham stated the conversion will result in improved service all over the Islands with a maximum of six telephones to a line. One big improvement will be the fact that you will no longer hear any other ring but your own as other rings on your line will be silent.

The new Interim Telephone Directory is in the mail with many now having been delivered. Ganges exchange has the prefix numbers, 537 followed by 4 digits. Other Islands prefix is 539, followed by 4 digits.

Don't forget the yellow tag presently attached to the wires between the wire attached to the wires between your old telephone and the new equipment. If you go to bed early, and don't want to miss any incoming calls, you'll have to get up at midnight and cut the wires to which the tag is attached before your new instrument becomes activated.

That will be Sunday, August 16th. Anybody for a 'phone-warming party?

## ANOTHER SUCCESSFUL BREAKFAST

A lovely sunny morning last Sunday brought over 300 people out for the annual Legion breakfast, sponsored by the L.A. to the Royal Canadian Legion, Branch 92.

Chief cooks, John Sturdy and John Waterfall were busy by 8 a.m. when golfers on their way to Galiano arrived for breakfast. They were kept busy till 2 p.m. when there wasn't enough food left for another good serving.

Over 325 breakfasts were

## OES MAKES OVER \$130

The Order of Eastern Star made over \$130 for their work at the third annual coffee and pie sale held last Friday at Shell Service Show Room.

General convener, Mrs. J.G. Reid expressed thanks from the Order to Mr. Alex McManus for the use of the station and to all those who helped make the sale such a success.

One of the projects the OES supports is the making of cancer dressings for any who need them.

Tom Sharland and Larry Campbell were cashiers. They grossed \$343, which will go towards the bursary fund awarded annually to a veteran's son or daughter graduating from school here.

the Baha'i World Faith is doing in the area of racial integration in the southern States to promote the oneness of mankind through its summer schools where negroes and whites live together.

While the situation is critical in the southern States, Mr. Ward suggested that this is not the only area where the problem of man's inhumanity to man is rife. He mentioned that there are some similarities in our approach to our Indian population.

Many of the group who heard Dr. Ward enjoyed further discussions with him after the meeting at the home of Mr. & Mrs. F. Bennett, Tripp Rd. Dr. Ward suggested that if we became truly free from prejudice on this Island, it would have a most beneficial effect on conflicts in the south and elsewhere on the earth.

**FIRE NUMBER FOR EMERGENCY ONLY**

With the switch over to dial system this coming weekend, one of the major problems encountered was how to handle emergency fire calls where your department is all Volunteer.

No longer will a person be able to get hold of an operator and say (shout) that there is a fire at such and such a place and hang up knowing that the operator will be able to recognize the voice or at least know what line the call came in on and then have the operator take over from there to get the Fire Department on the road.

To give the people the best coverage possible, that is around the clock telephone coverage, the Department has installed a special 'Alert' phone system which will be covered by one or more firemen at all times. These phones are especially designed to handle emergency calls and are not intended to accept general information calls.

When 537-2121 rings, this will alert at least 6 firemen immediately and commence proceedings to another 15 firemen.

The firemen would ask the public that if they have any general enquiries they phone: 537-5515 between 8:30 a.m. and 5:00 p.m. Monday through Friday.

The public should be well aware that the Fire Department must have the proper information in order to properly locate the place of

emergency and in the event that a phone call is necessary, remember dial 537-2121 and when the phone is answered, try to give the following information calmly:- "FIRE EMERGENCY"

"YOUR NAME"  
"YOUR ADDRESS" and also give your location by mentioning your neighbour or some well-known area, etc.

It is felt that this new system will in no way deter from what they think has been a very efficient alerting system.

It will mean many more hours of standby for the firemen. They will gladly volunteer to give these hours to provide the public with good Fire Protection.

Remember, 537-2121 should be used for EMERGENCY CALLS ONLY.

**COUGAR BACK WITH US**

Over the last few months, sheep ranchers have suspected that there were two cougars on Salt Spring Island; recently, about 2 weeks ago, one cougar, believed to be one from the Island, was washed up on the shores on Sansum Narrows, evidently drowned as it crossed when the tide was running too strongly.

Last week the Ruckles of Beaver Point found 3 or 4 sheep dead, and they are sure they were killed by a cougar.

Hunter, Bob Akerman, is waiting for the next move to give chase to the wild cat with his cougar hound.

Tracks were also noticed at Beaver Point.

## ISLAND DOIN'S . . . . .

This Island should be proud of the public spirited citizens who live and work around the Fulford area. For our money we have never experienced a group who are more enthusiastic and tireless in their efforts to make our community a better place to live. They have shown the way many times to the rest of us in know-how and promotion of many kinds of successful projects.

They did it again last week when even the weather didn't dampen their efforts to make the Fulford Sports Day a howling success. While a crowd of happy participants is a 'must' in a thing like this, disappointment in this aspect did nothing to disprove its complete success and, in fact, only served to spur the sponsoring committee to even greater effort for next year. We think this is where the rest of the Island should come in. The writing is on the wall.

When it was decided that the Pirate Days celebration should be laid aside for this year, the Fulford committee, whose contribution last year was outstanding, refused to let it go at that and decided to "go it alone if necessary". Likewise the Legion L.A. and the Order of the Eastern Star repeated their culinary projects with equal success and enthusiasm.

*It seems reasonable to us then, that, in any future decisions about an annual sports and entertainment festival such as Pirate Days was destined to be, it would be wise for the whole Island to get behind these established, successful activities and build from there.*

This might even spread Fulford's enthusiasm to the whole Island!

### \*\*\*\*\*INTERNATIONAL DIVING COMPETITION\*\*\*\*\*

Sunday between 11 a.m. and 3 p.m. Fathom Phantoms Divind Club will host the International spear fishing competition at Vesuvius Bay Beach.

Divers from USA, the mainland and Vancouver Island will take part. Last year over 70 divers entered the competition, from as far away as Alberta.

The divers work in 3-man teams and are judged on the number of fish they bring in. There will be at least 2 local teams competing.

Sponsoring the International Dive are the following:- Fernwood Store, Dr. Francis Hospital, Norman Mouat, Imperial Oil Agent, Island Garage, Ganges Pharmacy, Scott Point Marina, Villadsen Construction, Des Crofton, Cruickshank Construction, Turners Store, Wally Rogers, Irl Bradley, Ganges Rec Centre, Shell Service and Driftwood.

man and Jack Roland, two hard workers themselves. Whole families have been out helping and now there is a sports field to be proud of, and one for keeps. The land, owned by Bob Akerman, is to be used for as long as people need it. A good roadway and parking lot, comfort stations, etc., were in good order. Concession stalls and seats and long tables - they had everything to help out-door accommodation.

The junior Island boys, Ganges and Fulford, played a hard hitting game, with Fulford winning 15-9.

Horseshoe pitching contest was won by the exuberant Duncan team, who took home the lovely new trophy, donated by Alex McManus Jr. This was presented, with due ceremony to them, by Dave Stupich, MLA for the Islands. Mr. Stupich also presented the trophy donated by Col. Des Crofton, to the Junior softball winning team (Fulford).

The second, and biggest softball game of the day was between the married ladies of Ganges and Fulford - and here also, came the biggest surprise of the sports events - the Ganges gals walloped the daylights out of the local team with a 19-14 win! Fulford will never hear the end of this!

The ladies are so thrilled about playing again that they will be down next Sunday at 2 p.m. to play another match with Fulford. Then on Labor Day, the two married ladies teams will battle for the Rose Bowl, donated by Bob Akerman.

The baby show was popular and Dr. O. Stanton said the local babies were so "lovely and healthy, and a credit to their parents, that he had a hard time picking out the best baby."

He was assisted by two nurses, Mrs. A. McManus Jr. and Mrs. M.H. Holmes. The trophy for the best baby in the show went to little Andrea Simard, 2 year old daughter of Mr. & Mrs. R. Simard of Fulford, Mrs. D.

Stupich presented the trophy (which was donated by Ganges Pharmacy). Other babies winning ribbons and awards were: under 8 months, Debbie Cruickshank, daughter of Mr. & Mrs. Cruickshank of Vesuvius Bay Road - 1st. Baby Kathleen Bradley, daughter of Mr. & Mrs. W. Bradley, 2nd. Lisa Hughes, daughter of Mr. & Mrs. R. Hughes, 3rd.

9 - 16 months: Baby Loretta Dods, daughter of Mr. & Mrs. K. Dods, 1st. and baby Karin Rumsby, whose parents are Mr. & Mrs. Larry Rumsby of Sooke.

17 - 24 months: 1st went to Mark O'Donnell, son of Mr. & Mrs. Tim O'Donnell of Ganges. 2nd went to Shawn Ward, won of Mr. & Mrs. David Ward of Ganges. 3rd, little Edward Westcott, son of Mr. & Mrs. W. Westcott, Stewart Rd., Fulford.

A hand made rug, donated by Mrs. A. Ruckle, was won by John Roland. Two lambskin rugs, donated by Mr. W. Kitchen were won by D.M. Abolit. An Indian sweater, donated by R. Akerman, was won by Cyril Beech, Ganges. The Rose Bowl trophy, for the ladies softball teams will be played for on Labour Day. This was also donated by R. Akerman.

Several visiting Americans came to enjoy the barbecue and they left generous donation in the ticket box, for which they are heartily thanked. As a further surprise, the good fairies came down to the Sports Field on Sunday morning before anyone was up and they cleaned up the debris left all around the field - made a lovely job of it! They were Mr. & Mrs. Ernie Lowe and their boys and girls from Lakeridge Camp.

About 250 attended the dance at Fulford Hall that night, and danced to music by the Majestics orchestra from Victoria. Salt Spring's May Queen, Pixie Thorburn and princesses Mary Harrison and Diane Kyler, attended the dance and earlier were (Contd. to P. 10, Col. 2)

Mr. and Mrs. M. Simard of Cobble Hill, V.I., with their children, Karin, Julie and Kathleen, attended the Fulford Festival and the Legion breakfast, before returning home.

But it seems the people who travelled farthest for a meal were Mr. and Mrs. R.H. Saunders, who came 7000 miles from Ottawa, and attended the Bean Sup-

Well, those beans were worth a 7000 mile journey (and really, they just happened to fit into their schedule).

The Fulford Athletic Club wish to thank all who helped in any way with the Sports Festival on Saturday, and a special thank you to the wonderful help given by the whole R. Akerman family, who pitched in from morning till night, and then some, to get things moving.

Mr. Larry Rumsby and his wife and six children were also guests of the Akerman family during the week end. There seemed to be no end to the co-operation and hospitality offered by Bob and Molly Akerman and all the family - they are a wonderful family and very good neighbours.

THOMAS - REYNOLDS

Ganges United Church was beautifully decorated with pink and white gladiolus for the early afternoon wedding August 8th, uniting Nancy Pearl, daughter of Mr. & Mrs. Gavin L. Reynolds, Beaver Point, to Richard James Thomas, son of Mr. & Mrs. F.P. Thomas, Victoria. Dr. Norah L. Hughes performed the double ring ceremony.

Given in marriage by her father, the radiant bride wore a floor-length gown of white nylon net and lace over taffeta, designed with fitted Eliaabethan bodice and lily point sleeves. The full skirt featured an overlay of net with wide curving lace panels on either side of the open front. A pearl-studded coronet held her chapel veil. She carried pink roses and stephanotis.

Maid of honor, Miss Sharyn Reynolds, sister of the bride, and bridesmaids the Misses Elizabeth Beech and Sally Alexander, Vancouver wore identical pastel pink gowns fashioned with silk brocade bodice and bouffant skirts of silk chiffon over nylon. White silk circlets held their miniature veils. Bouquets were carnations in blending shades of pink. Mr. Bernard Reynolds was best man. Ushering guests to ribbon trimmed pews were Mr. Dennis Gardner and Mr. Vernon Morris of Victoria. Mrs. J.A. Tomlinson was organist.

Buffet luncheon was

served at the reception held in Beaver Point Hall, tastefully decorated for the occasion by Mrs. Joyce Bowden-Baker and Miss Gwen Ruckle. Guests were welcomed by the bride's mother in a pale blue silk sheath with white accents. Aqua silk sheath and white accessories was the choice of the groom's mother. The 3-tier wedding cake, made by the Mrs. Reynolds and decorated by Mrs. Evelyn Lee centred the bride's table.

Mr. Donald Cowan, Vancouver, was master of ceremonies. Mr. Sidney Claibourne gave the toast to the bride. Guests enjoyed solos sung by the bride's aunt, Mrs. H. Rowe, Victoria.

For honeymoon travelling on Vancouver Island the new Mrs. Thomas chose a blue figured silk dress with toning blue silk topcoat and white accessories. The young couple will make their home in Victoria.

Off-Island guests included: Mr. and Mrs. A. Wylie and son Robert; Mr. and Mrs. J. Wilson; Mr. & Mrs. Donald Cowan; Mrs. C. Adolph and son Ronald; Mrs. A. Deacon; Miss L.

Hedger, Miss D. Card, P. Shand, Vancouver; Mr. and Mrs. H. Rowe, Capt. and Mrs. A.J. Warren; Mr. and Mrs. D.W. Coburn; Mr. and
