EVAN'S 'KING' TAKES SECOND HONORS

SALT SPRING ISLAND B.C. DOG TRIALS

The BC Sheep Dog Association held dog trials on Salt Spring Island on Saturday, August 1. The Trials, first to be held on Salt Spring took place at the farm of Norman Mouat, Sunset Dr.

About 250 people attended to watch the skill of the dogs as they handled the sheep and enjoyed every minute of it, in excellent weather.

Twelve dogs entered the contest and when it was all over, top honors went to "Rob", owned by R.C. SibCOME TO THE FAIR

at Fulford August 8.

The hard working members of the committees on the big Festival & beef barbecue on Saturday at Fulford are shaping things up, and dodging rain-drops in between showers. And that's the only thing they cannot control - the weather - so we keep our fingers crossed and hope for a good day.

"It will be sunny", states Jack Roland optimistically. But we think umbrellas and raincoats MIGHT come in handy if a sudden shower comes along. It will be worth taking the risk as the boys

bald of Matsqui, B.C. Second place went to "Rainbow King", owned and handled by Bill Evans, Ganges. Mrs. Irene Hawksworth, Ganges, the lone woman handler came sixth in the field.

The trials were arranged and managed by Bill Evans and Mrs. Hawksworth who were very pleased with the results and the interest shown.

Mr. Don Beaton of Qualicum, a long time sheep man on Vancouver Island was the judge and Mr. Ted Meaden of Ganges was timekeeper.

have a variety of things lined up, lots of food and fun. The merry-go-round, in charge of Tim O'Donnell will take care of fun for the kids - with all kinds of sports and competitions. The ball games start at 10:30 and the beef barbecue will be ready for action at 1 p.m. The baby show at 2:30, and the finals for the softball tourney will play off at 4 p.m. In between there will be excitement aplenty and refreshments all the way.

GARDEN FETE SUCCESSFUL DESPITE WEATHER

Receipts totalled \$870. at the Annual Anglican Garden Fete held last Wednesday in the grounds of Harbour House Hotel.

Sardine tin, belt and string were some of the trimmings used for millinery "creations" by prizewinners Pamela Utterbach, North Vancouver, and Stephen Wilkie, Vancouver, in a hat-trimming contest. Eric Faure judged entries in the merry contest.

The affair, opened by Lt. Col. D.G. Crofton introduced by the rector, Rev. S.J. Leech, drew a large crowd to the gaily decorated grounds. Patrons thronged the stalls and tearoom. Tennis, swimming and other games were popular. Winner of a spring lamb was Derek Gale. Miss Emily Smith won a chicken dinner and a fruit cake went to Mrs. Utterbach. Tea was convided by Dr. Marjorie Jansch and served by Evening W.A.

Conveners of games and stalls included: tennis, Col.

We understand that the property on which cars park is half privately owned, and half is public highway. So to park the front end of the car, the owner must get permission from the land owner: and the law prohibits any parking on the highway, which takes care of the back end. legal to park there and a word from the RCMP might straighten this little matter out. They take a dim view of highway obstruction in any way, shape or form.

We remember in the past months, writing quite politely about this business of parking in front of the pretty flower box, but still there was always some car parked for hours at a time, blocking the view and being a nuisance. Last year, the box got rammed and broken by parking cars, and it was re-assembled and log protection hopefully put along the front. Hints, even the word please, was used, to no avail, and no one could really enjoy the view of the flowers in bloom in that particular box. This is a pity, as we all appreciate the hard work and up-keep of all this beauty, by the ladies of Fulford. Most residents feel that car owners should respect the corner and park up Morningside Rd. or behind the old gas station.

Hence the notice of no parking, we presume. Sometimes a closer look at such situations puts a more understanding light on matters like these.

Visitors appreciate the flower welcome, and several have become residents because they were so taken with the charm of the boxes of flowers. This ferry dock in Fulford is the only one that has the flower greeting, and it is an attractive and nice idea. It seems to be a matter of courtesy really, & we are sure all car owners, when they understand the situation, will find a "better 'ole" and park elsewhere. Certainly, it would save breaking any laws and would show appreciation to the ladies. Their cooperation would certainly be appreci-

Baptismal service was held in St. Mar's Anglican Church, for 14 month old Patrick Raymond and his infant sister, Shelley Anne, children of Mr. & Mrs. Michael Morris, Smithers, B.C. Rev. S.J. Leech officiated.

Godparents for Patrick Raymond were Mr. & Mrs. Max Munro, Fort St. John and Fred Morris, Ganges. Shelley Anne's sponsors were Mr. & Mrs. Sterling Chisholm, Nanaimo, and Jas. Milner, Duncan. Mr. Morris was proxy for the other godparents.

A family tea followed at the home of the children's maternal grandmother, Mrs. Nelson Degnen & Mr. Degnen, Ganges. Guests included: Mrs. R.M. Kirkham, Vancouver; Lt. Mark Crofton, Victoria; Mr. & Mrs. E. Creelman, Cowichan; Mr. and Mrs. A.J. Eaton, Mr. & Mrs. Fred Morris, Col. D.G. Crofton and D.K. Crofton, Ganges.

Patrick Raymond has the distinction of being the only great-great-grandson of the late Mr & Mrs. George Borradaile, pioneers in the auto court business on Salt Spring Island and the only great grandson of Mr. & Mrs. W.M. McDermott, long time residents of Ganges. His paternal grandmother is Mrs. Walter McDermott, Holberg, B.C.

98th BIRTHDAY PARTY

Mrs. David Simson celebrated her 98th birthday July 31st with a few of her old friends at her home on Pentland Road.

Mrs. Simson was presented with a lovely corsage by Mrs. C. Brewshaugh, and received many other gifts from her old friends. Among those present for the birthday tea were Mrs. C. Brewshaugh, Mr. & Mrs. W.M. Mouat, Mrs. Gavin Mouat, Mrs. J. Byron, Dr. & Mrs. Keyes and Captain and Mrs. W. G. Stone.

Mrs. Simson was born in Scotland in 1866 and came to Canada with her family in 1903. They settled first at Langley Prairie for almost 20 years. In 1923 the Simsons moved to Saturna Island where their only transportation was by row boat. Five years later they were brought to Salt Spring Island on the boat of Captain George Maude. They have operated a sheep farm here for the past 30 years.

Mr. Simson predeceased his wife 10 years ago.

Driftwood joins her friends in wishing Mrs. Simson a happy 98th year.

***** FULFORD NEWS

by Bea Hamilton

Members of the Fulford Athletic Club say a special thank you to Mr. Jack Tomlinson for the work and time he spent on overhauling the roller skates recently. Also for all the time he put in to help the skaters throughout the season.

He performed a wonderful job and it is appreciated, says Jack Roland, in speaking for other in the Club.

The Junior Softball team at Fulford took on the Sidney boys in a double header on Sunday afternoon, with Ted Akerman coaching. The local team won the first game, 15-6, then in the second, with only 4 innings played (for want of time) Sidney won, 11-10, so all's fair. Mel Pearson is Sidney team's coach, "and everything else they liketto call me", says he. The Fulford boys look smart in their new uniforms of yellow and black. The teams were treated to refreshments at the home of the Bob Akermans' after the aames were over.

We just cannot trust the weather, so picnics are real picnics whenever planned. With rain falling on Thursday July 30th, 27 members of the St. John's Ambulance Corps had to come indoors at Dromore, to have their weinie roast. It all turned out fun and a bit crowded!

We entertained the girls with a few stories of local history, and enjoyed their visit. Mrs. C.F. Lawrence, Commandant, was in charge, with several other officials, and Miss Kathy Lawrence, who informed us she was the "chief getter-upper" in the morning, whilst the girls were camping at Weston Lake.

THE PASSING SCENE GOOD AND BAD

Changes in the look of our Island come thick and fast. Yet taken individually they come to be taken for granted. When one looks around, there can be no doubt the face of Salt Spring is changing daily. The majority of these changes are good, but one or two we would holler about. Let's holler first.

Rumour has it that the B.C. Ferry Authority is to carry out its pattern of concentration-camp style high wire fence around the ferry dock at Long Harbour. Since the government seems to have stalled action on the promised park at this point, we hope this rumour stalls too - and that this further insult is not added to the first injury.

While we are in the rumour department, winds of change seem to be coming in our ferry service. It is whispered we may not be seeing our "Queen of the Islands" around too long. The new large "Queen of New Westminster" was trying out the Long Harbour dock for size last Sunday night while undergoing final sea trials. Could be we are going to have the larger ferries making a call at Long Harbour and the outer Islands enroute from their terminals at Swartz Bay and Tsawwassen?

A large loud holler of protest is directed at the person or persons (we would hate to think it was those nice American yachtsmen) who threw a large load of garbage at the containers at the Boat Basin last week. Just in case they didn't notice, their aim was very bad and all kinds of wet garbage littered the area around the ramp. It looked, as we saw it that evening, as though we were entering a garbage dump with papers, napkins, bananas and other sundry items smelling up the air and discoloring the landscape. For shame.

A large bouquet to the Chamber of Commerce in general and Mr. Kropinski in particular. Have you noticed the riot of bloom along the Boat Basin flower boxes?

We note Jim Hedgecock has a handsome sign to seaward of his B.A. Dock and that Mouat Bros. have an equally handsome sign facing the Boat Basin. Another big improvement recently is the large new quarters for Mouats building supplies in the refurbished dock building. The express office is now located in quarters at Norman Mouats dock area across the road. Handier all round.

The old Shell building has recently been put on perman-

LETTERS TO THE EDITOR

Dear Editor: "Your item in the Driftwood of the possible opening up of the Indian Reserve on South Salt Spring Island I have noted with some interest.

If this were possible (and I see no reason why it would not be) the area as designated would provide pleasure to a wide field of people.

Notwithstanding the problem of obtaining a long-term lease from the Council of the East Saanich Band, the Duncan Branch of Indian Affairs and Federally also, you will be plagued with many local objections.

As I had hoped at one time to interest the Parks and Recreation Division of the B.C. Government in taking over my area there - which adjoined the Indian Reserve and I know the overall objections locally for such an acquisition, I certainly hope the effort will be successful.

If the Department of Recreation had gone through with my proposal, Salt Spring Island and all those adjacent areas (Van. - Seattle - Victoria) would have had an area of some 800 acres available for their pleasure. However small minds are necessarily of cramped habit and it follows that others will follow of like habit.

Being a resident of Salt Spring for some time I am very familiar with the machinations which go along with such a proposal, but I certainly wish you or whoever backs this proposal, every success. If it is proceeded with in all possible acumen you will succeed, bearing in mind that this is a most necessary acquisition for Salt Spring Island."

(Signed) D.D. Fraser, Prince George, B.C.

Dear Editor: "Four Fulford ladies who had never had a lawn bowl in their hands amassed more points (shots) than other players in the impromptu lawn bowling tourney at Wednesday's garden fete at Harbour House. This just shows how easy it is for novices to become proficient at the game, even with some defective bowls and unpredictable results from lumpy ground.

It was all good fun, and some onlookers said they would like to play, when other games can be arranged. It is hoped that an informal club can be organized with little delay, for play on suitable private lawns at different points on Salt Spring. A group at Fulford have already taken steps in this direction.

Lawn bowls being virtually indestructible, it is common practice in this country for bowls to be loaned for matches; new pairs, initialled, can be bought in Victoria or Vancou-

WORDS OF INSPIRATION

"Be kindly affectioned one to another with brotherly love." Romans 12:10

All usefulness and comfort may be prevented by an unkind, a sour, crabbed temper of mind, - a mind that can bear with no difference of opinion or temperament. A spirit of fault-finding; an unsatisfied temper a constant irritability; little inequalities in the look, the temper, or the manner; a brow cloudy and dissatisfied - your husband or your wife cannot tell why - will more than neutralize all the good you can do, and render life anything but a blessing.

Albert Barnes.

KNIGHT SMITH

Peau de soie floor length gown, entrain, with panels of appliqued alencon lace, and lily point sleeves was chosen by Sandra Ramey Smith for her marriage to Vincent Leonard Knight in St. George's Anglican Church, Ganges. Filigree pearl-trimmed Victoria crown held the bride's chapel veil. She carried a cascade bouquet of red roses and white stephanotis. Archdeacon G.H. Holmes officiated.

The bride, given in marriage by her father, is the daughter of Mr. & Mrs. Jack C. Smith, Vesuvius Bay. The groom's parents are Mr. and Mrs. Leonard C. Knight, Victoria.

Hymns: "O Perfect Love" and "Love Divine" were sung at the ceremony with Mrs. V.C. Best at the organ.

White roses banked with white gladiolus formed the background for the bridal party at the reception held at Salt Spring Island Golf and Country Club House.

The bride's table held a three-teir cake flanked by

white tapers in crystal holders. W.F. Thorburn proposed the toast to the bride.

For the honeymoon in Vancouver the new Mrs. Knight chose a spun pink two-piece dress with white accessories. The young couple will reside at 1203 Finlayson Street, Victoria.

ABBOTSFORD SCHOOL BOARD TO INVADE SSI

At the invitation of School Superintendent, W.J. Mouat, who is a native of Salt Spring Island, and who has a summer home here, the Abbotsford School Board is to visit Salt Spring Island for one of their regular meetings on August 12th.

The regular meeting of the Board is to be held on board the ferry on the way over so that their visit may be made up of activities of a more recreational nature.

Mr. Mouat is to precede

the Board to Ganges, where he will prepare a program of fishing and clamming, etc. or maybe golfing on our excellent course; or maybe sightseeing around the Island. Anyway there will probably be plenty to interest and entertain the group while they are here, and here's a hearty welcome to the visitors from the Island.

Mr. Howard Bulmer, son of the founder and managing director of the world famous Cider Makers of Hereford, England, is spending six days with Lt. Col. & Mrs. A.C. Alan-Williams at their home on Sunset Drive.

LETTERS-(Cont'd from P. 4)

ver. It is hoped that present owners of bowls, willing to loan them, will make this known to those who are promoting further contests. The more bowls the merrier, and the more players the more fun.

Ideal conditions cannot be expected or created this season, but if some further matches can be arranged, and one or more groups set about the selection and preparation of improved grounds for next spring, lawn bowling will become popular on Salt Spring; and there is assurance that bowlers from Vancouver and Victoria will be glad to come over and play friendly matches.

This writer is not in a position to undertake the preliminary promotion.

Will someone take hold of it?"

TIMELY TIP CAN SAVE WORRY - MONEY, TOO.

It can be mighty embarrassing when you run short of ready cash while travelling. Yet no one likes to carry around large sums of cash because there's always the danger of loss or theft.

What's the answer then, on your next vacation or business trip?

More and more people are finding the easiest and safest way to carry funds for travel purposes today is in the form of B of M travellers cheques. Any bank in Canada and most hotels and stores will cash them readily - because you counter-sign each cheque only when you cash it.

Thus the person cashing it knows right away that you and only you are the rightful owner. This feature makes B of M travellers cheques useless to everyone except their purchaser. What's more, if your B of M travellers cheques are lost, destroyed, or stolen, the bank replaces them.

So before you set off on that next trip, stop at the Ganges branch of the Bank of Montreal and buy as many travellers cheques as you think you'll need. The service charge is negligible and the peace of mind is wonderful.

Don Lawley, the accountant, or any member of the staff will be glad to help you make any other arrangements for your travel financing. If your trip is an extra long one and you need a large sum, travellers letters of credit are available from the B of M, and if you are going abroad, there are special travellers cheques available at every branch. BOAT LOAD of Grasings from China Lake, Calif. and Lunas from Fort Sumner, New Mexico land at Fernwood Wharf after two weeks of fun at their summer home on Hall Island.

MODERN SWISS FAMILY ROBINSON

Few families, we think, are as adventurous as the Donald Grasings from China Lake, California.

We interviewed Mr. and Mrs. Grasing at the Fernwood wharf last week. They had just landed at the dock and were disembarking from

their 18 foot sailboat, having sailed in from Hall Island, south of Reid Island near Porlier Pass. All five of them plus their little dog, plus a guest holidayer, Mrs. Lamar Luna of Fort Sumner, New Mexico, and her family of three.

In order of landing the passenger list included Mr. and Mrs. Grasing, Meris, 9; Tamara, 7; Robin, 6; Eric, 4; and Tanya, 3 months in the arms of her mother. Next came Mrs. Lamar, Dwight, 16; Kenny, 11 and Lou Ann 8.

Mr. and Mrs. Grasing purchased Hall Island some 11 years ago and, with the exception of two or three years have been going up there every year for their vacation. The family motors up here to Sidney where their sailboat is stored, from China Lake, California.

Loaded with the family and provisions, the little boat is then sailed around Salt Spring to Hall Island, usually calling at Fernwood enroute, to visit their friends

Mr. and Mrs. Bill DeLong. During the earlier years, this happy group simply camped out on the Island, but recently they have erected a cabin and are busy making their summer home a little more convenient.

"At first", says Mr. Grasing, "it was a bit isolated up there since the Island is removed from other more populated places. But now," he says, "there is a steady stream of holiday cruisers past our door, which makes the family feel more a part of things."

When we visited them at Fernwood they were completing a short two week holiday and were on their way home. Mr. Grasing was to continue to Sidney with the boat, (Cont'd on page 12)

Look sort of business-like don't they? These are some of the Fulford Ladies Softball Team who have challenged the Ladies Softball players from Ganges to a hassle on the day of Salt Spring's Festival at Fulford - August 8th.

Are the Ganges Gals game? or are they chicken? This should be the highlight of the sports events and is likely to outshine, and out-field even the main tournament! Wait till the men get a load of this!

LINDA SJOQUIST

Bride-elect Miss Linda Sjoquist, granddaughter of Mr. & Mrs. R.T. Britton, Vesuvius Bay, was honored at a miscellaneous shower given by Mrs. A.E. Duke and Mrs. E.E. On her arrival the bride-elect received a corsage of pink roses. Corsages were also presented to her mother, Mrs. Mary Sjoquist, Vancouver and to Mrs. Britton.

Little Erica Johnson assisted her cousin in opening the gifts, presented under a white parasol decorated with pastel rosettes and

Mrs. Britton presided at the tea table. A "Shower of Happiness" cake was cut by the honored guest.

Miss Sjoquist received part of her schooling on Salt Spring and has many friends on the Island.
