

Gulf Islands Driftwood

Serving the islands that make Beautiful British Columbia Beautiful

Fourteenth year No. 23

GANGES, British Columbia

Thursday June 14, 1973

\$4.00 per year in Canada, 10¢ copy

UPROAR SEQUEL

ORDERED OFF ISLAND

Man who caused a disturbance in a Ganges restaurant has been banned from Salt Spring Island. Timothy Raymond Horgan, of Victoria, has been ordered to keep away from the island for 12 months.

Appearing in Ganges Provincial Court on Wednesday last week, Horgan was charged with causing a disturbance in the Ship's Anchor Inn.

He was fined \$75 by Provincial Judge D. G. Ashby and placed on probation for a year. Terms of his probation are that he may not return to the island during that period.

Lawrence Hickson, also of Victoria, was charged with causing a mischief and assaulting a waiter at Harbour House Hotel. He pleaded not guilty and was remanded for trial to July 11.

Hickson's charge also arose from disturbances during the long week end.

NO ELECTION

RATEPAYERS TOO FEW

There was no election of officers for the Salt Spring Island Ratepayers Association last week. The attendance failed to meet the requirements for an election.

Out of 77 paid-up members there were 20 in attendance. Quorum is 31.

Further meeting will be called for an election and the meeting merely heard various reports.

The association is two years old, commented President Reg Taylor.

"It has done a lot for this community," he told the meeting in the Legion Hall, "and I am going to do my best to make sure the association is still alive and active in the community."

He reviewed the past year

BEACH BARK

The bark is on the beach at Drummond Park. Massive logs are buried to form a sea wall. Labour was part of the successful LIP undertaking at Fulford. Party on the beach rounded off the project recently.

CYCLE RODEO SATURDAY

End of the bicycle rodeo is in sight.

On Saturday youthful cyclists will go through their paces in the cycling rodeo organized by the RCMP at Ganges.

Rodeo was organized as part

of the RCMP centennial program this year.

About 60 children will take part and the grand prize is a 10-speed cycle.

Salt Spring Lions collaborated with police in the presentation of the course in safe cycling, underwriting part of the cost.

Rodeo starts at 9 am, Saturday, in the school grounds.

Picture shows officers making preliminary inspections of the machines.

BUT NOT IN PUBLIC-SIGHT WARNS POLICE

Liquor may be consumed in a public park, RCMP told an island spokesman last week.

The police detachment has subsequently enlarged on the picture.

Liquor may be consumed in the temporary residence at a park, such as tent, trailer or camper. It may not be consumed in a car, nor in the open

Liquor laws in British Columbia apply to the park as they do to a private property. A man may not drink liquor in his garden or his back yard if neighbours object. He must then drink in the house.

AGRICULTURAL RESERVES

Islanders to Take Part

Island residents will take part in the preparation of a land reserve plan for the island.

On Monday Capital Regional Board Chairman James Campbell assured residents that they will be given an opportunity to participate in the preparation of the plan.

Mr. Campbell also expressed confidence in the new land commissioners. "We are not likely to run into a group which promises so well," he told DRIFTWOOD, "They are a very impressive group of competent people."

Mr. Campbell and other members of the Regional Board met with the five members of the recently-appointed land commission on Monday afternoon. With officials of the department of agriculture, they discussed procedures for preparing an agricultural land reserve plan for the district.

Chairman Campbell, director from Saturna Island, said later that the first step will be the preparation of a draft plan by the regional district technical staff. This plan is already in preparation from technical information already available.

The draft will then be given to each municipality and electoral area for their evaluation and their recommendations for changes.

"The recommendations for changes will be considered by the board in the light of its responsibilities," commented the chairman, "and the guidelines provided by the government and the land commission."

The land reserve plan so prepared will then be taken to a public hearing for comment and recommendations before the plan is finally approved by the regional board and submitted to the land commission.

"Hopefully, both the land commission and the provincial government will deal with it quickly," added the chairman, "so the uncertainty which has affected the plans and hopes of many can be dispelled."

The meeting with the land commissioners brought up a

sample of what a land reserve plan for the district might look like.

"I was greatly reassured by today's meeting," Campbell told DRIFTWOOD on Monday afternoon.

He explained that the procedure has yet to be approved by the board, but he was confident that the members would support this pattern of operation.

The chairman was particularly pleased with the procedures and plans because they closely follow what he has been advocating: every islander will have the opportunity of offering an opinion.

RAISE \$1,657 FOR SALVATION ARMY

Salvation Army campaign in the islands yielded \$1,657 for the church organization.

Chairman of the islands campaign was Lieut.-Col. D. G. Crofton, of Ganges.

THISTLE COUNTRY

Mansell Road is thistle country. Here is Willy Westcott displaying the massive, flat thistle he took from a Mansell Road hedge, near Ganges.

GRADUATION 1973

GRADUATE REVIEWS BIG EVENING

BY LYNDA HATCH

Graduation 1973 was a great success on Friday evening, June 8.

In spite of a short one-hour rehearsal the Grads were all able to sing (or sound like it). We all managed to get on the stage without tripping to two choruses and one verse of "Sunrise, Sunset" ending synchronized. The only person who got burnt (slightly) was Beverly Luke. We all got some hot wax on us.

In the beautifully decorated Grecian Theme gymnasium, in front of lovely looking Grads, the invocation and opening speeches were delivered.

Donald Ramsey introduced the Graduates with a timely pace. Thank you, Don, for allowing us time to stand up and sit down gracefully.

Scholarships were awarded to many deserving students.

The Jane Moutat Scholarship awarded for proficiency went

to Barbara Thomas; Gilbert Moutat's citizenship scholarship went to our Valdictorian, Wanda Paton; Richard Toynbee's scholarship for a graduate in the vocational field went to Sherry Cunningham.

Commerce scholarships went to Michael Menzies and Nikki Keating; B. C. T. F., for student entering the Faculty of Education of any university went to Heather Fraser; Farmers' Institute Award went to Sharon Stewart; the Rotary scholarship went to David Sykes.

The bursary donated by Mr. and Mrs. W. A. C. Bennett went to Theresa Rooke and the bursary donated by Royal Canadian Legion, Branch 92, went to Pat Archer. These students were surprised by the honour and they were very pleased to accept these awards.

Deborah Wood gave a humorous Salute from the Graduates which everyone enjoyed. We know Debbie did a lot of re-

search to write her short speech. Wanda Paton, gave a wonderful "Thank you" to our parents and the teachers. It was something we all felt, but which we could not put into words as well as Wanda.

Patrick Byron presented Mrs. Florence Hepburn with a magnificent bouquet of red roses with a special "Thank you" from the Grads of '73.

After a smooth exit from the stage the graduates assembled in the foyer and met with their parents and guests to exchange congratulations and good wishes.

The dance was well attended. The band, the Nashville Touch came from Duncan and the music they played was enjoyed.

A late supper, organized by Mrs. Cade, was served by Gail Horrocks, Anna Mollet, Sandra MacLean, Rene Beaner, Glenda Clark, Paula Bedford, and Ann Wickman.

We wish to thank Principal R. D. McWhirter, Rev. Fred

Anderson, School Board Chairman C. M. Baltzer, E. C. Stewart, W. M. Moutat, Mrs. H. Shopland, R. Toynbee, Mrs. F. Hepburn, Ken Gaylor, G. M. Heinekey, Gavin Reynolds, P. G. James, Paul Layard, Rev. P. McCalman, and all the teachers for coming to the ceremonies and for making the evening such a great success.

We also express a special thanks to Michael Doherty for singing "Sunrise, Sunset" with us, and Mrs. E. E. Simpson for attending the rehearsal and accompanying us on the piano during the ceremonies.

Beverly Luke and Steven Johnson were candle bearers; David Fraser, James Pringle, Don Ramsey, and Michael Doherty were very helpful assisting the girls up and down the stage stairs.

Joanne Scotton and her assistants did wonderful work when they decorated the gymnasium.

ISLAND COUPLE WED IN VICTORIA

Mr. and Mrs. Bruce Fiander are seen in this photograph after their recent wedding in Metropolitan United Church in Victoria.

Mrs. Fiander is the former Laurie Mouat, youngest daughter of Mr. and Mrs. Mac Mouat, of Ganges. Mr. Fiander is the only son of Capt. and Mrs. Norman Fiander, of Nanaimo.

Small wedding in the Victoria church took place on May 5, when the Rev. F. E. H. James officiated.

Bride's attendant was her sister, Daphne, from Vancouver.

Best man was Dennis Beech, from Nanaimo. Newly married couple have made their home in Ganges.

TOP HONOURS FOR UTLEY

Claude Utley, son of Mr. and Mrs. Windsor Utley, Beddis Road, a June graduate of the Feather River Preparatory School, Blairsden, California, is recipient of the Honor Award of Exceptional Achievement as the student with the highest grade average in the school. Claude, who was student body president, also received the language department award for excellence in German.

Mr. and Mrs. Utley enjoyed a leisurely motor trip through central Washington and Oregon en route to their son's commencement, following which the three returned via Mount Shasta, Southern Oregon and then through the Willamette Valley, Mrs. Utley's native territory and up the Oregon Coast.

Fernwood

BY JESSIE SAYER
 Mrs. Alice Thompson, of Fernwood, accompanied by her great-niece, Susan Conway of Duncan, travelled to Aldergrove recently to attend the crowning of Shelagh Thompson as Honoured Queen of Job's Daughters.

Shelagh is the eldest daughter of Mrs. Thompson's son, Allen. Mr. Spain and Mrs. McLeod of Vancouver recently returned to 'Camelot' in Fernwood to spend the summer months.

Mr. and Mrs. L. Sayer spent an enjoyable week in New Westminster and Vancouver where they visited with friends and relations. A grandson was in hospital after having been hit by a lacrosse ball in the eye and a sister was undergoing an operation.

The good neighbors Vicki and Reg had to rescue the cat, which had accidentally been locked in a shed.

Mrs. Vicki Griffin spent a delightful week end recently on Mayne Island in company with several veterans of the CWAC. Hosting the group on Mayne was Miss Jean Fraser at her cottage on Bennett Bay. A tour of the island and visit to the Springwater Lodge were the highlights of the visit.

They had perfect weather, spectacular scenery and many moments of nostalgia but are happy to be home in "God's country."

LEAGUE TO MEET

Salt Spring Island Citizens' League will consider the contract for school construction at Ganges when it meets in the Catholic church hall in Ganges on Monday at 7.30 pm.

The League will also discuss the pending land reserve procedures and joint meetings. Winner of the League draw was W.E. Delmonico.

to be frank

By Richards

"Morgan", the Windsor Utleys' virile eleven year old mynah bird, whose wolf calls and bawdy laugh have amused many islanders at concerts at the "Castle", has laid not one but two eggs!

Big, blue and beautiful. This occurrence is reported to have taken place during the absence of Morgan's "Mom" as he calls Mrs. Utley.

Is he a she? Must he learn to say "Morgana?" or will the real egg layer please stand up?

If chasing around the churches makes a man holy...that's me. On Sunday I made eight visits to island churches. Some

were flowery and some were quite limited florally. I enjoyed the tour and so did a lot of other people.

On Saturday the phone rang three times in a row. First was a call from London, England and the voices were as sharp as if they were in the room. Second was from Los Angeles and each party could make himself clearly heard without effort. Third call, from Duncan, was tough. After the operator had tried two other lines we settled down to a shouting match. Distance lends enchantment, wrote the poet. And how right!

Dino Facca stopped the traffic on Saturday. When he put two loaders on the Vesuvius ferry on Saturday afternoon it took about 25 minutes to get them aboard. The ship never did really catch up on so poor a start.

Wouldn't die for a diesel, even if so many people insist on spelling it that way!

Followed a highways department truck the other day, with a large sign, "This truck stops at all railway crossings". It didn't stop at one on Salt Spring Island!

It's good not to be an economist. The economic brains of Canada and the United States have been examining the spiraling prices in both countries and they've come to a decision. It's all on account of the bank interest rates! All the time, strikes are like babies, there's

Volunteers Wanted For Numbering.

House numbering is in low gear.

Originally supported by the Salt Spring Island Fire Protection District, numbering of island homes was taken over by a committee of the Ratepayers Association.

The committee is still work-

ing on the project, members of the ratepayers association learned at the annual meeting last week, but they need help. Volunteers, who would welcome street numbering may volunteer assistance to Mr. Taylor.

one being born somewhere every minute. And every settled strike means an added cost on the goods or service produced and only a higher rate of interest will stop the spiral. If the Bank of Canada figures that a hike in the bank rate will work on the economy like the pill works on the birth rate there's going to be some big families among Canadian bankers in the next few years.

WEAK GOVERNMENT AND INEPTITUDE

Gutless government is probably as dangerous to the unfortunates so governed as is an excessively strong and arrogant government.

Canada is suffering at the present time under a particularly gutless government. There is no strength in Ottawa and no confidence in Canada. It is the inevitable result of a weakened government party facing two equally weak opponents. The resultant vacillations rarely come close to Canadians in the smaller centres.

The axing of the Community Training Centre at Welbury Point on Salt Spring Island is merely an evidence of the lack of guts we find in Ottawa today.

The centre is facing closure, not because its program was inadequate or because the drug problem in Canada has been eliminated. It has been closed because the weak government was apparently fearful of what a Vancouver radio station might say if the program was not terminated.

The real weakness lies not in the decision, nor is it to be found in the servile response to a loud radio protest. It lies in the manner in which the closure was announced.

The victims were not given any information. The message went from the government, through an unrelated cabinet minister and thence by way of a radio station.

It is impossible for the layman to assess the value of the efficacy of such schemes as the Community Training Centre. But no skill is required to recognize the extraordinary incompetence with which the government has handled this issue. It is abundantly clear to all of us, however, that this type of small-town, vote-getting points up the need for a national election and soon!

Letters To The Editor

NOT FOR CHARGES

Editor, Driftwood,

I want to correct a misunderstanding which appeared in the report of the I.O.D.E. meeting at which I talked about the Mendies family in Kathmandu.

The children they adopt live in the Mendies' own home as they are fully adopted.

The Mendies do not plan to build a large hostel for them.

When the India-Pakistan War was on there was no air link with Nepal and therefore no tourists. Tom Mendies sold his hotel as he had no customers.

As far as I can understand he is now trying to find a suitable building for a lodge or hostel to accommodate groups of young tourists - This is so that he can earn his living and not to house orphans. I am sorry I did not make this clear when I spoke to the I.O.D.E.

M. Doris Anderson,
Beaver Point Road, Fulford,
June 11, 1973.

PETER PAN

Editor, Driftwood,

I have been expecting to see some reference in your paper to the excellent performance of Peter Pan the school has just

put on. Except for the bare notice that it had been done, so far nothing. May I please say "thank you" to the staff and the cast for all the hard work they put in to make those three performances.

Any parent of any child these days knows how hard it is to handle them alone at home but just you try to cope with fifty or so in an echoing hall, all, as they say these days, "doing their thing"! And this is another point, they did indeed do just this, which is why the performance was so fresh and delightful.

The only grouse I have is that too many people missed seeing it as apparently there wasn't much publicity about it. And why no pictures? I noticed many were taken and the small performers never blinked an eyelid when the flashes went off. Troupers every one of them.

I feel sure I am speaking for many people when I say "thank you" to the whole cast; from the smallest growling wild animal, the Indians, the fairies, the pirates, the mermaids (in fact, all those who didn't have speaking parts but were nevertheless very important to the play), to the principals with their long and exacting parts to memorise and the staff who,

LEGION AUXILIARY PRESIDENT TAKES OFFICE

Mrs. Vera Nichols was formally installed as president of the Ladies' Auxiliary to the Royal Canadian Legion at Ganges in a joint ceremony with the Legion branch recently. Mrs. Nichols is seen with installing Officer Mrs. Mayea,

of Duncan. Other officers are vice-president, Mrs. N. A. Emerslund; Sergeant-at-Arms, Mrs. E. Chew; secretary, Mrs. A. Ryles; treasurer, Mrs. R. D. Griffin; directors, Mrs. C. W. Archer, Mrs. V. Bowbey, and Mrs. Lucy Moore.

I am sure, couldn't have sat down to their lunches for weeks and weeks. Ganges is indeed fortunate to have you all here.

Joan M. Raeside,
Wildwood Crescent,
Ganges,
June 11, 1973.

YOUNG ADULTS

Editor, Driftwood,

We have just had the privilege of being the site of the '73 After-Grad Party. We first considered this a dubious honor. We had been told to expect about 100 hell-raising kids all night, which we undoubtedly could not control. After all, for most, it was their first "all night bust". We were apprehensive - we needn't have been. There were about 100 people all right, and the party did last 'till 6 in the morning, but as far as we have been able to ascertain, there was not one single serious act of misconduct during or after the party. A long night - people who stand out... Peter Ramsey for his thoughtfulness throughout, Mike Menzies (the "wheelbarrow hot-rodder"), Bruce Lyon and our son for directing traffic and keeping horses, cows and hogs away from parked cars; Mrs. Rumsey for supplying sandwiches, Chuck Horel and Kent Villadsen for doing double duty as the "midnight electricians" and unobtrusive chaperones; Gordon Simpson and his wife, Linda, who did a fantastic job of insuring the party's success by an all night, and morning, vigil at the gate, restricting entry to grads, their guests and friends. Later in the morning, through our bedroom window, we heard the crash of bottles and cans - "No, they haven't started again!" It was Debbie Rumsey and Wayne Derksen, who had come back to clean up and they sure did a great job. We expected "hell-raising" kids - we got young adults having a good time. The credit must go to Salt Spring Island parents, and Bob McWhirter and the entire school staff. Congratulations, Grads of '73 - you did your community, your school and yourselves proud!

The Ernie Lowe family,
Ganges,
June 11, 1973.

A BEAUTIFUL SUCCESS

Editor, Driftwood,

Saturday and Sunday, June 9 and 10 was the occasion of another of Salt Spring Island's original demonstrations of community effort, and co-operation.

The Garden Club, looking for a display of flowers on different lines from previous years decided to sponsor a floral festival in all of our island churches, an event held annually in Britain, but never before in North America.

The ministers and guilds of the churches responded with en-

thusiasm, and the result was most gratifying!

The ladies, between themselves, arranged a total of 160 groups all artistic and beautiful and many original; some of which were the first-time efforts of helpers, not members of the particular church to which they contributed their skills. A truly ecumenical spirit!

The weather was kind and hundreds of viewers, enjoyed the display and signed the visitors' books provided for the occasion. It is hoped for, and intended, that this will become a biennial event, and that other communities will follow our example.

It is invidious to select individuals, who all contributed so much to the festival, but Mrs. Elsie Macdonald who acted in the role of Co-ordinator must be commended.

A. G. Smith,
President,
Salt Spring Island Garden Club,
Ganges,
June 11, 1973.

THEY ARE MOSTLY GOOD

Editor, Driftwood,

I am sure we all feel selfish sometimes, with the things we cherish, and only reluctantly share with others.

However, this may seem to have little to do with all the hullabaloo over the parks question; but it does apply to our surroundings - as well as thoughts and possessions.

I spent 30 hours in Mouat's Park over the Victoria weekend and really 'mingled', with the 'hoodlums'

To say the least I was really more disgusted than apprehensive - more disappointed than concerned with all the cleaning aftermath.

Mr. Gavin Reynolds has a more humane opinion of his fellow men than most, and I agree with his 5%. This percentage distributed is not so bad. Our trouble was suffering the whole 5% at one time.

There are no reports in the Press of local youngsters who scream around the park in their cars - knocking over garbage cans and signs which have to be cleared up and erected the next day - who - even when the

GALIANO

BY MARY BACKLUND

Mr. and Mrs. John Rees were over from Vancouver to their R Bar Eagle Ranch this weekend. They have just come back from an enjoyable trip to New Zealand.

Jim Ripley leaves on Monday for posting to RCMP Security Patrol training in Regina, Sask. for several weeks. Jim has been ranger at Montague Marine Park again this year, and this job has been now taken by George Hacking. Mr. Hacking is recently retired from the RCMP, and well-qualified for this job.

park is quiet - have their little drinking parties then smash the bottles on the nearest rock! I am sure the meeting never heard of the businessman under pressure - who had to get away and found peace and relaxation in Mouat's Park. Of the students spending the weekend writing essays on the picnic tables instead of carving their initials in them.

Of the writer and his wife with whom I enjoyed talking. Of the School Bus load of children from Washington who paid for their trip to Salt Spring Island out of their own pockets, and roamed the park (like squirrels searching for nuts) picking up broken glass.

Of all the other people who really love this Island and their visits to the Park. Also the youth I showed how to find dry material under a deadfall, and make a cooking fire in the rain, because he shared my great love of the outdoors.

Even in our primitive society man had to conform to rules to enable the majority to reap the benefit - but whenever restrictions are enforced the good ones always suffer for the misdemeanors of the bad ones.

Lost privileges are never regained.

Best wishes to your paper.
G. Roberts, (Park Ranger),
Rainbow Road,

Training Centre to Close

Drug abuse research program on Salt Spring Island is to be closed, according to the federal government's news service.

Community Training Centre at Welbury Bay is to be closed following complaints by a Vancouver open line radio program.

The staff of the training centre learned of the closure of their program when it was announced by Jack Webster over his radio show.

The training centre opened last year under the aegis of the former minister of health, John Munro. It was launched to serve a dual purpose. While the staff of psychiatrists and public welfare specialists operated a course of training for community representatives, members would also engage in a research study to take another look at the drug abuse problem in Canadian society.

Heading the program were Dr. Maureen Bendick and Dr. Gille Libresco.

Jack Webster threw a wrench into the works last year when he protested that Dr. Libresco and other members of the staff were not Canadian citizens.

The program brought in representatives of many B. C.

communities to attend seminar on drugs. The pattern was completely different from the normal approach to lectures on drug abuse. The participants were invited to involve themselves in the problem, rather than take an objective, dispassionate look at the situation.

The efficacy of the program has never been under fire. Community representatives taking the course have expressed a warm appreciation of the presentation.

The program cannot be measured in terms of its results. Candidates come, study the seminar program and return home. Its readiest measure is the reaction of those who attend the seminars, and they are almost all enthusiastic. Its alternative measure is an assessment by other workers in the same field.

The government sent a team to assess the work and the accomplishment of the Welbury Bay operation. The report was secret, they were told at the island centre. Five days later that secret report was read out over a radio program.

"It is our own little Watergate," charges Dr. Libresco.

The staff at Welbury Bay is hostile to the pattern in which they have been thrown to the wolves by Mr. Webster and his sidekick, Environment Minister Jack Davis, who passes on such documents for the radio.

Mr. Webster has been invited to visit the training centre, recalled Dr. Bendick, but he has not replied.

The federal government has lied, evaded and avoided them for the past many months, said Dr. Bendick. It has taught her

PROGRAM OF SONG FOR PENSIONERS ON WEDNESDAY

BY PENSIONER

On Wednesday, June 6, Mrs. Margaret Cunningham, entertained the O.A.P.O. Branch 32, in St. George's Hall with song and music. Mrs. C. Arnell rendered three old-fashioned songs, and afterwards the Oldies joined in. St. George's Hall rang with song.

Mrs. Ethel Pike, a visitor from Montreal, presented Mrs. Cunningham with a small gift.

After the concert, buses were provided to convey the old folks to the Hepburn's afternoon tea at Fulford. In spite of the inclement weather, everyone seemed to have a good time.

Mrs. Thacker, back from her trip to the east, has arranged for buses to convey the O.A. Pensioners to the Coffee Party at the Jack James residence on Wednesday, June 13. The bus will leave the taxi office at 10:45 a.m.

These extra entertainments are provided due to the generosity of the recreation commission. The organization is very thankful.

a valuable lesson, she noted and that is never to work for the federal government again.

Community Training Centre, initially funded for one year, will not be financed for another term. Although the information came through the department of health, via the minister of environment and through his radio outlet, the staff accepted the axe without official confirmation.

They are the victims of a minority government, they believe. They are all smarting at the manner in which the government jumps when "Prime Minister Webster" pulls the strings.

The quality of your production matters not a hoot, they have decided, as long as you don't run foul of radio stations. They have it all figured this way.

The radio open line starts a campaign against an operation. A few listeners take sides, but the majority are not overly interested. Yet, the government has its ear glued to the loud-speaker, ready to take action as soon as the announcer takes a stand.

Forgotten in the activity is the drug abuse factor in Canada, which led to the launching of the Community Training Centre, they charge.

On & Off The Island

Mrs. Nora McDowell, from Belfast, Northern Ireland, has been spending a few days with her niece, Margaret Miller. She enjoyed the beauty of Salt

Spring Island, especially the blossom on the broom. Mr. and Mrs. E. Groff, of Victoria, former residents of Salt Spring Island, spent an enjoyable couple of days on the island renewing friendships. Mr. and Mrs. Ian Wells, formerly of Salt Spring Island, visited Mrs. Edith Barber and other friends on the island last week. They now reside on Prince Edward Island.

TEA RAISES \$200 AT FULFORD HOME ON WEDNESDAY

BY MARG SIMONS
Not even a little rain keeps Salt Spring Islanders away from a Garden Tea Party.

At least, the weather didn't affect last Wednesday's attendance at the St. Mary's Guild Tea held at the home of Mr. and Mrs. Arthur Hepburn, Beaver Point Road. This was a donation tea, with a bake sale and white elephant table. Proceeds of the afternoon realized \$198.63.

The wet weather meant a bit of rearranging, though. The tea was served in the Hepburn's house, the bake sale took place in their garage, and the white elephant table was set up on the veranda of the guest cottage. The St. Mary's Guild members staged the successful afternoon program.

The tea was officially opened by Mrs. Jean Anderson, wife of Rev. Fred Anderson of the United Church. Mrs. Mabel Davis was the creator of the beautiful corsages presented to Mrs. Anderson, Mrs. Ann McCalmann, Mrs. Florence Hepburn and the Guild's president, Mrs. Gladys King.

 **GARDEN CALENDAR**
By A.G. Smith, F.R.H.S.

FROM S.S.I. GARDEN CLUB

So many houseplant enthusiasts have asked me recently, how to produce good flowers on their African violets. What to do with Azaleas when flowering is finished. Also with Poinsettias.

Firstly - African violets (*saintpalia ionantha*) which in their wild state, grow on the slopes of the Transvaal at heights of 1000 feet, like fairly cool condition, little water, but constant humidity to compensate for mists and dews on which they thrive naturally! They can be grown in any aspect indoors, provided they are not in full sunlight excepting during the winter months. Never over pot! The compost must be porous and rich in humus, - equal parts loam, leaf mould and well rotted manure and sand. Watering must be done from below, so that the soil is constantly moist but never cold and wet. Saucers or other shallow

containers, with 1/4 inch of fine gravel on which to stand the pots are ideal. Keep the gravel just covered with water. If the water level gets too high pour off the surplus. Never allow cold water to touch the leaves! Propagation is simple. Cut off healthy leaves with a stalk of 1 1/2 inches and insert into a mixture of sand and peatmoss, or just moist sand, or vermiculite. Try to remember - always moist, but never WET.

The Azalea, commonly forced into growth and full flower for Christmas and Easter is *A. Indica*. A very strong growing hardy shrub in its native habitat. Plants forced for Easter are more likely to thrive as houseplants than those acquired for Christmas, because they have not been unduly forced, and may be set outdoors within a short period after flowering, as soon as danger of frost is passed. Plunge the pot in the ground so that it does not dry out too quickly. A layer of clinkers (2 to 3 inches) should be under the pot, to prevent worms from entering and clogging drainage. Choose a lightly shaded spot. Dense shade will prevent flower buds developing! Make applications of fertilizer at monthly intervals, using a rhododendron fertilizer, well watered in. Water well during periods of drought. Bring the plants indoors before the first frosts and keep them in good light as near F50 - 55 degrees as possible, until flower buds show color, then normal temperatures, but the flowers will last longer if kept cool.

Poinsettias are native subtropical plants and can be fairly easily brought into color again by the following procedure. As soon as the plant begins to deteriorate, and the leaves turn yellow, gradually withhold water, until the soil is quite dry. Move the plant, without watering into a temperature of about 60 degrees. When danger of frost is past, cut down to 6 inches and re-pot in a compost similar for that recommended for African violets. Plunge them in full sunlight out of doors and give the same treatment as recommended for Azaleas. Bring the plants indoors before artificial heat is turned on. Keep in a sunny spot, trying to avoid sharp fluctuations in temperature, as this may cause leaves to drop off. Water only when the soil has become dry, then generously. Never allow the pot, to stand in water. Drain off the surplus!

SATURNA BY PAPAJOHN

Islandwise it was a nice quiet week. But with us it was rather hectic. We had Scot, grandson No. 3, over and he got sick. We got him home by plane and now Todd, No. 2, wants to get sick so he can fly home. Son John and Liljohn arrived on Friday and we had a pleasant week end. Watching me take out my teeth one night Todd asked Granmarie did she take hers out. Getting a negative answer, he remarked that maybe she wasn't old enough yet! One of my girl friends from next door asked her mother the other day if they had newspapers when she was young. Guess the young lady think we must be really antiques.

The regular quarterly meeting of the Community Club will be held in the Hall on Monday, June 18 at 8 pm. A lot of people have beefs but never come out to our meetings or pay their 50 cents annual dues so why not come out and let's hear you make them openly! It should be an interesting meeting as we have a lot of things on the agenda.

Last week 29 children from the H.D. Thrift Elementary School, of White Rock, came over for a visit to our Saturna school. They were all Grade 2 and had their teacher Mrs. Smith and five other mothers in a bus driven by Thomas Parkinson. They slept in the hall, had hot dogs and hamburgers after school and had a grand time. We also had a troupe of Scouts from Bellingham camping out on the Money property at East Point. Our school principal Taime Hindmarch was, as always, a perfect hostess and upheld Saturna's reputation in this respect as did Jim and Louisa Gal Money with the Scout Troup.

Our Fire Hall now has one of the New Ready Splint Kits. These new splints are clear plastic and a wonderful contraption. Benny Begon was going to get one for the Shale Plant but this time we bought something in retaliation to the Shale Plant for all the times we have borrowed their first aid equipment.

There will be another WORK PARTY (how I hate that word work) on Sunday, June 17 at Saturna Beach for our Barbecue as of July 1st. All the lambs for the barbecue were reported to be in super excellent condition last week. Despite rumours they are not coming from Sudden Valley but a valley more conducive to lambs.

Our fair courier who takes our column to ye DRIFTWOOD Debbie Lawson, was one of the honor graduates Friday night at Salt Spring Secondary School. Everyone who knows Debbie is as proud of her as her parents.

Steve and Myrt Maskow had Myrt's bridesmaid over for a visit, Edith Ford, from Winnipeg. George and Jessie McTavish from Mission came over to help Myrt celebrate.

Parky Jourdry and George Morgan are both in Gorge Hospital and are both doing well.

WORKING DAY FOR GANGES CHURCH GOERS AND SONS

Saturday, June 16, will be a big working day for the Community Gospel Church at Ganges.

There will be a father-and-son workbee, starting at 1 pm, when all workers are planning to show up with paintbrush and hedge clippers.

There's no short hop to it, either. Supper will be served to the fathers and their sons, by the women of the church.

Women's Lib — and N.D.P.

BY KEIR HARDIE
A business and discussion meeting was held by the Gulf Islands N.D.P. Club, at the School Dormitory, on the afternoon of June 3. Seventeen visitors from the Saanich N.D.P. joined the 20 or so local members who attended.

Business was followed by discussion of the topic "The Women's Liberation Movement and Socialism."

Beth Hill was a capable discussion moderator, and all had a chance to present their own ideas on the subject.

Panelists were Irene Wright,

Prudence Wheeldon, Martin Levin and Tom Wright, and many others contributed to a lively presentation of varied points of view.

There seemed to be general agreement on these points. There is no justification for job discrimination or pay discrimination on the basis of sex, and this now exists in business and government. Women and men need liberation from the restrictions of role-playing, and the pressures and exploitations of a competitive capitalist society. The loss of status of women largely resulted from the indus-

NORTH GALIANO

BY DEVINA BAINES

Mrs. William Beach entertained the following ladies to a luncheon at her home on Monday of this week: Mmes Hart

rialization and urbanization of society. Many women 'hide behind' the role-playing and restrictions to avoid responsibility. Many barriers to women's liberation exist in women's own minds. Society must take responsibility for educating women to recognize their potential, but women themselves must take responsibility for their own liberation.

Scarrow, W. Franklin, B. Hope J. Stafford, R. Bell and H. Baines.

North Galiano Community Club is planning a dance on June 9 with recorded music.

Mr. and Mrs. Lloyd Baines spent the week end in Nanaimo with Mrs. T. Thompson and sons.

Miss Nona Appleby, of Victoria, was the guest of the N. Baines over the holiday week-end.

Mr. and Mrs. Dale Cook of Crofton, and friends were guests the previous week of Mr. and Mrs. L. Baines.

Dr. and Mrs. A. M. Beach had the pleasure of entertaining their first granddaughter, Namaste, with her mother and

father, Susan and Barry. She is two months old. Their second grandson was born recently in Toronto.

The auction sale at the north end hall was a huge success. It was the first ever to be held here and Norm Russell kept the people well entertained all afternoon, as auctioneer. The door prize went to Pat Weaver. It was a large painted door.

Mr. and Mrs. Frank Whitton recently had their son, daughter and baby granddaughter staying with them, from Victoria.

Mrs. H. Baines spent the week end in Ladysmith and Nanaimo with her daughters, while attending graduation exercises for grandson, Robert Brunsmann.

NEW LOOK FOR NEW ART-CRAFT

BY JOSIE UTLEY

Time and place are the same -- Mahon Hall, July and August -- but a pleasant surprise awaits exhibitors and viewers alike. Maggi Schubart, exhibit convener, and architect husband Hank Schubart, who is giving

generously of his time and talent, have evolved a new format for the layout of displays which will transform unwieldy Mahon Hall. Above all, the problem of inadequate lighting which has been a serious deterrent to satisfactory display each year has finally been solved.

Art-Craft, the major annual project of the Gulf Islands Community Arts Council, is open to all artists and craftsmen of the Gulf Islands for the exhibition and sale of their work. An entry fee of \$2 is charged. This

includes membership in the CAC, invitation to the pre-view free admission to the show throughout the summer and participation in the varied CAC cultural events throughout the year.

Please note that any resident of the Gulf Islands, whether exhibiting or not, is welcome to join the CAC and enjoy the above-mentioned benefits.

Current memberships expire June 30th and are renewable through membership convener Mrs. Betty Carroll, R.R. 1,

Ganges, or 537-5364.

Art-Craft '73 entries may be delivered to Mahon Hall on Monday, Tuesday, and Wednesday, June 25-27 between 12 and 4 p.m. All work should be clearly labelled and priced. Paintings must be framed or mounted and ready for hanging. A 15 per cent commission on sales is taken.

In order to ensure optimum display the hanging committees urge that work be brought in no later than Wednesday. A pre-view for CAC members will be held on Friday evening, June 29.

Art-Craft '73 will open to the public on Saturday, June 30 from noon to 6, and will run daily at that time throughout the summer.

Further details will appear in DRIFTWOOD next week.

Who owns a Credit Union? Who cares?

You should.

It's a fact of life. . .the owners of any successful business get a lot of benefits that ordinary customers don't.

At a credit union, every one who does business there--either as a depositor or a borrower--automatically becomes an owner-shareholder. He has a direct say in the policies of his credit union and at year end receives a share of its earnings. Nearly half a million British Columbians now profit by using credit unions as a great place to save or borrow.

PARENTS! The Opportunities for Youth Group - Salt Spring Island Youth Encounter, announces the commencement of a combined children's playground and art activity centre to begin July 2, with registration beginning that same day. Registration will be held by the tennis court. Daily hours 9 am - 5.30 pm, Monday thru Friday. Most classes will be held outside, but in the event of bad weather, classes will move indoors to the gymnasium and art portable. Some of the activities are listed below:

Gymnastics, painting, coloring singing, crafts, nature walks, sports, reading. First week's schedule will be announced next week. 23-1

ANNOUNCEMENT

Frank and Jean Artiss will be receiving guests on Sunday, June 24, 2.30-4.30 pm at their home on Samuel Cres., off Beddis Rd. when they will be celebrating their 50th wedding anniversary. An invitation is extended to all who would like to wish them happiness on this very special occasion. (we request no gifts). 23-1

Mrs. Chester Kaye of Ganges is pleased to announce the engagement of her youngest daughter, Pearl Estelle Haroldine to Murray William Mackey son of Mr. and Mrs. Raymond Krenbrink of Colwood, Victoria. Wedding will take place 2:30 pm, July 21, 1973, at the Ganges United Church with Rev. Fred Anderson officiating.

CARD OF THANKS

Mr. and Mrs. K. Murakami, on behalf of their daughter, Violet would like to thank everyone concerned for their kindness during her stay in hospital. A special thanks to the entire staff of the Lady Minto Hospital; Drs. Jarman, McCaffrey, and Saunders. 23-1

On behalf of the Garden Club I wish to thank the churches of the island for their co-operation in presenting the Festival of Flowers. We extend our appreciation to the clergy and lay people for accepting the idea of a church flower festival. In particular we wish to thank guild leaders and their helpers, for time, thought and energy spent in presenting an outstandingly beautiful floral display to share with fellow islanders and visitors. Your enthusiasm was a help and inspiration to me as Festival convener for the Garden Club. Thank you! Elsie Macdonald. 23-1

I want to thank everyone who worked so hard to make St. Mary's Guild Tea such a success and to all those who braved the weather to come to our tea. And a very big thanks to Mr. and Mrs. Art Hepburn for lending their lovely home and garden. We made \$198.63 for the church. M. Doris Anderson Convener. 23-1

GRACIOUS LIVING

A most delightful home overlooking Ganges Harbour. The craft-
manship in this completely renovated older type residence must
be seen to be appreciated. The L/R(27x15) with brick fireplace
looks directly to the sea view. The guest size D/R with its beam
ed ceiling and rich mahogany paneling plus the most expensive
wool W/W carpeting all add to gracious dining. The kitchen is
extra roomy with more than average cupboard space and finished
in light wood paneling. A den, office or maid's quarters has its
own private bath. The open stairwell leads to four of the most
attractive B/R's. The master is 23'6"x12 and has dormer windows
and W/W. Situated on 1.42 acres only 3 or 4 min. to shopping
and marinas, the property has 23 well cared for fruit trees, gard-
ens and greenhouse. The replacement value far exceeds the ask-
ing price of \$49,750 (firm).

To view by appointment please phone John Watson
537-2177.

23-1

DEATH OF ANNIE TAYLOR

One of Galiano Island's most
respected citizens passed away
peacefully in Lady Minto Hosp-
ital, on May 22, following a
lengthy illness.

Martha Hannah Taylor, in
her 79th year, had been ill for
14 weeks.

She was born in Lancashire,
England, where she lived, mar-
ried, and cared for her husband
Fred, until his death 7 years
ago. She then came to Edmon-
ton, to live with her son-in-
law and daughter, Mr. and Mrs.
Basil Benger.

Mrs. Taylor soon visited
Galiano Island for a short holi-
day with old friend's the Alex
Smiths, in the Valley. She was
so impressed with Galiano, that
she persuaded her daughter

and son-in-law to visit.

They immediately bought
property on the island, and all
three moved to Galiano in 1968

Mrs. Taylor was an Indep-
endent Methodist, and kept up
her membership until the time
of her death.

Mrs. Taylor leaves, besides
daughter and son-in-law, with
whom she resided on Galiano,
Kathy and Basil, one son, Alec
in England, four grandchildren
and four great-grandchildren.

A Memorial Service was
held in the church of St. Marg-
aret of Scotland, conducted by
a faithful friend, Miss Jean
Lockwood. Organ music was
played by Mrs. Margaret Rob-
inson. Cremation followed.

**BIRDS PUT
OUT HER
LIGHT**

Mrs. Eileen Halling, at North Galiano, took a beating from the birds on Sunday. She survived the ordeal, but the bird did not.

Mrs. Halling woke up on Sunday morning at about 7.30 and gestured to put the light on. Nothing came. She checked the house over and found the power was off.

She then called B. C. Hydro, explaining that everyone else had power, but hers was off. The power supply spokesman urged her to find an electrician. Hers was the only home affected and there was no reason to suppose it was a power failure.

Jim Rogers checked it out and found that neither Mrs. Halling nor her neighbours had light or power.

At 5.45 power was restored by B. C. Hydro.

A cardinal headed woodpecker had flown into a transformer and put it out of commission.

assured themselves of a play-off spot with the win again on Sunday.

This one was a very close game with our boys down 2 to 1 at the end of the first period, 4-2 at the end of the second with the London Boxing Club scoring at the beginning of the third to keep the fans on the edge of their seats till the last 10 minutes, when our boys came through with 2 quick goals to make it 6 to 3.

There were lots of penalties dished out, with the Salties receiving eight minors and one major and London Boxing Club three minors and three majors. Goals for the Salties were scored by Rick Kitchen (3), Karl Kitchen, Roger Kitchen and Paddy Akerman, with assists to Julian Valcourt, David Moulton, Paddy Akerman, Rick Kitchen, and Terry Slingsby.

FULFORD MEETING

Fulford Community Hall Association is staging an open meeting, at the hall, on Monday, June 18, at 8 pm.

Any persons willing to volunteer services for the Annual Clambake on July 7, are urged to attend. Association is inviting anyone interested in community work.

A bit of excitement was caused when David Moulton received a cut ear in a round of fist-cuffs and was rushed to the Victoria General Hospital for a few stitches. All is well and David I'm sure, will be in the line-up next Sunday, June 17 at 4:30 pm at George Pearkes Arena.

The team wishes to thank Max Allard for filling in as coach on Sunday and a big thank you to all the fans who take the time to come all the way to Victoria to give their support, thank you one and all!

IT ADDED TO MURAL IN CHURCH

Comment on the flower display at St. Paul's comes from Marg Simons.

The simplicity of the gorgeous single purple floral arrangement, sitting on the brilliant red carpet, and the large white floral displays on each side of the altar complemented the mural done by the late Norman Shaw, she said.

Agnes Bacon was responsible for the display at St. Paul's.

dalism in the parks on long holidays and week ends.

Visitors come over to the island, he explained, mostly on motorcycles, to give people in business on the island a bad time.

"It's tough enough to try to make a living on this island without having to put up with that kind of thing," he told the meeting.

The association had also worked for a better menu on the Tsawwassen ferry, said the president.

In passing, he had a good
