Money for schooling

— OUTER ISLANDS

Cost of education for Outer Islands parents was under discussion at last week's meeting of the Gulf Islands School Board.

When a student comes to Salt Spring Island to board while attending Gulf Islands Secondary School, the school district meets part of the total cost of accommodation. The school district pays \$37.50 per month towards this cost and the parents must pay the rest.

Trustee Mrs. Clare McAllister told the board that the mother of three children at Galiano had expressed her concern at the cost. The grant is based on the equal sharing of a monthly fee of \$75. The mother in question will be required to pay out \$112.50 per month for the boarding of her children.

The school board can go to a limit of \$50 per month.

The trustees decided to press the minister of education to increase the province's share of boarding costs "in view of the documented rise in the cost of living".

GIL HUMPHREYS AND RAFFLE-WINNING BOAT

RECORD 380 FOR BEANS

Beaver Point Bean Supper reached new records on Saturday when the Community Hall committee served 380 meals. There were approximately 50 pre-school children eating supper in the hall.

The hungry Salt Spring Isl-

and hordes went through 86 pounds of beans, an increase of six pounds over last year's figure.

Queues were forming long before the deadline of 6 pm and many prospective guests drove away from the line-up in the rain.

Following the supper, the Sod Busters played in the hall. Prize-winning ticket was 843524.

Gil Humphreys is looking very happy, standing by the boat and trailer. And he's not likely to win it. Gil Humphreys and Pat Lee, of Salt Spring Lands Ltd., donated the boat, motor and trailer to Salt Spring Lions Club. It is being raffled and proceeds will be devoted to the recreation complex at Centra. Recreation project is a Lions venture and all of Salt Spring Island has stood firmly behind it.

AT GANGES

NO CURE FOR INFLATION

There is no cure for inflation. Speaking at Ganges on Monday evening, Tommy Douglas told a small coffee party that no nation can cure the spiralling costs. Canada can only bring in legislation to combat inflation, he stated, too many prices are established outside the country.

Walter Luth recalled the disaster of Germany in the early 1920's, when inflation reached the point where a man was paid twice a day in order to realize some value from the millions of marks he received.

Effects of inflation can be combatted, insisted the veteran campaigner. He offered three measures.

Government should impose price controls, he told the meeting, mostly New Democratic Party stalwarts. He does not want price freezing. That would have the oil companies laughing all the way to the bank. Price controls would regulate prices and move them to where they should be if examination proved that to be necessary, he explained.

The two price system would be brought in to bear on other commodities than oil, copper and grain.

A two-price system ensures that Canadians do not run short of their own products, he told the meeting. Canadian raw materials would be allocated to Canadians at a reasonable profit to the producer. The

(Turn to Page Eleven)

DATE MAKES NO DIFFERENCE

Driftwood this week carries a new dateline.

For the past 13 years it has been published on Thursdays. As of this week it will carry a Wednesday date.

The change will make no difference to its appearance or the method of distribution. The new publishing day is the day on which Driftwood goes to press. The newspaper is print-

ed on Wednesday. This requires a closing day for its columns on Monday and Tuesday.

Although it has appeared under a Thursday dateline for many years, it was not possible to publish reports of incidents taking place on Wednesdays.

The new dateline is adopted to be more realistic. It will have no effect on readers or advertisers.

ALTERNATIVE NEW YEAR

Alternative class at Ganges will be located in a portable classroom next year.

Last Wednesday the board of trustees of Gulf Islands School District heard a resume of par-

ents' reaction to the alternative class from Donna Watt.

She explained that parents meet every two weeks to consider various aspects of the class. Majority of parents are happy with the program, she reported, although there is room for improvement in some directions.

Some parents are looking for a little more structuring in programs, the board was told. Majority of parents will be sorry to see the switch from the dormitory to the school grounds. They have enjoyed the open space and the facilities of the dormitory.

Trustees agreed to re-appoint the teacher, Jacques Goldman for a further year on a temporary basis. The class and the appointment will be reviewed in 1975.

Big problem facing students this year has been the hazard of walking back and forth between the school grounds and the dormitory, observed Chairman Charles Baltzer.

It would not be economically feasible to bring the dormitory up to the requisite standards, he observed.

TWO CLUBS CHOOSE JUNE

June is service club installation month on Salt Spring Island.

On June 15 Salt Spring Island Lions Club will stage its installation night at Fulford and on June 29 the Salt Spring Rotarians will follow suit at the school auditorium in Ganges.

NO POLICY ON FUTURE OF PUPILS

When a middle school has been built for the Outer Islands students will such student be entitled to attend Gulf Islands Secondary School and would the boarding allowances still be payable?

Question was posed to trustees of Gulf Islands School District last week.

"We still have to set a policy on this," commented Chairman Charles Baltzer.

LOOKS TO 90th BIRTHDAY

August 16 is the big day for W. M. Mouat, of Charlesworth Road, Ganges.

On that day Mr. Mouat will mark his 90th birthday and he's already planning to celebrate it, he told the Presidents' Breakfast meeting in Harbour House on Saturday.

The Ganges nonagenarian has spent most of his life on Salt Spring Island.

MISERERABLE MONTH

On Salt Spring Island the month of May brought a record rainfall, with its 2.84 inches, and only 11 days of sunshine. The month was cold and overcast.

Maximum temperature during the month was 65 deg. and the low, 38 deg. Maximum mean temperature was 52.1 deg. and minimum mean 43.7 deg.

Previous weather statistics for the month of May are published below. Figures are furnished by H. J. Carlin, of Ganges Hill, Dominion weather observer for Salt Spring Island.

1973; 86 deg., 38 deg.; 1.05 ins.; 1972, 84 deg., 39 deg., 0.46 ins.; 1971, 80 deg., 37 deg., 1.43 ins.; 1970, 82 deg.; 36 deg., 0.82 ins.; 1969, 82 deg., 39 deg., 1.09 ins.; 1968, 76 deg., 37 deg., 1.36 ins.; 1967, 68 deg., 38 deg., 1.4 ins.; 1966, 80 deg., 38 deg., 1.26 ins.; 1965, 80 deg., 35 deg., 1.1 ins.; 1964, 80 deg.; 33 deg., 0.58 ins.

CHURCH IS 80 YEARS OLD NOW

Sunday was a big day for the people of St. Mary's Church in Fulford.

Service in the morning marked the 80th year of the church's service to the southern Salt Spring Island Anglicans.

The building was packed. Refreshments were served to parishioners after the service.

OLD SWEATS' DAY AT LEGION HALL

It's Old Sweats Day at the Legion Hall in Ganges on June 16.

Veterans of the First World War or earlier conflicts will be entertained to a buffet luncheon and a musical program. Time is set at 1.30 pm to enable guests to attend and return home during the day time.

Veteran does not have to be a Legionnaire to take part. Any Old Sweat is invited, member or not. Those who cannot drive to Ganges will be offered a ride.

Salt Spring Island branch of the Royal Canadian Legion will be hosts for the occasion.

NEW MANAGER

New manager of the Canadian Imperial Bank of Commerce in Ganges is Charles Bazzard, who has come to Salt Spring Island from Invermere, in the east of the province. Shown above, Mr. Bazzard has taken over the management of the branch from John Newton, who is now in Vancouver. New manager has been banking in Canada for a number of years. He has a wide experience of the business, having been launched into Lloyd's Bank in England before he came to the western hemisphere.

LEGIONNAIRES TAKE OFFICE MONDAY

Most directors of the Royal Canadian Legion on Salt Spring Island are experienced

in the administration of the island branch. At the recent annual election the majority

of officers and directors were re-elected.

Paul L'yard will continue to head the branch, with Alec Laing, vice-president; Jack Potheary, second vice-president; Gordon Matthews, secretary and Fred Morris, treasurer. All are serving a further term.

Directors who will serve a new year are Al Ryan, John Stepaniuk, Don Cairns and Peter Bingham. New directors are Barney Baines, Jake Javorski and Hugh Ross.

New executive was installed on Monday evening, June 3, when Past Provincial President Gibson officiated.

Lorraine Campbell heads historians

Annual meeting of the Gulf Islands Branch of the B.C. Historical Association on Pender Island, April 7th met with a fairly good attendance, all Outer Islands being represented.

New officers elected were, president, Mrs. Jim (Lorraine) Campbell; secretary, Mrs. C.B. (Hope) Jennes; treasurer, Jesse Brown; vice-president, Rev. John Dangerfield; counsellors, Pender Island, Mrs. H. Claxton; Galiano, Mrs. Nan New; Saturna, John Saunders; Mayne Elsie Brown.

Business arising from the minutes consisted of discussion of the re-printing of Gulf Islands Patchwork. A report given by Treasurer Jesse Brown on costs by a number of publishing firms appeared to be out of reach of the organization and a motion was made to shelve the project for the time being. The copyright for the publication is still in the hands of the Historical Association.

Other business dealt with was the controversy over the location of the marker designating an Historic Site between North and South Pender. A motion to have the secretary write to the Pender Island Chamber of Commerce was made to enlist their help in resolving the disagreement, involving a private property owner.

Mrs. John Freeman stressed the need for an updated version of Gulf Islands Patchwork, a completely new book and not a revised edition. Members were urged to begin research on any subject dealing with the history of the islands since 1920.

Don New's resignation from the presidency was reluctantly received by the members of the organization and a hearty vote of thanks was made on behalf of the group by Capt. C. Claxton to Mr. New for his many years of service in the B.C. Historical Association as well as the Gulf Islands Branch.

Refreshments were served by the ladies of the Pender group and the usual social time was enjoyed by all who attended.

HEADS ARTISTS

P. K. Bhattacharjee has been elected to the chair of the Gulf Islands Community Arts Council.

The Arts Council held its annual meeting and election of officers on May 22 and the following members were elected for the year 1974-75 to serve with P. K.; vice-president, Mrs. Maggie Schubart; secretary-treasurer, Tom Volquardsen; corresponding secretary, Lanny Howard.

Past president is Mrs. Olive Clayton. Art-craft co-conveners for the summer show and sale are P. K. Bhattacharjee and John Greenwood; membership, Mrs. Betty Carroll; publicity, Miss Norma Barrington; social convener, Mrs. Donna Ross; board members: Margaret Fisher, Nita Flick (Mayne Island), Jean Hogan, Jean Holmes, Charlotte Keeping, Guille Libresco, Jess Peck, Katie Schlegl, Marg Simons, Corinne Snell (Galiano), Betty Steward, (Galiano), Iris Symes (Pender) and Geoff Martin.

Mrs. Josie Utley, retiring publicity convener, reported a very successful year just completed with significant growth in membership and an interesting program of cultural activities which was well-attended and appreciated.

The associated guilds of painters, potters and weavers, also show great progress in the development of art and crafts on the islands. There has been a steady increase in members in the guilds and many workshops were held with instructors from Vancouver and Vancouver Islands as well as from the community.

The members are all now getting ready for what we are sure will be a bigger and better than ever summer display and sale in Mahon Hall.

The first executive meeting for the season will be held on Thursday, June 6, at 2 p.m.

to be frank

By Richards

What's Dave Hill got, anyway? Well, first, he's got \$1,000 that I haven't. Dave went to Chemainus for the Rotary Club's stag dinner. It cost him \$50 for the dinner, but the Salt Spring Rotarian is a sharp cookie. He brought back the top prize of \$1,000.

Weather may not be typical, but it is surely topical!

I ate something on Sunday. They called them crumpets and they are probably right, but when I first encountered them they were pikelets. They are indigestible circles of dough which are toasted until butter melts on them and you eat them as if you enjoyed it. When I left school a century or so ago, the popular occupation to be sought was punching holes in pikelets. You have to have the holes to let the butter run through. It must be the Welsh influence. For the uninitiated here is a valuable piece of useless information. The word pikelet is a derivation from the earlier name, rarrapicket and derives from the Welsh bara pyggyld. So, if you simply ask for a bara pyggyld, you may come up with a crumpet. Or you may get kicked out of the store!

It is not only Geoff Howland of Ganges, who is interested in farming in Colorado. Ann Howland points out that the property they have in the United States has been acquired by North Vesuvius Holdings and that Bevis Walters also has an interest in the new venture of irrigating some 300 acres of Colorado.

We have no dog. On Sunday he slunk back where he used to play and he found new neighbours. He also found some small geese and took issue with them. He was promptly tried and convicted by a police officer and sentence was executed at a secret ceremony. And for all its open spaces, Salt Spring Island is too extensively developed to keep a dog. A dog has too many problems in getting known. His owners know his personality. They see his dirty paws and his muddy coat as part of the scenery. He doesn't get that over to a stranger. The other fellow sees him as an evil, treacherous demon to be avoided at all costs. Only thing is to teach him to talk for himself. Then he'd probably be shot for using obscene language. We'll probably never have another dog, but we'll certainly never have another the size of Moses.

There's a lot of argument in Britain over convicts going on hunger strike. If I cut my throat and die in the bathroom that's suicide. If I refuse to eat and die of starvation, that's martyrdom. The difference is so obvious I can't even see it.

When islanders were invited to express an opinion on the possibility of an international park the longest-travelled ballot came here from a reader, and island property owner, in Switzerland. Probably the furthest-travelled copy of the original protest in Driftwood was reproduced by photostat and sent to a United States senator in Washington by a reader, and island property owner in Seattle.

Why was Hugh Curtis not in his seat when a vote was taken on the Islands Trust Act? Question was asked by Jim Campbell, of Saturna, citing the official Votes and Proceedings as the evidence. "Why didn't he read Hansard and learn what I said before I was called away from my seat?" responded Curtis.

Spencer Marr went off to watch an Irish rigger team in Victoria and spent more time reading the advertisements in the program than watching the game.

Tommy Douglas lays claim to being the first candidate in Canada to file his nomination papers. He handed in his papers on Wednesday, May 29.

SUPPORT YOUR CENTENNIAL PARK

SATURNA

BY PAPAJOHN

Guess we will have to get someone to mail this epistle on Sunday in Sidney from now on, consequently weekend visitors may get in there a week late. Through no fault of our local delivery, once it hits Sidney, POW.

In another column you can read about the Annual Inter-island school sports. Thanks to Mike and Maggie Hayes and the co-operation of Taimi Hindmarch the results are tabulated in their column. It was a grand day and the Legion Boys (?) did a good job. Our Women's Club handled the hot dogs, etc., with their usual smooth operation. It is reported that several of the contestants ate "ten" or more hot dogs. Hope the parents had some Enos, etc., around when they got home. But it was a grand day and we hope the other islands liked our hospitality.

We had our annual Barbecue meeting on Sunday afternoon in the hall. Jim Campbell, sr. was chairman. The first order of business was what to charge for the dinner. As usual I asked for a large price increase and they settled for a buck less, which is what we had figured would happen. Secretary is Granna Louisa Gal Money, treasurers are Lovely Lorraine Campbell and demure Donna Begon, minister without portfolio is Bob Hindmarch for transportation. So on July 1, Monday, keep that date open. Much much more later.

The Lions Lyte: We had a wonderful dinner on Tuesday night last due to the epicurean expertise of Irene Lawson, Daisy Bavis and Betty MacDonald who had prepared the salmon. The salmon were caught by Don Cunningham, Stevie and Dale Lawson. Our guests were

amiable Con Hungle, president of Oak Bay club and Larry Williams, from the same club. Con Hungle drew the winning ticket on our beef raffle and it was won by our old friend Bert Timbers of Salt Spring. We mentioned Doreen Cowan

as our big ticket seller but honorable mention goes to Judy MacDonald and Debbie Lawson. Thanks girls and to Gene Marshall for all his book work on a deal of this kind. A box social for July 20 is being planned. Work party program to help out with our annual Saturna Island Barbecue were formed. From now until July 1 (Turn to Page Fourteen)

TWO LICENSES

British Columbians have until June 15 to acquire their second driver's license. It is sold as a driver's certificate, but it is, in fact, a second license. Every driver now needs two.

There is very good sense in tying insurance costs to the driver as well as the car. There might be better sense in insuring the driver and ignoring the car, but that is another speculation. The twin absurdities are with the insurance pattern and are apparently destined to stay with it.

The duplication of a driver's license is the irrational approach to insurance. It is the bureaucrat's dream. To have a license which does not permit the license-holder to do anything must rank high on the list of governmental illogicalities.

The thinking behind the scheme is sound. That a bad driver should pay more than a good driver makes very good sense. But that the good driver should still pay a small penalty is the illogical twist. The world's worst driver in the province pays an extra premium of some \$400 a year. The best driver, one who has never had an accident, made a mistake or ignored a sign, only pays a \$10 penalty. What is the penalty for?

Maybe, in the course of events, we shall see the driver's certificate consolidated with the driver's license as it should have been in the first place. We might even live to see the good driver rewarded instead of punished, if the government could afford the loss in revenue.

Letters To The Editor

TO PEOPLE OF SATURNA

Sir,
We are four student nurses from St. Joseph's School of Nursing in Victoria. We have recently returned from a camping trip on Saturna Island when we were doing a study. Our reception by the islanders was warm and friendly. It was hard to believe that total strangers could be so helpful and generous.

We were impressed by the community spirit and the beauty of the island. Since we are unable to thank each person individually, who contributed to making our stay so enjoyable, we'd be grateful if you would publish this letter expressing our sincere thanks to the people of Saturna. We'd especially like to thank Mrs. Bavis, Steve and Myrtle Maskow, Mr. P. Joudry, Mr. and Mrs. Hindmarch, Mr. Davidson, the kindergarten and grade one class, and Rachme the cow, whom we milked.

Elise Kern, Pat Ashton, Lia Nieuweber, Helen Jones,
St. Joseph's School of Nursing
Victoria, B.C.
May 29, 1974.

ANOTHER BROOKLANDS RIDER

Sir,
Further to your nostalgic comment on motor-cycling I also am an "old" Brooklands competitor. I have a programme stating that Mr. Gately gained his Gold Star in 1937 for lapping the track at

over 100 M. P. H.
Furthermore, I still have the 'bike I used to ride, so if you ever want to gloat over a 1932 250c. c. Rudge it is in my basement.

R. J. Weston,
Canal Road,
Ganges,
June 3, 1974.

ASKS FOR SUPPORT

Sir,
In 1964 a 26-acre parcel of land, excellently suited for the purpose of operating a marina-resort, was purchased at the head of Browning Harbour, on North Pender Island. Public hearings were held and the consensus of opinion was that the project should proceed. Mr. Moffat Dennis and his family established the marina then known as Scot's Lair.

In the spring of 1972 the commercial property was sold to Mr. and Mrs. Paul de Grandpre, of Edmonton, Alberta, who made a considerable investment to acquire, improve and beautify the resort, now re-named Puerto Lindo Marina (Pretty Harbour in Spanish).

Soon after the purchase, zoning was introduced in the Gulf Islands and the new owners discovered in June of that year that 2/3 of their property had been unjustifiably and improperly zoned in a rural classification which prevented much-needed improvements, such as motel units to provide accommodation for guests. This facility was, and still is, non-existent; it is, however, essen-

DIVERS UNDERTAKE INSTRUCTION AT GANGES

tial to make the operation viable.

Application was made to correct zoning of Lots 1, 3 and "A" to conform with the commercial establishment. The Capital Regional District instead of simply correcting the error, held Public Hearings, March 12 and April 8, 1974. A pressure group, with selfish interests, through irrelevant, erroneous and damaging statements made at these two hearings, apparently could succeed in influencing the Chairman of the Capital Regional District in reaching a most unfair and inequitable judgment.

Restricting the construction of motel units the government rip-off would have the disastrous effect of ruining the present owners and depriving their family of its livelihood. A substantial sum of money has already been lost through the refusal of the Health Board Permit for the operation of the licensed restaurant, through a double standard of applying building regulations.

The amending By-law proposed to correct the unfair By-law (No. 103 - 1972 Outer Gulf Islands) should go through without modification, as the resort is in existence now, and the land use for "recreational development" had already been determined and settled some eight years prior to the 1972 discriminatory by-law.

We are appealing to all responsible citizens of this area of British Columbia as well as to government officials to do whatever they can to prevent this injustice taking place. We are inviting all members of the public and particularly those who realize the importance of marinas for the convenience of boatmen to make strong representations, by writing to the Premier, to the minister of municipal affairs, their M. L. A. or to officials of the Capital Regional District.

The purpose would be to make them aware of the very real dangers for a person investing in any business if protection is not provided by law to prevent the use of zoning as a tool of destruction.

Paul de Grandpre,
Puerto Lindo Marina,
North Pender Is.,
May 29, 1974.

JUST YOU WAIT!

Sir,
With regard to the Islands Trust Act (Bill 112), I would like to express my shock over the method used by the Barrett Government to force this legislation on the Gulf Islanders. Two public meetings were called to explain the Bill and sound out the opinions and answer the questions of the people concerned.

At the close of the first meeting, after Mr. Hugh Curtis addressed us, a unanimous vote was taken against the Bill in its present form. Mr. Curtis assured us he understood our feelings and would seek suitable amendments.

The reaction of those pres-

ent at the second meeting, when Mr. Lorimer spoke, was one of disgust and anger at this high-handed legislation, and of serious mistrust of this Government's future intent. And well might we mistrust a Cabinet Minister who consistently refused to answer the most frightening question of all: WHY three Trustees appointed from Victoria and only two elected from the Islands?

After waffling and avoiding this question, impatient shouts rang out to "Answer the question!" Refusal to answer was glossed over with a benevolent, sweet smile and downcast eyes. This was the HEIGHT of effrontery to us who are paying this man's salary!

Mr. Lorimer was not interested in our opinions. He had the gall to tell us we could NOT run our own affairs. Four days later (28th May), Bill 112 became law. When the Opposition tried to introduce amendments to the Bill, they were RULED OUT OF ORDER! So, now we know why Mr. Lorimer refused to answer the frightening question of why APPOINTED trustees will outnumber ELECTED Trustees! They intended to push the Bill through anyway! They have made a mockery of us and of our rights!

WHO gave these NDP politicians the powers to turn a Parliamentary democracy into a totalitarian dictatorship? Remember, Canadian citizens, THIS is exactly how Hitler's National Socialists gradually eroded the citizen's rights in Germany, until there were no rights remaining!

Gulf Islanders, do YOU think Mr. Lorimer should have the right to dictate to us what we WILL have, against OUR will? Do YOU think he is qualified to tell us how to manage our Islands when HE didn't even remember that he had ALREADY signed our Salt Spring Island Community Plan?!

There was one thing I found heartening at that second meeting: the convictions of the people. This Government has indeed gone too far and we are angry. They have assumed absolute power and thereby will hang their downfall. At the close of that meeting there were numerous cries of "Just wait, Mr. Lorimer, until the next election!"

M. Taylor,
Box 163, Ganges,
June 1, 1974.

Deep down under the water there's probably a scuba diver. Here is a class learning to use Self-Contained Under Water Breathing Apparatus. It is part of the class under instruction by Shane Heinekey, of the Shape-up Shop in Ganges. It is the Wednesday night class. The Thursday night class swims on Thursday nights. They swim in the private swimming pool at the home of Dr. E. R. Dixon, who has lent his equipment for their benefit. Shown in the picture are, left to right, Tom Brown, Dave Moulton, Instructor Heinekey, Faye Cocker, Dick Toynbee, Jr., Franz Beyk, Steve Phillips, Assistant Instructor Marvin Bergstrom and Scott Stepaniuk.

It was before her time

Dormitory on Ganges Hill is to be sold by the Gulf Islands School Board.

The original Lady Minto Hospital Building, the structure has been used for the accommodation of students as well as classrooms and an adult education centre since it was superseded by the new Lady Minto Hospital in 1958.

Discussion of the sale of the structure led one trustee to the question of its original cost.

"How much did it cost?" asked Mrs. Betty Vasilev, of Mrs. Nonie Guthrie.

"It was built a little before my time," replied Mrs. Guthrie, admitting she didn't know.

SINGERS SING TO PATIENTS

Salt Spring Singers came up with a concert on Sunday afternoon for the Extended Care Wing of Lady Minto Hospital.

There were 12 singers taking part, under the direction of Mrs. Ruth Barker.

Faults are thick where love is thin.

Sheep and shepherds off to Duncan

The Inter-Island Sheep Breeders Association will hold a Sheep Field Day on Saturday, June 15, at the Cowichan Ex-

hibition Grounds in Duncan. The emphasis this year is on wool, with Bob Shopland, wool expert from the Alberta Wool

Growers' Co-op, as special guest speaker.

The events begin at 10 am with a market lamb class, followed by Mr. Shopland's talk on wool production and grading. Len Higginson, well-known sheep breeder from Sardis, will then speak on the economics of sheep husbandry.

In the afternoon, Livestock Commissioner Al Pelter will explain the new Domestic Animal Protection Act, which deals with control of dogs and protection of livestock.

This is something all Salt Spring Islanders should hear!

Bob Shopland will discuss the different sheep breeds, telling what the new sheep-owner can expect from each; Len Higginson will describe what the well-equipped shepherd keeps in his home first-aid kit and demonstrate some basic techniques of sheep first-aid and health care, which everyone should know. A short demonstration of fleecing care, a fleecing competition, and judging of lamb carcasses complete the program.

During the day there will be demonstrations of spinning and weaving by members of local spinners' and weavers' guilds, as well as displays of handwork made from local wool. In the sheep barn will be examples of nine different breeds of sheep for visitors to inspect. One of the most popular fea-

TWO MEETINGS ON WEDNESDAY AT DORMITORY

Salt Spring Day Care Society will meet in the school dormitory on Ganges Hill Wednesday evening next week.

Meeting of the Day Care Society is at 7 pm and at 8 pm the 0-6 Group will meet in the same place.

Meetings are open to the public and islanders interested in pre-school care and education will spend the evening discussing both concerns.

These will be the last meetings until September.

Information may be obtained from Mary Williamson, Marilynne Cunningham or Andry Wright.

tures of last year's field day, the barbecued lamb luncheon, will be served again, price \$2. Vancouver Island 4-H clubs will also serve sandwiches, coffee and home-baked desserts.

Admission to the field day is free and everyone is welcome.

On the evening preceding the Sheep Field Day in Duncan Len Higginson will present a talk and slide show on his recent sheep-buying trip through Australia and New Zealand.

Time will be 7:30 pm, Friday, June 14 at the Village Green Inn, Duncan.

The Inter-Island Sheep Breeders Association has invited all interested persons to attend and stay for the social evening to follow.

OTTAWA AND VICTORIA

Sponsors of the International park are not the members of the International Joint Commission, comments a reader this week. The blame for the international plan lies with the Point Roberts Board.

The commission is far away in Ottawa and Washington. Its main concern is with boundary waters and its acquaintance with the islands is remote. The Canadian section of Point Roberts Board includes an educator and two civil servants. Dr. Geoffrey Andrew is from UBC and William Lane is the B. C. Land Commissioner and former municipal solicitor for Richmond. Third Canadian mem-

ber is Lloyd Brookes, deputy minister of recreation and conservation.

"These are the real villains," Driftwood was told, "and we are not going to get them out of the way easily."

Islanders attending the Vancouver public hearing of the IJC last fall reported that the representative of Environment Minister Jack Davis had stated that the minister supported the proposal 100%.

Chairman of the Capital Regional District, Jim Campbell, of Saturna, however, has challenged the statement and reports that Mr. Davis does not support the proposal.

THEY HAVE FAILED THE ISLANDS

Hugh Curtis, MIA for Saanich and the Islands has taken issue with Municipal Affairs Minister J. C. Lorimer over the Islands Trust Act, Bill 112. His comments are printed below.

The failure of the Minister of Municipal Affairs to implement any significant changes in the Islands Trust Bill 112, during Third Reading (Committee Study) is indicative of a regrettable inflexibility on the part of the Minister and the government.

I particularly regret his almost total rejection of the more than 20 separate suggestions made by a group of regional district electoral area directors who represent Islands within the trust area.

A review of these suggestions indicates a number of thoughtful and constructive points - many of which would have put the Bill in more acceptable and democratic form, and would have assisted considerably in easing the fears of many thousands of Islands residents. The Bill is obviously headed for Royal Assent in essentially the same form as first introduced.

Gulf Islanders will also learn with disappointment that amendments introduced by some Members of the Opposition were also rejected out of hand.

Mr. Lorimer has demonstrated three major faults in his handling of the Bill. Firstly, he did not insist that the legislation accurately reflect the

recommendations of the Municipal Matters Committee with respect to co-ordination of government departments and agencies.

Secondly, he has ignored the wishes of the majority of Islands residents and finally, he has demonstrated most clearly that he does not understand the fact that many Islanders have the long term interests of the Islands at heart and have demonstrated considerable skill and ability in the implementation of their own community planning activities.

DESIGN ON BACKGROUND

This warm grey June day is shot with colour like an eastern shawl, deep wild-rose pink and dandelion gold, foxglove magenta, clover creamy-white... and all among the drowsy flower-filled fields dart swallows with the sunset on their breasts, while high in that dark fir tree like a spire a hummingbird reveals his flash of fire.

-Mary Garland Coleman

CRICKET COMES HOME TO SALT SPRING

Salt Spring Island cricketers will be host to Castaways Cricket Club of Victoria for an afternoon of cricket on Sunday June 9. Game will start at 12:45.

The match will be the first home game for the island team. It will be played on grounds of the Luton property

on Blackburn Road.

Playing for the island team will be Peter McCalman (captain), Tony Morley, Dave Roberts, Robert Anderson, Allan Marsh, P. K. Bhattacharjee, Dennis Seward, Peter Hughes (vice-captain), Jim Merston, Roger Donnelly and Nigel Deboit.

CLUB TRIALS COME TO SALT SPRING

Prof. Marc Bell, Victoria, Lou Yellowlees, Ganges and club president, Herman Jobsis are seen at the recent Vancouver Island Retriever Club Trials at Blackburn Lake. The club came to Salt Spring Island for the first time and liked it so much they want to come back. There were some 25 dogs taking part in the day's program, which ran from 10:30 am until 5 pm. Dogs were Chesapeakes, Labradors and Golden Retrievers. Day's events were run off on the lakeside property, by invitation of K.R. Luton.

ees were asked to approve borrowing of money from the Bank of Montreal to pay the school district expenses incurred while awaiting the next cheque from the provincial government.

FOR ONE YEAR

Kenneth Manekar will be acting principal for a year at Galiano. Mr. Manekar will take over from Basil Bengier next year while Mr. Bengier is on a year's leave of absence.

GOLF & COUNTRY CLUB CLUBHOUSE NOTES

BY PAT DOHERTY

The ladies from Chemainus were guests of our ladies' section last week and the visitors went away winners in their match.

In the mixed No. 1 match Betty Harrison and Ralph Alpen easily handled Marg Frattinger and Pat Harrison.

Bill Treford was the only winner among the men who journeyed to Orcas Island last week. Joy Tuckey won the Canadian Imperial Bank of Commerce Cup, defeating Jean Jefferies in the final.

The first round of the inter-island competition was played Saturday, June 1. Salt Spring managed to get an overall lead of 10-1/2 points, but will need a little more cushion before they go to Pender Island in July.

We would like to thank all the members who helped to pick up other island players and return them to their boats and taxis. The next round will be played at Galiano Island on June 15 and a third round at Pender on July 6 and

we hope to be still ahead when the smoke clears.

FAREWELL PARTY FOR COUPLE EN ROUTE TO NORTH

A bon voyage party was given in honor of Doug and Jan Burke on Saturday evening at the home of Dennis and Lynn Andrews, on Salt Spring Way.

Many friends of the Burke's attended as well as off-island guests.

A buffet dinner of Chinese food was prepared and served by Vern Christiansen.

"We will all miss Doug and Jan and wish them all the best in Williams Lake," said Dennis Andrews.

HOW CAN I?

Q. How can I mend broken chalk pieces?

A. With your finger, rub canned evaporated milk on the broken ends, then stick them together.

if you worked in the woods today...

You'd find that the sawmill and plywood industry now has some women forklift operators and truck drivers. And the IWA is demanding Maternity Leave for these members. Their seniority and job security depend on it.

You'd find the average logger has to support two homes — one at camp, the other where his family lives. The IWA considers this unfair and is therefore demanding free room and board from the forest industry to lighten this burden on their membership.

You'd find safety of prime concern to people working in the forest industry. The IWA was the first union in North America to have a full-time director of safety and are, in this year's contract talks, demanding improvement and extension of these rules. All the wage increases and cost of living clauses in the world are of little benefit to the woodworker out of work because of an accident.

You'd find workers, like you, trying to cope with rising costs — like the cost of adequate dental care for their families. The IWA is demanding a paid dental plan for its

members to ensure proper dental care for themselves and their families.

You'd find the accent on leisure time growing, as in every other sector of society. That's why the IWA is demanding improved vacation time and a shorter working week for its members who feel it is becoming increasingly important to spend as much time as possible with their families.

You'd find the average woodworker unable to afford today's high cost of living. The IWA is therefore demanding

a one dollar an hour across the board increase for its members. It's not going to make anybody rich — just help woodworkers cope a little better with rising costs.

You'd find the backbone of B.C.'s economy — the Forest Industry. Its members, through the IWA, are making realistic and reasonable demands in their current negotiations and are determined to continue their policy of good faith bargaining. All we ask is that the industry do the same.

FORMER TALKING COMPANY BEATS FIREMEN AT BALL

Men's softball is getting underway with two games played. In the first game a young men's team, formerly known as Uncle Frank's Talking Company, defeated the Firemen. The game started off as a pitchers' duel with strong pitching by the young men's Paddy Taylor and the Firemen's Hal Leighton. In the third inning the young men scored eight runs and never looked back as they won the game.

The second game of the week saw the Merchants defeat the Firemen 14-6. Any interested teams or individuals should contact Shane Heinke at the Shape-Up Shop or phone Wayne Taylor at 537-2128.

FERNWOOD

BY JESSIE SAYER

'Tis said it never rains but it pours. So it was at our house this past week end with unexpected company.

Son Lin, from New Westminster with his son, Bob and friend, Debbie Schatz arrived on Saturday to spend the week end. A short time later nephew Dick Sayer with his wife, Mary, children, Susan, Robyn, and Ryan, of Alderside came over in their cruiser the 'Sooth Sayer'.

They spent the night at Retreat Cove and left Fernwood at noon as the weather was not too promising.

A bit later Mr. and Mrs. Cliff Campbell, of New Westminster, a former Vancouver man and later caretaker of Wallace Island, arrived in their cruiser also having spent the night at Retreat Cove.

Bob and Debbie had the pleasure of going home with the Campbells.

To add to the excitement, the charter cruise ship 'Edgewater Fortune' tied up at the dock with a full load of teenagers on a graduation trip.

I'm sorry to say many of these kids made themselves obnoxious in many ways and left parts of the beach and road strewn with garbage and litter, especially bottles.

Everyone is welcome, as long as they behave themselves!

spent a few days visiting Mrs. Funk's aunt, Miss M. Sitton, Salt Spring Way, Ganges.

Mr. and Mrs. L. Roper, of Edmonton, were recent visitors of Mr. and Mrs. R. W. Swanson, of Sunset Drive.

Mr. and Mrs. S. Polywkan of Nanaimo, were visitors at the weekend at the home of Mr. and Mrs. Dennis Andrews on Salt Spring Way.

Don Perkins and daughter, Rowena have returned from a two-week visit with Mr. Perkins' family in Texas.

Mr. and Mrs. G. S. Humphreys have returned from Port

Alberni after visiting their daughter and son-in-law, Mr. and Mrs. R. Cudmore, and their new granddaughter, who was born last Thursday, May 30.

Mr. and Mrs. Bill Ward of Victoria, are visiting Sir Charles Wright and daughter, Miss Pat Wright on Arbutus Road. Mr. Ward is editor of the Wildlife Review.

Dr. and Mrs. E. N. Wright of Thunder Bay, Ontario, were recent guests for two weeks at the home of Sir Charles Wright and his daughter Pat.

Dr. and Mrs. Bryce R. Nisbet of Kilmarnock, Scotland, are visiting Mr. and Mrs. Doug Cavaye at their Vesuvius home. Dr. Nisbet was born in Manit-

oba but has lived all his life in the United Kingdom. He

and Mr. Cavaye have been friends for more than 60 years.

18 Years Drilling Experience on Gulf Islands

The Light Touch

By H.J. Carlin

We like the story Bob told us about the chap doing all the fast talking over the loudspeaker at a convention, when another chap who was listening to all this chatter took over the microphone and said, "The chap that talks by the mile, thinks by the inch, should be kicked by the foot."

Deadpan humor: On her golden wedding anniversary, the old lady was asked: "In all these years, have you ever thought of divorce?" "No," she replied, "only murder."

Teenager to Dad: "You think you had it tough in school. Some kids in my class have to park three blocks away."

Box 507, Ganges, B.C.

On Tuesday, May 28, Saturna Island Elementary School was the colourful scene for the annual Outer Islands Schools Sports Day.

The weather was bright and sunny, and the school grounds were bustling with over 150 school children and accompanying parents from Galiano, Mayne and Pender Islands. Adding to the crowd were Legionnaires from the Outer Islands who were on hand to distribute prize ribbons and help in the running of the different events.

One Legionnaire who had a great time was 89-year old Arthur Ralph, longtime resident and unofficial mayor of Saturna Island.

Women from the Saturna Island Women's Club completed the picture, as they handled all the refreshments. Hot dogs, soft drinks and tea and coffee were welcome, and enjoyed by competitors and on-lookers.

The sports events for the school children ran smoothly with relay, skipping, hopping, balancing and 400-metre races, as well as high jump, broad jump and accuracy throw competitions.

Pender Island walked away with all three trophy cups presented by the Legionnaires to the students with the highest aggregate scores in these events Renee Bellemare, 11, won the girls' cup, and Danny Pelkey, 11, and Troy Hanson, 8, tied for the boys' cup.

All three children achieved 23 out of possible 25 points.

Even parents and pre-schoolers had their chance to compete, and special races were arranged for them. Soon most of the children present were showing off a number of hard-earned prize ribbons.

The day finished off with a fast softball game, and then it was time to catch the afternoon ferry.

Thanks are due to all who helped to make the day such a tremendous success. The Womens Club and the Legionnaires were much appreciated, as noted above, but heartfelt thanks also to all the children, parents, teachers, and other Islanders who offered their time

and talents. Their fine team work made the afternoon memorable for all who participated.

Schools are designated by letters in brackets. Highest aggregate scores are awarded the top three children by age and sex, in competition for the Aggregate Cups over five compulsory events.

Twelve and over, 1, Cindy Grimmer (P); 2, Laurie Cunningham (S); 3, Jennifer Davidson (S); 11 years; 1, Renee Bellemare (P); 2, Lois Crocker (G); 3, Jennifer Auchterlonie (P); 10 years; 1, Danielle Bellemare (P); 2, Connie Crocker (G); 3, Michelle Besler (G); 9 years; 1, Colleen Simpson (M) and Tracey Stromquist (P) tied, 3, Darcie Wilks (M); 8 years; 1, Robyn Tomlin (P); 2, Tatia Campbell (M); 3, Angela Holt (P); 7 years; 1, Tana Milton (P); 2, Kelly Crooks (S); 3, Nicole Albrecht (G); 6 years; 1, Leah Smith (S); 2, Pamela Simpson (M); 3, Erin Boser (S).

FLOWERS IN CHURCHES THIS WEEK

BY A GARDENER

Timely hints are offered for the Festival of Flowers donors and arrangers, with thanks to Mrs. Elsie Macdonald and "H. C. G."

Following are a few suggestions offered as a help in decorating your Church for the Festival of Flowers, June 15 and 16:

Condition your flowers: Pick flowers in the evening, place in a pail of water, to which a teaspoon of ordinary bleach, and two tablespoons of sugar have been added, and leave outside in a sheltered place overnight.

Roses and shrub-type flowers should have their stems crushed and placed in hot water for half an hour prior to placing in cold water overnight. Poppies if picked before fully opened and placed in several inches of boiling water, allowing to cool in the same water overnight, will not flop.

Flower arranging is fun, and here are a few simple rules to follow:

Arrangements are usually one-and-a-half times the height of the vase, with one large flower, or several of one colour at the front, to claim attention.

Containers should be large and plain, weighted with sand or small stones and no statues or figurines to distract from the

SALT SPRING OFFICER

New officer in charge of the Ganges detachment, RCMP, is Cpl. Ray Stelter, previously stationed at Chilliwack.

Cpl. Stelter and his family were on Salt Spring Island last week looking at their prospective home and searching for accommodation.

and Ted Gillespie (S); 2, Philip Pugh (M); 3, Lisette Wilks, and grandmother's friend (M); Katy Tauber, and Sue Tauber (M); 1, Shawn Crooks, and Jan Crooks (S); 2, Michelle Laughlin, and mother (G); 3, Doug Money, and Don Cunningham (S); Kathy Ross-Smith, and mother (P); Tommy Piggott, and mother (M); Kristen Siemens, and mother Terry (S); Brad Harvey, and father (S); Tanya Mackenzie, and Dana Brocklehurst (M).

beauty of the setting or flowers. Waste-paper baskets are wonderful for tall arrangements, to be placed on steps or floor.

A pillar with a small board placed on top, has been suggested, to hold a bowl of low trailing flowers. A copper container of oriental poppies will lighten a dark corner, or several stems of tall delphiniums may be placed in full light.

The main idea is to "do your own thing", and give expression to your ideas of shape and colour. It would be of interest if a small card with the arranger's name were placed by the container.

The viewers will be welcomed

by a church member, who will be happy to tell the Salt Spring Island history of his or her own church. A jotter or exercise book, with pencil attached, will be placed inside for visitors to write their name and comments, which will be a great help in evaluating the success of the venture, giving an indication whether it should become an annual event.

TO BE DEDICATED SATURDAY

New Salt Spring Island church will be dedicated on Saturday. Kingdom Hall of the Jehovah's Witnesses is located on Ganges Hill, opposite the RCMP office. The dedication ceremony is expected to bring members of the religious community from Vancouver Island

and the mainland and the program has been arranged to fit into the ferry schedules. Program will start with open house at 10 am on Saturday. Refreshments will be served. The dedication ceremony will start at 2 pm and continue until 4 pm. First Kingdom Hall on Salt

SAILING COURSE AT GANGES

Peter Hughes, Commodore of the Salt Spring Sailing Association, reports that the spring training course for beginners will be held during the month of June.

Sessions take place Wednesday afternoons, between 3:15 and 5 pm from the club floats at the Gulf Marina. There are still a few openings for beginners of all ages and sexes, who wish to learn sailing in sabots.

While informal training sessions were held between rain showers in May everyone wishing to participate is asked to register by June 7.

There is no fee for the course but all are required to join the

Spring Island was located on Rainbow Road. New hall was built last fall and finished earlier this year.

The name, explained presiding minister Ken Hayworth, is derived from the biblical injunction to preach the good news of the Kingdom.

The hall is constructed as an educational centre for biblic classes and study groups.

Girls launched into softball

BY WAYNE TAYLOR

Last week end Salt Spring travelled to Chemainus to play softball in both the Pee Wee and Bantam divisions.

In the Pee Wee Division the Salt Spring team, coached by Steve and Margaret Miller edged Chemainus 14-13. Pitching well for Salt Spring were Theresa Byron and Sharon Anderson. Donna Moulton was the power hitter for Salt Spring while Jenny Miller hit steadily. Brenda Murray and Theresa Byron made a number of excellent catches.

In the second game the Salt Spring team, coached by Catherine McFadyen, lost 28-20. The girls played well when you consider that Chemainus was ahead 15-0 at one point and Salt Spring came back to make it close. Donna McFadyen and Sandra Kaye had a number of tremendous hits to lead the come-back.

In the Bantam Division the Salt Spring girls, coached by Wayne Taylor, beat Chemainus, 21-17, in a game that became close at the end. The game ended in dramatic fashion, with Theresa Byron catching a long fly ball with the bases loaded, two out and the tying run at the plate. Pitching for Salt Spring were Jenny Byron, Cathy Anderson and Kathy Taylor. Kathy Thiele made a number of important put-outs at third while Lori Woods fielded strongly at second. Joan and Nancy Merston hit and fielded strongly.

In the Squirt Division the rain finally stopped to allow the games to be played. The first game of the week saw Pat Taylor's Tigers defeat Bev Byron's team 16-8. In the second game Bev Byron's edged Carol Kaye's team 13-10 in a close game.

The teenage girls team are eager to play any ladies' team as soon as possible. Any group of ladies should contact Wayne Taylor at 537-2128.

TO DEVISE QUICKEST METHOD

School board is discussing details of a new classroom for Pender School with Architect Hank Schubart.

On Wednesday the Gulf Islands school trustees discussed whether to construct a new building or to use a portable or modular unit.

Shortage of materials is likely to plague trustees, they agreed, whichever path is followed.

DOUGLAS ON OIL AND INFLATION FIGHT

(From Page One)
surplus would then be sold at world market prices for export and a substantial export tax would be imposed.

Mr. Douglas recalled the days when the Dominion was divided into two for oil distribution purposes. The plan was made by the great oil companies with government connivance. All Canada east of the Ottawa Valley was to be served by Middle East and Venezuelan oil. Purchased at a cost of 10 cents per barrel, it was so cheap that it could be sold in Alberta at a lower price than Albertan oil.

West of the Ottawa Valley took the more expensive domestic product and the surplus went to the United States.

Venezuelan oil was particularly dirty and required special refineries. The United States would not accept it, said Douglas, so it had to be sold to Canada.

In the meantime the vendors of the oil in the Middle East used part of the proceeds to educate their sons.

The newly educated Arabs were astounded at the price paid for their oil and they soon boosted it. With higher prices, up to \$18 a barrel, instead of the traditional 10 cents, the Middle East nations get more money for less oil and they have cut back on production to conserve supplies for later generations.

In reply to a question from the floor, Douglas stood by the North American oil shortage, but he stated that the shortage had been used as a lever to make colossal profits. One oil company's profit this year had risen by one million dollars a day, he noted.

Third measure called for by the former national leader of the New Democrats is an excess profits tax. The astronomical profits earned by speculative selling of supplies would be shared by the people who own the oil in the first place, he told the audience here.

Oil is still a problem, he warned and present plans of the Alberta and Ottawa governments are to give the tar sands to the international car-

rels in exchange for the construction of the necessary refineries. Canada should build the refineries and retain complete control of the greatest oil resource known to the world today.

Process is a combination of mining and refining, said the candidate. The tar sands have to be hewn out of the ground for processing.

Oil for the tar sands will be needed in the next 10 years unless Canada reduces its exports of oil and conserves its resources, he warned.

MAYNE-PENDER-SATURNA
WILSON
ELECTRIC LTD.
539-2173

The program resolved into discussions, mostly centring

on the problems of mining and taxation.

SCHOOL LEAVING CEREMONIES. Restrictions placed on seating accommodation in the Gulf Islands Secondary School auditorium, and the size of this year's graduating class, have made it necessary to limit attendance at the School Leaving Ceremonies this year.

Persons wishing to attend must have an invitation and these may be obtained from members of the graduating class. In the past, when graduating classes were smaller, restrictions were not necessary but, rather than have people turned away at the door, it has been decided to have the graduating class issue the invitations.

REMEMBER TO RECYCLE Saturday and Wednesday 10 am to 3 pm, freight shed, Mouat's Wharf. tfn

IF YOU ARE CONSIDERING building on the Gulf Islands we can save you a substantial amount by managing your construction. Earlier completion assured by being on site for inspections, material ordering and deliveries, securing and overseeing subcontractors, etc. Current local experience and residence but have 30 years experience as general contractor and architectural supervisor west of the Rockies. Save even more by doing any part of work you care to. We would like to talk it over if you are interested. 537-5866 or 537-5104. 20-4

BEAN SUPPER TICKET HOLDER #843524 may collect the \$10 prize from Mrs. C. L. King Phone 653-4394 21-1

SATURNA (From Page Three)

most of our efforts will be in helping out the Barbecue Committee. Oh yes, the delicious rhubarb dessert we had is due to John Silvester's gourmet rhubarb which helped the lad-

ies no end in preparing that wonderful mouth-watering dessert.

Sad news this week is that Mary Jane Davidson is in Royal Jubilee Hospital. Latest news is that she is doing well and may be home by the time you read this.

The new mechanic at the Shale Plant is Lorne Fleming. With wife Kathy and baby Mike they have moved into Jim Money's apartment above the store. Welcome to our Island, Kathy and Lorne!

Our quarterly meeting of the Saturna Island Community Club will be on June 6, a Thursday. Sorry we did not get this in sooner but will give details next week.

In Lyall Harbour this week end are Alec and Emily Close with a new frig for their summer home. Across the street are Dave and Bernice (McElroy) Brown; Lloyd and Myrt Stewart over, giving Johnny Bentum the O.K. on the job he is doing on their cottage. Bill and Dorothy Price over also. These people are all so busy working that we hate to visit them in case we might have to hand someone a nail.

MAYNE

BY ELSIE BROWN

The Gulf Islands Story, the film about the Gulf Islands, and Mayne Island in particular, was at last seen by residents of the islands, and elsewhere, on Chan 8, Sunday at 9 AM.

Those who didn't know it was on and therefore missed it, may see it on CHEK TV (Chan 6) Sunday, June 9 at 9:30 AM.

It was well worth seeing and the commentary was excellent.

Participating in the program were Alan Stewart and Harold Neale who provided some of the commentary and George Douglas and Norman Georgeson who were on camera at the mill. Mrs. Botterill was also seen during Miners Bay Trading Post. The film was made last summer.

Welcome back to the island to Grace Evans who is home from Royal Jubilee Hospital where she was undergoing treatments. "Taking Life Easy" is the slogan she is following for the time being.

Get Well Wishes to Betty Fry who was admitted to Lady Minto Hospital this morning. We are looking forward to her early return to the island.

Sorry to hear Kitty Hunt-Sowery is down with the 'flu. We wish her a speedy recovery.

Glad to hear Ilsa Fassler is making satisfactory recovery after her illness which resulted in a trip to Lady Minto Hospital. She is now home again with restricted activity.

The Outer Islands Arts Exhibition which was held at Open Space, 510 Fort Street, Victoria from May 3-12 was very successful. The following members of Mayne Island Paint and Sketch Club exhibited paintings: Marjorie Haggart, Nita Flick, Betty Fry, Annie DeRousie, Nancy Rainsford, Joyce Mitchell, Edona Hadzic and Kathleen Doughty.

Bill and Marguerite Morson are back home after spending a few days with their daughter and son-in-law, Margaret and Barrie Morris and family of Comox, Vancouver Island. Marguerite reports the weather wasn't any better there than here but they enjoyed their visit.

BOARD INVITES PROPOSALS

The Gulf Islands School District has announced that it is trying a new way to get a much needed new classroom built at the Pender Island School as quickly and as economically as possible.

A sudden spurt in attendance has required the construction of the new classroom in time for opening of school next fall.

Rather than preparing plans for the new construction, or buying a portable classroom, the district is requesting proposals from builders and prefabricators for consideration by the board.

The proposals may include regular types of construction by local builders, prefabricated sectional buildings or even parts of portable and mobile units delivered to the site almost complete. When tenders are submitted, the board will review them, not only in terms of price, but also in terms of speed of construction, portability, appearance and usefulness over the long haul.

The resulting prototype classroom design is expected to be easily adaptable to other Outer Island situations which may require additional school space.

Proposal forms, instructions to bidders and copies of specifications are all available at the School District No. 64 office in Ganges, or from Wilfred Peck, Secretary-Treasurer, P. O. Box 128, Ganges.

DENVER GILLEN: ARTIST

He brings Mexico to north

Denver Gillen was here. The name of Gillen is a name to conjure with in the world of art, particularly in the artistic circles of Mexico.

Vancouver-born son of a deep-sea captain, Denver Gillen has lived and worked for many years in Mexico. His work depicts the Mexican scene and the Mexican people. To some extent the paintings of Denver Gillen interpret Mexican culture for the benefit of North Americans. The land, the mountains, the people and the primitive rural life as well as the busy cities have all come under the scrutiny of the Mexican-domiciled artist.

While he was on Salt Spring Island he was visiting his brother, L. J. Gillen, of Ganges, after many years.

The artist grew up in Vancouver, to study art under Frederick Varley, of the Group of Seven. Later he worked un-

der Joseph Albers at the Black Mountain College in North Carolina.

He was visiting California in connection with his work and came north to meet his brother. He shivered through several days on Salt Spring Island and has now returned to a land of warmth and sunshine.

NEW ANGLE ON CHICKENS FROM GANGES SHOW

Here's a new angle on chickens. The effect of chicken wire and open cages was striking to the photographer on May Day. Results of the livestock show are listed here.

Resurgence of interest in farming on Salt Spring Island was promised by the big response to the livestock exhibition in Ganges on May Day.

The livestock section was arranged and presented by Mike Byron. Judging the exhibits were George Heinekey, Jan Harkema and Fred Anderson.

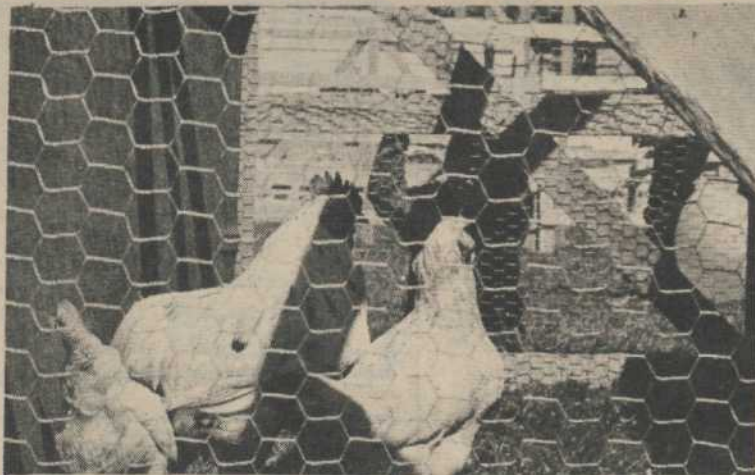

Following winners were listed:

DAIRY SECTION

Jersey cow, Francie Byron; cow and calf, Ian Byron; Jersey calf, under six months, Cathy Hele; Holstein calf, under six months, Jacquie Byron; Holstein-Simmental calf under six months, David Marsh.

BEEF CATTLE

Limousin-Hereford Bull,

Mike Byron; Angus cow, W. Murphy; Angus cow and calf, Peter Stepaniuk; Hereford-Holstein cow and calf, Ian Byron; Polled Hereford heifer, registered, Roy Lamont; Horned Hereford heifer, W. Murphy; Maine Anjou short-horn heifer, W. Murphy; High

land heifer, Gail Secor; Simmental-Holstein calf Lorne Hughes; Holstein Hereford calf, Heather Adthead; Angus Limousin calf, Dave Tara; Charolais Holstein calf, Jay Bordin; Limousin Red Angus calf, W. Murphy; Angus Holstein calf, K. Tara; Shorthorn cross calf, Marg Marsh; Holstein Hereford calf, Ceri Marsh; Angus Holstein calf, Robert Neish; Holstein-Simmental calf, David Marsh; Angus Holstein calf, Francie Byron.

GOATS

Saanen goat and kid, Mary-Lou Stack; Toggenburg goat and kid, Bly Kaye; Toggenburg goat, Pam Easen.

HOGS

Boar, Hampshire, Mark Lowe.

POULTRY

Light Sussex cock and two hens, D. McFadyen; Barred Rock trio, A. Althouse; Rhode Island Red trio, Randy Howard; White Rock cross trio, Nad-aene Byron.

Grand Champion in the beef section was Roger Hughes' Simmental-Holstein calf, shown by Lorne Hughes.

STOREKEEPER IS ARMED TO GUARD STORE

Armed storekeeper stood guard over Fernwood Store on Sunday afternoon when a riot developed from the arrival of a group of teen-agers. Edge water Fortune docked at Fernwood with a load of 200 students from the mainland.

While the majority conducted themselves properly a small group caused a sharp disturbance. They urinated against the gas pumps and engaged in drinking about the car park area.

When they failed to obey Roy Cunningham's instructions, he armed himself to prevent the students from entering the store while Mrs. Cunningham called the police.

Unruly students were part of a graduating party from a school in the White Rock area. When the boat left, two girls were left behind on the island.

PRESIDENT OF LEGION LADIES

Mrs. Zig Emerslund was installed as president of the Ladies Auxiliary to the Salt Spring Island Branch of the Royal Canadian Legion on Monday evening, June 3.

The installation was a joint project, shared with the Legion branch. Officiating was Zone representative Mrs. May.

Other members of the new executive who were installed in office on Monday are Mrs. Ruth Archer, vice-president; Mrs. Marilyn Ryles, secretary; Mrs. Vicki Griffin, treasurer; Mrs. Sylvia Chew, Sergeant-at-Arms; directors, Mrs. Roma Sturdy, Mrs. Irene Atkins and Mrs. Libby Marcotte.

SHARP PROMISES "TO CONSIDER" ISLAND VIEWS

Several weeks ago a letter was published from George Pearson, of Pender Island addressed to Secretary of State for External Affairs Mitchell Sharp.

Mr. Pearson has passed on the reply he received from the minister.

Thank you for your letter of March 21 in which you express-

ed your opposition to the recommendations of the International Point Roberts Board insofar as they affect the Gulf Islands.

As you know, the proposal

that a recreation and conservation area be established comprising parts of the Gulf Islands and Point Roberts as part of the headquarters area, is contained in a report of the International

Point Roberts Board to the International Joint Commission. This Board was established by the I. J. C. by the Governments of Canada and of the United States with a view to seeking solutions to the problems facing the residents of Point Roberts.

It is important to recognize that the recommendations contained in the Board's report are not recommendations to the Governments of Canada and the United States but rather are recommendations to the I. J. C. itself. The I. J. C. is continuing its examination of the whole question and you will be interested to know that the Commission has decided the problem requires further study before it can issue its own report and recommendations to the Governments of Canada and the U. S. In pursuing this additional study, and indeed in the preparation of its own report to governments, I have no doubt that the Commission will take carefully into consideration the attitudes of the residents of the area. It may be some time before a final report is received by the Government of Canada.

When the I. J. C. does forward its report and recommendations to the two governments the Government of Canada will, of course, give very careful study to any proposals which the I. J. C. makes. For the present, I can assure you that no fixed position has been adopted by the Government of Canada with respect to any of the ideas now under discussion within the Point Roberts Board or the I. J. C. Indeed in determining our position with respect to any proposals eventually received from the I. J. C. we also will give full consideration to the views and interests of the residents of the area.

Thank you for bringing your views to my attention.

Number of readers have received similar letters.

MARINE SAFETY ORGANIZATION

POWER SQUADRON IS FORMED ON SALT SPRING

Power squadron on Salt Spring Island is headed by Commodore Jack Potheary.

The new boating club was formally chartered on Friday evening at a dinner in the Legion Hall in Ganges.

Chief Commodore of Canadian Power Squadrons took part in the formalities. He is Jack Simpson, of Ardmore in North Saanich. He is also the first Pacific coast man to serve in that office.

Power squadrons are established in the interests of safety afloat. The first and demanding purpose is to teach safety, the new unit was told.

New members are required to undertake a course of instruction in small boat handling and other matters related to safety afloat. Until they have passed the course with a minimum mark of 80% they are not eligible for membership.

Island commodore emphasized this aspect.

"Our prime responsibility is to teach safety," commented Potheary.

The squadron now has the nucleus and it is hoped to continue the work, he added.

The first course presented by the new squadron enjoyed the lowest failure figure of any in the district, said District Commodore Tom Dalziel and the training officer, Lieut.-Cmdr. Peter Bingham "is to be congratulated".

The power squadron has one basic aim, to teach boating safety, he reiterated.

"If we can save one life a year, we have served our function."

The range of instruction offered by the power squadron covers seamanship, advanced piloting, weather, navigation, sailing and electronics, among other matters relating to boat safety and skill.

Charter members of the local squadron are Commodore, Jack Potheary; Ken Arno; Peter Bingham, Jim Bryce,

And it's not just the men who shine when it comes to safe handling of small boats. See them!

Al Clark, Harold Helm, Jim Holder, Bill Hood, Alf Howell, Phil Knowles, Dick Toynbee, John Watson.

The officers are, besides the commodore, Executive Officer, Bill Hood; secretary-treasurer, Harold Helm and training officer, Peter Bingham.

During the operation of a power squadron merit marks are awarded each year at the discretion of the commodore to members whose contribution is notable, explained Commodore Dalziel.

Lawrie Neish spoke on behalf of the class graduating this spring.

New graduates include Paul Beauchemin, Arthur Black, Gordon and Beverley Cartwright, Donald Clarkon, Virginia Hood, Peter Hughes,

Charles Morice, Aileen and Lawrie Neish, Leslie and Susan Ramsey, I. C. and Mary Shank, David Smith, Harold Smith, Douglas Thomas, Judith Hughes and George White. Last-named passed the course,

but has not joined the power squadron.

The courses in boating safety are offered to any person who wants the training whether or not they wish to become part of the organization.

WHAT IS VALUE OF COURSE?

Vocational courses were under fire at last week's meeting of Gulf Islands School Board.

"What value are vocational courses when the student leaves school?" asked Dr. E. R. Dixon.

"They're not worth a damn," replied Chairman Charles Baltzer.

The course is not teaching a

trade, cautioned Nonie Guthrie - it is merely exposing the student to the conditions of the trade.

The equipment is too expensive to learn a trade, explained the chairman. The equipment in schools is far beyond any found in industry.

The province is short of plumbers, electricians and tradesmen of all kinds, said Dr. Dixon.

"We should be making sure

the courses we are teaching are relevant to the world outside."

He has long considered the educational system a waste of money, he concluded and he is now getting more convinced of it.

Superintendent Cam Stewart pointed out that the vocational courses are not intended to produce tradesmen. There are advanced vocational schools and courses available after a student leaves the public schools.

WINNERS LISTED

AWARDS ARE MADE AT GRADUATION

Fifteen graduates received scholarships and bursaries at the recent graduation ceremonies at Gulf Islands Secondary School.

Presentations were made before the address by the guest speaker, Mrs. Florence Hepburn. The speaker was chosen by the graduating class. Mrs. Hepburn has taken part in every graduation ceremony at the school. This was her first attendance as a retired member of the teaching staff.

Linda Pallot was valedictorian.

Receiving awards were Steven Anderson, Rotary scholarship; Linda Stacey, BCTF Scholarship; Marianna Shelby, Farmers' Institute scholarship;

Roberta Malcolmson and Paddy Taylor, Royal Canadian Legion bursaries; David Fraser, Royal Canadian Legion scholarship; Perry Booth, business education scholarship; Susan Hoyle and Janet Rothwell, Lady Minto Hospital Auxiliary scholarships; Anne Hazenboom, WAC Bennett scholarship; Pamela Lengyel, Jane Mouat scholarship; Linda Pallot, Gilbert Mouat scholarship. Scott Stepaniuk and Bruce Lott shared the Richard Toynbee scholarship and Jeanette Cawker won the citizenship shield.

Melba Scotton said farewell to the graduates and David Fraser gave the salute from the graduates.

Graduating were Barbara Bacon, Dan Bergerud, Barbara

Blundell, Perry Booth, Clive Coels, David Fraser, Janet Hartwig, Susan Hoyle, Leslie Javorski, Pamela Lengyel, Christy Lowe, Richard McConnell, Roberta Malcolmson, Mary Marcotte, Margaret Ramsey, Robin Roper, Toby Seward, Marianna Shelby, Robyn Smith, Miles Stacey, Paddy Taylor, Steven Anderson, Gordon Bachan, Bruce Beveridge, Jeff Buitenwerf, Jeannette Cawker, Bernice Foulis, Bruce Grimmer Colleen Haarbrucker, Anne Hazenboom, Ted Hull, Bruce Lott, Jay McManus, Suzette Menzies, Linda Pallot, Jim Pringle, Michael Roberts, Catherine Roland, Laura Sargent, Joanne Scotton, Scott Stepaniuk, Linda Stacey, David Trenholm and Robbie Wood.

FORECAST OF PUPILS

Board of trustees of Gulf Islands School District is keeping close tabs on the Outer Islands school population figures. In a report prepared by Secretary-Treasurer W. J. Peck and submitted by Trustee Nonie Guthrie last week, the board was reminded that department of education guidelines are of less value to the Outer Islands, where school populations cannot be juggled between schools.

Galiano and Saturna Islands have no problems in the foreseeable future, barring sudden immigration or a soaring birth rate, said the report.

Department of education is encouraging reduction of class sizes, but in estimating future needs bases its calculations on a classroom size of 36 pupils, board was told.

Rumors of impending increases in movement to Mayne Island could shake the present position of adequacy. A further caution was offered, in a suggestion that if school populations proved to come from itinerant families the construction of new facilities might be unnecessary.

Trustee Pearl Brau was quick to refute the suggestion. All families coming in so far have been permanent residents, she stated.

New classroom at Mayne could provide additional needed facilities, storage, washrooms and administrative area.

Addition of a new classroom at Pender should be adequate for all foreseeable needs.

(Turn to Page 15)

CHAMBER HEARS CLAIR McALLISTER

Annual dinner of the Galiano Island Chamber of Commerce was held in Galiano Hall on Saturday, June 15, with 190 people sitting down at the banquet tables.

Friends and members were welcomed by president John Liver and Mrs. Liver. Mr. Liver thanked Mrs. Betty Steward for convening the dinner plans, and also Miss Mary Day, who prepared the excellent meal.

Ron Thompson then presented a notice of motion to be brought before the council, to ensure that there is a member from North Galiano either elected to council, or appointed by council if no one is elected at the annual meeting.

Hall Tingley then introduced guest speaker, Mrs. Clare McAllister.

"She is the most amazing person," he said, "a native daughter of B. C. born in Nelson, and working for so many years with senior citizens."

Mrs. McAllister received her B.A. and M.S.A. from the University of B. C. She worked for 12 years at Shaughnessy Hospital with the D. V. A then went to Ottawa for a short while.

She bought her home in the Valley six years ago, and retired to live full time on the island four years ago. She is now a trustee of the Gulf Islands School District.

Mrs. McAllister spoke on housing in general. She is not surprised, she said, to hear that the Chamber of Commerce is beginning to set up housing for senior citizens. She reminded the gathering that in the Galiano Plan there is space for low-cost housing.

She says that the shape of a house has a marked effect on our lives.

Galiano people do not have any type of home care as such, or "meals-on-wheels", and are not likely to have, so,

even though there is a wonderful rapport with neighbors who look after each other, and who see that those who don't feel well get some care, there are some who can no longer look after a big house and tend a

garden.

She is hoping for some more aggressive consultation with this government in the line of low-cost housing. She spoke of the many long and tedious hours that are required to set up low-cost, or housing for senior citizens, and the many volunteers that will be required to do all of this most useful work. As the beginning steps have already been taken, she wished the effort success.

Mr. Liver thanked Mrs. McAllister

On & Off The Island

The Salt Spring Singers have closed off their meetings for the season with a friendly reception held at the home of Mrs. Ruth Barker in honour of Mrs. Doris Andrews who is leaving Salt Spring Island.

Mr. and Mrs. A. Gunhouse were recent guests at the home of Mrs. Ruth Parker. Mr. and Mrs. Gunhouse are visiting from Greenfield Park, Quebec.

A birthday dinner party was given recently in honour of Mrs. Milly Bradley and her twin sister, Mrs. Olive Hansen, of Calgary, Alberta, at the home of Mr. and Mrs. Steve La Fortune. Guests were Mrs. Shirley Reinke and Mrs. Margaret Bradley of Vanderhoof; Mrs. Jean Gibbs, of Seattle; Mr. and Mrs. Gordon Stevenson, of Ontario, Miss Doris Moore and Mrs. Clara Nesbitt, of Vancouver, and Mr. and Mrs. Wayne Bradley of Parksville.

Dick and Corry Noorthoek of Rotterdam have returned home after visiting Mrs. Nellie Schwagly of Ganges.

Mr. and Mrs. Roy Bentley of Toronto visited Mr. and Mrs. George Bryer of Ganges. Mrs. Bentley is Mrs. Bryer's sister.

Mr. and Mrs. M. Burke of Regina, Saskatchewan, and Mr. and Mrs. E. Moulton of Calgary, Alberta, were recent guests during the week for two days at the home of Mr. and Mrs. S. Hopkins on Old Divide Road.

Mr. and Mrs. M. Nakagawa of Paia, Maui, were the recent guests at the home of Mr. and Mrs. Dick Toynbee.

Manson Toynbee has returned from Saba, in the Netherlands Antilles to visit his relatives on Salt Spring. He is staying with his mother, Mrs. Jessie Toynbee on Churchill Road.

CHARGE WITHDRAWN

Charge of impaired driving against Alfred Crocker, Galiano, has been withdrawn.

The action was taken in Provincial Court on Wednesday last week before Judge D. G. Ashby.

RESCUE BREATHING (MOUTH-TO-MOUTH)

THE CANADIAN RED CROSS SOCIETY

Start immediately: The sooner you start, the greater the chance of success.

 <p style="font-size: small;">Open airway by lifting neck with one hand and tilting the head back with the other hand.</p>	 <p style="font-size: small;">Pinch nostrils to prevent air leakage. Maintain open airway by keeping the neck elevated.</p>	 <p style="font-size: small;">Seal your mouth tightly around the victim's mouth and blow in. The victim's chest should rise.</p>	 <p style="font-size: small;">Remove mouth. Release nostrils. Listen for air escaping from lungs. Watch for chest to fall.</p>
---	--	---	--

REPEAT LAST THREE STEPS TWELVE TO FIFTEEN TIMES PER MINUTE. IF AIR PASSAGES ARE NOT OPEN: Check neck and head positions, CLEAR mouth and throat of foreign substances. For infants and children, cover entire mouth and nose with your mouth. Use small puffs of air about 20 times per minute. USE RESCUE BREATHING when persons have stopped breathing as a result of: DROWNING, CHOKING, ELECTRIC SHOCK, HEART ATTACK, SUFFOCATION and GAS POISONING. *Don't give up. Send someone for a doctor. Continue until medical help arrives or breathing is restored.*

CUT OUT HERE

ESTIMATES MADE OF FUTURE SCHOOL SIZES

(From Page Thirteen)
 Population at Galliano has risen from 34 in 1967 to 44 projected for September. School is adequate for 60 students, with a maximum capacity of 72 according to department of education assessment. Saturna has the same capacity by the provincial yard

stick. It catered to 25 students in 1967 and in September will have 27. Graph at Saturna is the only one to show a fall in attendance during those seven years. In 1961 the population had dropped to 16 and in 1973 there were only 11 students enrolled. At Mayne the provincial

yard stick allows for an enrolment of 25, rising to a maximum capacity of 36. In 1967 the enrolment was 15. In September it is expected to stand at 46. Pender Island School has the same registered capacity. The attendance in 1967 was 20 students and the September forecast is for 58 students.
