Serving the islands that make Beautiful British Columbia Beautiful

Fifteenth Year, No. 43

GANGES, British Columbia

Wednesday, November 6, 1974

\$5.00 per year in Canada, 15¢ copy

MONDAY IS REMEMBRANCE DAY

Monday is November 11. It is Remembrance Day. It is a holiday.

To mark the end of the wars of this century in which so many Canadians and their allies lost their lives, ceremonies will be held on most islands on Monday morning.

In token of the fact that the First World War ended at 11 am on the 11th day of the 11th month, most services are arranged in time to stand silent for two minutes at eleven o'clock.

On Salt Spring Island the services will be held in Centennial Park at Ganges where stands the Cenotaph.

Veterans will march from the Legion Hall in Ganges at shortly after 10.30 am. The parade will form at that time. Persons wishing to take part in the parade but who cannot march or do not wish to march may join the assembly either outside Ron Lee's Shell Station or at the park.

All participants, veterans, other citizens, community organizations and youth groups will take part in the service and in laying wreaths at the Cenotaph.

The community participation applies to all island ceremonies.

At Ganges the parade will be followed by a luncheon in the Legion Hall for veterans of all wars.

BOWEN OUT—PENDER AND SALT SPRING IN

TWO FERRIES SERVING FULFORD

BY FRANK RICHARDS
Two ferries are serving Salt

Spring Island from Swartz Bay. When the Bowen Queen was

taken off the run last week, B. C. Ferries promptly brought into use both the Pender Queen and the Salt Spring Queen. While coping with the traffic, the two ferries are both odd-ball vessels.

The Pender Queen is restricted to a gross vehicle load of six tons and the Salt Spring Queen is limited to two-thirds of her original rated capacity.

Traffic to Salt Spring Island from Vancouver Island is facing greater restrictions than any ever imposed in the past.

Linking Salt Spring Island and Vancouver Island are one ferry restricted to a gross vehicle weight of six tons and another ferry limited to a total load of 60 tons. Both are now operating between Fulford and Swartz Bay.

In addition, there are two wharves linking Salt Spring with the outside and both have reached a state where an additional load of four tons is dangerous. When the department of highways was asked to consider easing the maximum load limit on Crofton and Vesuvius wharves to 24 tons, Salt Spring Island Chamber of Commerce was told that the four-ton change was not feasible. Both wharves were regularly carrying loads of up to 45 tons earlier this year.

The Bowen Queen, which has been on the Fulford run since February, was taken off on Wednesday in response to a request from residents of Bowen Island. The more northerly island refused to accept the services of the Pender Queen while the regular Bowen ferry, the Howe Sound Queen was undergoing her annual refit.

When Bowen Islanders refused the old ferry, Salt Spring Island had to use it.

Salt Spring Island Chamber of Commerce was particularly indignant on Wednesday that the change demanded by residents of Bowen Island was made without warning.

There was no end in sight
(Turn To Page Sixteen)

CLEANING UP AT GANGES WHARF AFTER HALLOWE'EN FIRE

Even Ian Brown helped with the pitchfork after the Ganges wharf fire last week. It may be the only time he is depicted working, he suggested.

Fire on Ganges Wharf

Fire broke out on Ganges wharf late on Hallowe'en evening when the federal govern-

ment building housing Mouat's storage, Recycling Depot and Stacey Charter Service was damaged.

Fire burned out the interior of the north end of the building and damaged the recycling section. Bales of insulation stacked in the building were burned and destroyed.

During the early hours of the morning the flames broke out again in the insulation bales and firemen were called out for several hours to pull the material out and to damp it down.

Firemen attributed the fire to a faulty wiring, although at least one user challenged the conclusion.

Mike Stacey, of the charter boat service, was convinced that a firecracker had been thrown into the recycling section and had ignited the papers.

Equipment and office were extensively damaged at the charter company's office.

On Friday morning the staff at Mouat's was tossing debris into trucks to be hauled away. Final effort of clearing out the recycling shed was made on Saturday.

ELECTION MEETING THURSDAY

Candidates will speak in Ganges on Thursday evening, Nov. 7. Meeting will open in the Elementary School Activity Centre at 7.30 p.m. School candidates will speak for an hour and Islands Trust candidates will then take over.

Meeting is sponsored, jointly, by the Salt Spring Island Chamber of Commerce and the Gulf Islands School District.

DARK PARKS AND BRIGHT LIGHTS

Vandalism in Centennial Park might be effectively reduced by the installation of security lights. Proposal has been made by Tom Harcus, of Ganges.

Security lights illuminating the small park at night would warn vandals off, he suggested.

SMALL FIRE

Small bush fire on Furness Road, Fulford took the trucks out from both Fulford and Ganges fire halls, on Friday afternoon.

Salt Spring Island Fire Department had the fire out in short order.

CALLS FOR 30 LIMIT

Prominent Salt Spring Islander has called for a speed limit of 30 on Salt Spring Island.

Paul Layard, president of the Royal Canadian Legion and chairman of the Lady Minto Hospital Board told a small meeting last week that, with the exception of about two roads, Salt Spring Island is not

suitable to high speed traffic.

Where any improvements are made to the island roads, traffic speed immediately goes up, he complained.

Speed limits are not set on the island. They are established by a specialist in Victoria, Layard was told. He has his own office and rarely sees the roads to which the limits apply.

The 30 mph limit should be strictly enforced, he added.

Limits are not enforced at the present time, suggested a critic.

When the radar vehicle came to Salt Spring Island, only one driver was caught, the meeting was informed. As a result, the equipment is kept to communities where the incidence is higher.

Meeting names eight

— RESOURCES

Eight were named to the new local committee of the Human Resources Branch last week, at Ganges.

Committee will serve as an island liaison group with the provincial government department and in direct line with the regional committee.

It will correlate the needs of the island and the social services available.

Elected were Dr. Ron Puhky Marg Simons, Michael Hogar Annabelle Savage, Hank Schubart, Jacques Goldman, Geoffrey Martin and Susan Mouat.

POLICY FORCES SUBDIVISION

Provincial government is forcing island property into subdivision, according to Salt Spring Island Regional Director George Heinekey.

At Saturday's Presidents' Breakfast the regional director recalled two cases where landowners have subdivided their land as a result of the increase in taxation of vacant property.

A man with rather more than 100 acres had no inten-

tion of disposing of his land, explained the island spokesman on the Capital Regional District.

His taxes rose from \$135 a year to a figure between \$500 and \$700 a month.

The owner offered the property to the province with the proviso that he could live in his home tax-free until his demise. The province rejected the offer.

He invited the Capital Regional District to buy the land for park purposes. The board declined.

The land is now being sold in 10-acre lots.

Another holding of slightly less than 100 acres is coming on the market in 10-acre lots for the same reason, stated Heinekey. The owner cannot meet his taxes.

Deadline set back next week

This issue of Driftwood is being printed in a strange shop. On Tuesday the central printing shop in Victoria broke down and left a number of weekly newspapers homeless.

The Comox Free Press came to the rescue and undertook to print this issue on Wednesday afternoon.

The problems of printing are still plaguing the press and next week's issue may have to go to press early.

Advertising and news material which is not in the Driftwood office by Saturday morning may not be included in next week's paper, which will report on the approaching November 16 elections.

Charles Longeuy for Islands Trust

I can offer years of experience of dealing with business people and government offices.

GOLF & COUNTRY CLUB CLUBHOUSE NOTES

BY PAT DOHERTY

Well, the course is starting to get green again, what with the early morning dews and the occasional rain. It just goes to prove what a beautiful nine-hole layout we could have if we only had water on the fairways. So it is goodbye to the 300-yard drives, but at least around the greens you have a chance of finishing off where you wanted to be.

Now that the No. 1 competitions have resumed they seem to be zipping through at amazing speed, and again we would advise anyone who has their name on the challenge board to keep their eyes peeled, otherwise you will be holding 'her people up.

Last week Ruby McConnell and Buzz Brown took over the mixed No. 1 title from Irene Hawksworth and Gordon Hutton on a default, then as the new champions they took on Joy Tuckey and Malcolm Robertson, and just demolished them. Mind you I am not surprised, only two days before Buzz stated that he could not possibly be a 14 handicap and worked it out for himself until he got it up to a 16 handicap. So now what does he do? He goes out with Ruby to play Joy and Malcolm and he shoots 38 - 40 Beautiful! With his handicap that gives him a net 62. Apart from Buzz winning the No. 1 title Tom Butt just lost his Sandbagger of The Month

In the men's No. 1 title Pat Harrison and Ralph Alpen successfully defended their title against Buzz Brown and Tom Butt.

The Scottish International Team finally came out of hibernation (we know that most sensible animals normally hibernate in the winter) and after the usual trap was set, with a bowl of whisky and a glass of porridge outside their cave, they were picked up in the net and taken to the course.

Before anyone writes to the editor, (assuming anyone ever reads this column) claiming a misprint, you must remember that they are not too fussy

about porridge, and a bowl holds a lot more whisky than a glass does.

Anyway after all that unnecessary explanation it must be pointed out that the Canadian team of Al Whorley and Jack Fraser convinced them that their journey was not really necessary. So after digging deep into their sporrans to pay off the Canadian team they retired to their cave to await the final game of their schedule against the Hawaiian team of Charlie Forsythe and Bobby Atkins.

After the final game of the season, the treasurer of the Scottish team is going to take off for points south of the border, and we wish him and his good lady good weather, safe driving and a safe return.

It is that time of the year again when some of our members take off for greener pastures, to play on those lush southern courses; we wish them all the same wish that we offer Malcolm, safe driving, happy holidays, and safe return. Jealousy gets you nowhere!

SCHOOL TRUSTEE

School trustee, Sheila Fraser will seek a third term in office when her name will be presented to Salt Spring Island voters on November 16.

Don't forget the Wine and Cheese Party sponsored by the ladies' section which takes place on November 30. This will be followed by a Klondyke Night, and Bill Trelford will be in charge of the games. Please make your reservations early in order to avoid disappointment.

NO MORE ISLAND PARKS

Islanders are not happy with parks.

George Heinekey told a Ganges meeting on Saturday that the islands are the last component of the Capital Regional District not paying the tax levy towards the purchase of park property. As a result of the islands' abstinence from park levy, the regional district does not acquire property here for regional park purposes

Heinekey explained that he had invited Salt Spring Islanders to express an opinion. About 60% of those he asked have expressed strong opposition to buying more parks on Salt Spring Island. "I couldn't recommend to the board that we be included in that levy," he said.

to be frank

By Richards

They are asking for a 46% increase, commented a voice from the gathering. "I'm all for it," agreed Johnny Christanson, "increase the 46% and fire the other 54!"

Two travelling gentlemen entered the toilets provided at the Swartz Bay ferry terminal. Both headed towards the urinals. At that moment the public address system swung into operation. "Number one and Number two, together," barked out the imperious voice of command. One traveller looked at the other incredulously. "You mean that Davie Barrett has taken over in here as well!" he gasped.

Television brings into every home a hodge-podge of reality and fantasy. How many viewers ever pause to separate the two? One moment a private detective in an American city is being beaten near to death and the next moment a man has been beaten to death. We are revolted in a delicious froth of emotion at the sight of the fictional beating and we accept without thought the reality. CBC news showed calves and cattle being butchered in Quebec. Viewers saw the butchery without great concern. The screen swung to Bangladesh, where children lay dead and dying from starvation. There were more bones to be seen than people. Any slight impact of the scene was lost as the screen flashed to a group of well-fed children in party dresses calling for more pudding and a fat-faced cherub drooling over fried chicken. You pay your penny; you take your choice.

On Monday I received a note

from Hugh Curtis. He explained he had mailed a letter on the previous Friday in Victoria. The letter was mailed in Victoria on Sunday. On Wednesday I got his first letter. One took 24 hours to travel from Victoria to Ganges. The other took five days.

I am as concerned about inflation as anybody and I'll prove it. As soon as I've finished negotiating this pay increase of 43% I'm going to give some real thought to fighting inflation.

You can tell a slothful wife. Her husband is skilful at cooking breakfast. Me? I'm a whizz with the bacon and eggs!

There is no truth to the rumour that Mike Byron was to be the next NDP candidate from the islands.

How do you say to anybody, don't miss Jacques Brel is Alive and Well? Everyone who has seen this show tells the same tale. You must see it, they say. What is it, you ask. Well, it's a...well, it's not a... but it's something you should see for yourself. And that's the score. It's not a play; it's not a revue, it's not a musical, it's Jacques Brel and don't miss it! Incidentally, it's on Friday and Saturday.

Coincidence? It must be. On Salt Spring Island Chuck Longueay is running for the Islands Trust. He is one of five candidates on the island. Once upon a time Chuck was employed by the Prudential Insurance Company of America. At Pender a candidate for the Islands Trust is Gordon Wallace

WINNERS NAMED

Winners of the recent Thrift Shop raffle at Ganges are: velvet quilt, Mrs. E. R. Hughes, Victoria; baby shawl, Mrs. Heather, Vancouver.

Gordon is engaged in the insurance business and his company is the Prudential Assurance Company of England. There is no link between the two companies, reports Chuck. They just share the same name

There oughta be a law! There was one. CBC program This is The Law showed the arrest of an unfortunate clergyman who was in his night attire. He was contravening a fine old ecclesiastical law which required that nothing but a black, unfrilled night cap could be worn to bed. This law obtained from the 17th century until 1964. Winning \$25 for citing the law was Archdeacon Ray Horsefield of Sidney and former Salt Spring Island minister.

Never attended a Chamber of Commerce meeting like it! The evening started off with a tray of hors d'oeuvres while we talked. Then we were served with a drink to stimulate the conversation. Dave Hill invited the Chamber to meet in the Crest, but after 30 years of Chamber meetings it was something different.

RECREATION REFERENDUM

On Salt Spring Island the principle of allocating a small tax levy towards recreation has long been accepted. Several years ago the voters of the island approved a small levy to meet the costs of maintaining junior sports and senior activities. It was augmented later to enable the Recreation Commission to extend its field of operation and to assist in park maintenance. The specific park at that time was the Centennial Park in Ganges.

This year the Commission has been inundated with pleas for help and a new appeal has been directed to voters to support an increased levy.

The additional funds will be devoted to the maintenance of Drummond Park and Peter Arnell Park as well as the Centennial Park. In addition, the Commission is looking to the engagement of a director of recreation for the island to correlate activities, particularly in the summer months.

This has been done in the past with great success.

The Recreation Commission and its function are unique in the community. The range of recreation reaches across the entire community, serving everyone from infant to pensioner. Organized sports, sports facilities, recreational activities; children's games or pensioners' projects, all come within the scope of the Recreation Commission and all are helped by the funds raised from a very small tax levy.

Furthermore, the Recreation Commission is so established that if any member of the community feels he is entitled to a better break, he may attend the annual meeting and express his views to the extent of electing those who share his criticisms. There are few forms of taxation where the voter gets closer to the decision as to how his tax money should be spent.

There is only one beneficiary of the Recreation Commission's projects and that is the community.

The Commission has earned the support of the island in its plea for additional funds and all Salt Spring Islanders who are in touch with the community's needs will support the referendum at the polls next week.

Letters to the Editor

NEED NEW VOICE

Sir, The Mayne Island Ratepayers Association's special meeting on November 2, was held to determine a vote on barring renters of the community from the rights to voice and vote at community meetings. The amendment was posted and, unfortunately, the politics involved were rather shady and the legality of the vote is under question.

The consequences of this mess, as I see it, has now put Mayne Island in a state of limbo. At the moment we no longer have an organization which truly represents the people. M.I.R.A., for reasons unknown, has decided to terminate itself as the community's voice. They have decided to make M.I.R.A. a private club. That's fine, if that's what they want, but it's a selfish

move and has left Mayne Island in a very difficult position.

We have trustee elections shortly and how are the trustees from Mayne Island going to operate effectively in Mayne Island's best interests if there is no community voice to draw their information from?

Their job is going to be hard enough as it is and we should be trying to help them, not hinder them.

A new organization must be formed as soon as possible, one which will carry the true voice of the people on Mayne Island. It is imperative that we operate quickly, for I hate to think of the further consequences we will be faced with if we allow this state of limbo to continue.

Terry Crossie,
Horton Bay Road,
Mayne Island, Nov. 3, 1974.

NEW SOFTBALL DIAMOND AT GULF ISLANDS SECONDARY SCHOOL

Construction of the diamond at the school grounds in Ganges was undertaken by the Salt Spring Island Recreation Commission. It involved both financial aid and the sponsorship of work parties.

MAINLAND BOATERS GO TOO FAR!

Boat owners in Vancouver and other mainland communities are tying up their boats at island wharves at the expense of island users, charges a Salt Spring islander.

C. G. Matthews, of Ganges Hill told delegates to the Presidents' Breakfast at Ganges Crest on Saturday that the facilities at Ganges are lacking and that existent facilities

are gradually being taken over by residents of distant communities.

"I keep my boat in the water all year around," Matthews told the small meeting. "They are tied up three and four abreast there now."

When the question was taken up with the ministry of transport, during the time of his service with the Salt Spring Island Chamber of Commerce, the ministry had said that there was not enough traffic to warrant additional facilities.

"They should either reserve the wharves for local boats or build more wharves," he stated. "But outsiders should not be allowed to tie up here in the absence of the boat owner."

NEW FACES AMONG POTTERS

Bas and Jill Cobanli are new faces among Salt Spring Island Potters this year. Ware from their kiln will be among the offerings in the joint show-sale that local potters and weavers are staging at Mahon Hall, Saturday, Nov. 9 and Sunday, Nov. 10, from 10 am to 4 pm.

DON'T WAKE UP ELDERLY PLEASE!

Complaint was sounded after Hallowe'en in Ganges. Trick and treaters were out too late.

A Ganges resident points out that the Pioneer Village is occupied by people mainly in their senior years. Many are in the habit of retiring early.

On Thursday evening trick and treating went until after 10 pm. As a result the majority of Village residents were called out of bed constantly to answer their doors.

The complaint mentioned a truck which stopped at the village at 10 pm and disgorged nine children to tour the homes.

Residents are urged in future years to show a little courtesy to the aged, he wrote. "Surely the children could come at a decent hour?" she asked. "We wouldn't want to bar them from the village."

RCMP at Ganges are looking for a muscular thief. Detachment is investigating the theft of 1,000 feet of three-eighths steel cable.

The heavy length of cable has disappeared from Muggrave Landing. It is valued at about \$500.

DRAMA FESTIVAL AT GANGES

Biggest thing in drama to hit the islands will take place next spring when the B. C. Drama Association Zone Festival is staged at Ganges. Previously always seen at Victoria or Duncan, the contest will come to Salt Spring Island on March 28, 29 and 30. There will be three one-act plays presented each evening. Contestants will be from all over the area and winners will go to the provincial finals.

NOTABLE PAINTER DIES IN MEXICO

Notable international painter has died in Mexico.

Denver L. Gillen died suddenly in Taxco, Mexico, recently, where he made his home.

The painter was on Salt Spring Island a few months ago visiting his brother, I. J. Gillen, of Valhalla Road.

BREAKFAST MEETS WITH APPROVAL

Salt Spring Island Presidents' breakfast was revived on Saturday, when 13 delegates attended on behalf of some 16 organizations.

Breakfast was staged in the small dining room at the Crest and attendance nearly overflowed.

Delegates agreed that the breakfast meeting had proved its worth and asked for another breakfast meeting for the first Saturday in December.

BAZAAR AT GALIANO ON NOVEMBER 24

Galiano Ladies Service Club is holding its bazaar on November 24.

Conveners this year are Thelma Mathias and Mrs. Marchand. They have been very busy and have a recycled goods stall with many interesting items, such as rag rugs and paper logs. A number of ladies are planning to attend from Mayne Island.

HE'S ALIVE AND WELL

Belgian born Jacques Brel was the first of the protesters. He looked at war and found it revolting. He writes songs about it.

He looked at life and found it puzzling. And he composed songs about it.

In every city across the world his songs and poetry were taken up. When Jacques Brel is Alive and Well and Living in Paris was performed in Vancouver it ran for weeks. When it was presented in New York it ran for three and a half years.

On Friday and Saturday it will come to Salt Spring Island. Jacques Brel will be alive and

well and living in Ganges. He will be living at the Activity Centre of Salt Spring elementary school.

Bringing the program to the island will be the Western Canada Theatre. Director is Tom Kerr, who has offered theatre workshops in Ganges, even though denied the opportunity of presenting a workshop when he got snowed in on the mainland. Mr. Kerr was named best producer in Canada when he took a play to the Dominion festival in Charlottetown in 1964. The group that made its name in 1964 is virtually the same group which will visit the island. In the meantime it has played in London's West End, Edinburgh and elsewhere.

The present offering is slightly modified by the company bringing it here. Instead of four players, it consists of a cast of five and instead of the staccato effect of music hall program it is tied together to form a continuity.

The scene is simple. It is four French citizens meeting at a sidewalk cafe. The waiter is the new role created by this company.

Musical director is Rick Fox and the cast are Barry Van Elen, Joan Henderson, Pam Schwartz, Ken Irwin and Ray Wallis.

The presentation has enjoyed a government grant to tour the province and the Ganges appearance is the final show of a four-week tour.

FEBRUARY ELECTION FOR SEVEN

There will be seven seats to fill on the Salt Spring Island Recreation Commission at its annual meeting in February, reports Chairman Tom Marcus.

In addition to the regular six vacant seats, that of Bob Lawson has fallen vacant as a result of his leaving the island.

There is one proviso, offered by the chairman. Candidates for office must be prepared for work. It is a demanding job and there is no room for members who are not ready to pitch in, he warned.

CAPITAL REGIONAL DISTRICT BY-LAW NO. 188

A BY-LAW TO AMEND BY-LAW NO. 91, AS AMENDED BY BY-LAW NO. 120, THE "SALT SPRING ISLAND RECREATION SPECIFIED AREA ESTABLISHMENT BY-LAW, 1971"

WHEREAS By-law No. 91, provides for the establishment of a specified area for the purpose of providing recreational programmes, equipment and facilities to the Community of Salt Spring Island;

AND WHEREAS By-law No. 91, as amended by By-law No. 120, specified that the special levy shall not exceed one-half (1/2) of one mill on the assessment as fixed for taxation for school purposes for years subsequent to 1972;

AND WHEREAS the levy for recreational programmes should be increased to meet the current costs;

NOW THEREFORE the Board of the Capital Regional District in open meeting assembled, enacts as follows: -

1. By-law No. 91, as amended by By-law No. 120, be further amended by striking out the words and figures "1/2 of one mill" in the fifth line of the second section and substituting the words and figures "one (1) mill".
2. This by-law may be cited for all purposes as "Salt Spring Island Recreation Specified Area Establishment By-law No. 91, 1971, Amendment By-law No. 2, 1974".

READ A FIRST TIME THIS 9th day of October 1974

READ A SECOND TIME THIS 9th day of October 1974

READ A THIRD TIME THIS 9th day of October 1974

APPROVED BY THE INSPECTOR OF MUNICIPALITIES THIS 29th day of October 1974

Take notice that the above is a true copy of the proposed by-law upon which the vote of the electors of Salt Spring Island Electoral Area will be taken at:

School District No. 64 Board Office
 Lower Ganges Road,
 Central Community Hall
 Nan's Coffee Shop,
 Fulford Harbour

on the sixteenth (16th) day of November 1974 between the hours of eight o'clock in the forenoon and eight o'clock in the afternoon; and

the advanced poll will be taken at:

School District No. 64 Board office
 Lower Ganges Road,

on Wednesday the 13th, Thursday the 14th and Friday the 15th day of November, 1974, between the hours of eight-thirty o'clock in the forenoon and four-thirty o'clock in the afternoon, and that Dennis A. Young has been appointed Returning Officer for the purpose of taking and recording the vote of electors.

Dated at Victoria, B.C., this 29th day of October 1974.

J. N. Berikoff,
 Acting Secretary-Treasurer

FIREWORKS AND HOT DOGS IS ALL

Hallowe'en was fireworks and hot dogs, at two points on Salt Spring Island. And this was all. There were few complaints and damage was minimal.

Salt Spring Island Volunteer Fire Department staged the displays on Thursday evening. There was one at Fulford and one at Ganges.

The firemen distributed hot dogs to children under 12 and went through 700. There are probably 350 island children two hot dogs fatter for the firemen's efforts.

Biggest effort was at Ganges, where 500 hot dogs were served to accompany the display. In Fulford the children gobbled up 200.

Coffee was served to adults. The fireworks display was a break in the trick or treat trip which went on until late evening. Fire on Ganges wharf on Hallowe'en was blamed on faulty wiring, although a number of persons involved are still convinced that it was the result of stupidity by youthful firecracker throwers.

No other damage was reported.

Large numbers of eggs were thrown at buildings and at people and window soaping was less punctuated with obscenities than in past years.

Salt Spring Island Soccer

DIVISION 2

Salt Spring "Orange" Legion 1: Cowichan Invaders, 1.
It was "Orange Day" on the playing fields of Salt Spring on Sunday as the Islands' second division soccer team humbled the much older visiting Cowichan team in territorial play. That Salt Spring only managed to obtain one goal, in the tie, does not diminish the excellence of their effort nor the attractiveness of their style of play. Indeed, many more such exciting games and the future Central soccer grounds will need a grandstand for the crowds.

At the initial whistle Salt Spring played an aggressive attacking game carrying the ball into the opponents' end of the field and came close to scoring on many occasions. Beating the opposition to the ball both in the air and on the ground and also combining admirably from defence to attack, the team played as a formidable unit.

Unfortunately and much against the run of the play, the visitors snatched the lead on a break-away and very questionable goal in the first half. Remarkably, Salt Spring maintained their composure and dominance of the game.

In the second half Salt Spring continued to have the slight edge in play and more

of the scoring chances. After ten minutes into the half, a good combination by Salt Spring left Gary Hartwig in front of the opponent's goal with the ball. Objectivity prevailed and he slammed home the equalizer for Salt Spring.

It is difficult to mention any one outstanding Salt Spring player, with the possible exception of Alex McManus whose goalkeeping was very praiseworthy. Also, mention should be made of newcomer Chris Lake who contributed greatly towards the solid team effort. But on the whole, every player, whether he played for 80 minutes or only 15, contributed to the cause and should be happy with his effort.

Next Sunday the "Orange" will play the Ladysmith "Lemons" at the school grounds at 1:00 p.m., in the "punchbowl special" --- so come on out and see us win!

DIVISION 6

A home game was played Saturday against the Duncan Stenmarks, with the surprising but happy outcome of a 3-0 victory for the locals.

Starting out like gangbusters for the opening five minutes of the game, it looked very much as though Stenmarks would control the game, but after this warm-up, our eleven took over with two scores in the first half by Ross McFadyen and Brian Wheeldon.

The final half evened out some, with good plays by both teams and the final goal by Ian McKenzie.

Both clubs now have a game each.

DIVISION 8

Spurs, 4: Chemainus Sentinels, 0

A rousing first half - full of excitement, with several shots on goal, going over, round both sides, and if they could have gone under I think they would! However, we succeeded in putting two in the net, one of which was disallowed as the ball was not in play.

The Sentinels fought back, but were unable to keep up a sustained attack on our goal.

We had a good crowd of Division 8 boys come out for the game and were able to exchange seven of our first half team with fresh blood. With this revitalized team we got

MORE ROOM FOR CHURCH BAZAAR

BY OLIVE MOUAT

"The Feathered United Empire Loyalists" is a title that stirs the imagination; the Mission Study which is based upon the book of that name, and which is presented by Mrs. Harry Ashley, has done more.

It has provided one of the highlights at each meeting this year of the Mizpah Group of the United Church Women.

At the last meeting Mrs. Ashley told of an Iroquois sports event of 120 years ago, and especially about throwing the Indian snow snake. This was no child's play, although the children had their own version of it. The snow snake took two years and great skill to fashion. It was carved of well-seasoned hardwood and was about seven feet long with snake's head at one end and a finger-hold at the other. For each snow snake a track was prepared somewhat like a narrow toboggan slide. A well-made snake on a suitable track, expertly hurled, could glide nearly a mile.

Business dealt mainly with the bazaar, which this year will be held on Thursday, Nov. 21. One big change, an experiment, is the plan to have the home cooking table in the upstairs hall "where there will be room to lay things out properly," and to display novelties, knitting, sewing, and children's store in the downstairs hall. Tea will be downstairs also, "where there might even be room to move without spilling anything down some one's

neck."
The meeting was chaired by the President, Mrs. Frank

D. Artiss. Tea was served by Mrs. Stephen Miller and Mrs. Scot Clarke.

Think they don't
build homes the way
they used to?

Just ask Dave
and Pat Thomson
about Westwood
Homes.

Dave Thomson is in the subdivision business and he's seen the work of a lot of builders.

So when it came to building their own home, the Thomsons didn't hesitate to choose Westwood!

It was a wise choice. Because, at Westwood, we use only the finest, kiln-dried materials and the latest technology to build quality homes at a reasonable price.

What's more, we can help you every step of the way—from initial design right through to arranging financing.

So, when you're thinking of a new home, take a tip from the Thomsons.

Shop around.
Then talk to your
Westwood dealer.

the ball into the net 4 more times, one of which was disallowed for offside. Chemainus Sentinels did not give up—they kept coming and our boys had to be on their toes all the time. The visitors gave us some exciting moments, which could quite easily have given them a goal or two.

Our passing play is improving; playing position is getting better, but has to be worked on a good deal more; the use of elbows and hands resulted in a number of penalties - watch that one, boys.

Two games are scheduled for the coming week end - Saturday at 11.15 at home against Smitty's Saints, and Sunday at 1.15 pm, our second game against the Martins, the only team we have not beaten yet, - come on out, Spur supporters, and cheer your boys on.

Next week we will give the names of those boys who have earned the badge so far this season for team spirit and sportsmanship.

SOCCER SCHEDULE

Saturday, Nov. 9, Salt Spring Rotary (Div. 6) 11 a.m. at Chemainus.

Sunday, Nov. 10, Salt Spring Spurs (Div. 8) 1:15 pm at home.

Sunday, Nov. 10, Salt Spring Legion (Div. 2) 1:15 pm at home.

Div. 4 Lions have a bye.

COVERS EVERY PHAS

SAILING NOW NUMBERS 100

FROM SCHOOL TO CHAMPIONSHIPS

Salt Spring Island Sailing Club grew out of the Gulf Island Secondary School Sabot Club.

This club started building sabots in 1969-70 and 12 boats were built the first year.

Warren Hastings and Harold Dibnah started the club off into racing by present us with a trophy.

A further 10 boats were built the following winter.

A total of 36 sabots have been constructed since then. A further five are booked to be built over this coming winter.

The club started taking part in inter-club, and regatta racing in 1971.

Since that date, apart from our second event when, be-

cause of a ferry delay we arrived late, the club, has never failed to win any event. Our strength lies in the many fine young sailors we have, no one being outstanding.

Every year since 1971 we have sponsored a regatta for sabots and el toros in the spring of the year. For the past three years it has been held on May Day. It receives no publicity from the May Day committee.

Last year our club sponsored a national event, the Canadian National Sabot Championship. Thirty-five boats competed, Salt Spring boats filling the places from fifth to 12th.

This year the club "cleaned-up", Mike Cannon being National Champion, Robert Neish

Junior Champion and Aileen Neish, Ladies' Champion.

It is worth noting that this is the only event which separates competitors into age and sex groups. Normally, father can be seen racing daughter and mother-son battles are equally common.

Two years ago the club was opened to the general public and the membership has reached 80 at the beginning of this year (it is probably at around 100 at the present).

This year we sponsored a race around Salt Spring in memory of Marshal Sharp, who helped so much in the initial years with the group.

Eighteen boats competed; all, but one, finished. There were about 70 to 80 persons involved in racing the boats with a strong support group of a dozen or so who ran the event. Again the "competitors" ranged from grand-children to grand-parents.

A further event sponsored this year was the B. C. 13-year-end-under-championship. This was sailed in club members' boats and was won by Robbie Cannon with Alex Neish in second place.

It is notable that without the help of Alex Shelby we would not now have a club. Mr. Shelby has provided us with a great deal of assistance in operating as a club by allowing our juniors dock space at no charge.

For the future: we must obviously try to obtain a sailing base of our own and provide club-owned boats to proceed with our training program.

DRUMMOND PARK GETS ASSISTANCE

Drummond Park in Fulford requires constant grass cutting, trimming of trees, garbage removal and care of washrooms.

Our annual Clambake is held there.

Local residents and off-island boaters launch their boats here.

There are swings and children play and swim here during summer. Many people picnic in the park while others just come to enjoy the sun.

The Recreation Commission has contributed to this park and helped us to operate.

in Vesuvius Bay to provide a safer area for the swimmers to do their lengths. At present the swimmers who need deep water to perform their swimming requirements are going to the public wharf at Vesuvius and most of the time there are boats tied up there, making it difficult to swim and be seen at all times by the instructor. Of the 54 enrolled, 40 passed.

This fall four of the pupils who passed their senior swimming are making weekly trips to Victoria, with Yvonne Sollitt, taking advanced swimming that will enable them to instruct and lifeguard.

COMMISSION SPONSORS SWIMMERS

Red Cross swimming lessons were conducted at Vesuvius Bay from July 15 to August 2 last summer by instructors Yvonne Sollitt, Joan Lowe and Christie Lowe.

Fifty-four pupils enrolled in the six levels offered. Enrolment was down considerably from the 105 enrolled in 1973, probably due to the cold wet weather in July. The classes were sponsored by the Salt Spring Recreation Commission.

Red Cross House in Victoria supplied water safety posters to be posted at the beach and water safety cards for each pupil free of charge. Volunteer water safety and swimming evaluators visited our program three times over the three-week period.

It is recommended that a 25 ft. x 8 ft. float be anchored

FULFORD HALL FOR SKATING

Fulford Community Hall was rejuvenated last year, when an LIP grant was used for painting and maintenance. The Recreation Commission helped towards the cost of the big project.

Fulford Hall is the centre of south Salt Spring Island activities. It is also headquarters on the island for roller skating.

Adult skating, children's roller skating and Roller Hockey are all part of the scene at Fulford Hall.

IT'S FUN AND IT'S LEARNING

There are 19 Cubs on Salt Spring Island. The 19 active boys are involved in numerous activities.

Upon completion of the tenderpad requirements, in which they learn what to do to become a Wolf Cub, they proceed onto their star work. The black star involves them in the search of knowledge to do with the natural world.

Next, we come to the blue star, which encourages them to explore and take part in the organized world.

Next comes the green star, stressing self-reliance through scouting and scoutcraft and following this, the red star, which helps the boys take care and develop themselves to their fullest potential.

Last is an imaginative sec-

tion developing creative skills. For example, they are called on to make a simple electric motor and a simple periscope. They also compose a poem and a wide range of other activities which are fun things boys like to do and show others their skills.

During the earning of their stars, proficiency badges can be earned. These promote their interest further in a specialized field. Trips are planned from time to time, with visits to the provincial museum. Cub swim meets and exchange visits with other cub packs.

All in all, cubs is, hopefully, a happy fun type stage in a boy's life and along the way he is developing a sense of awareness in many endeavours

LOTS OF TENNIS NO CLUB

- ONLY ONE COURT

Tennis has increased in popularity in recent years and islanders of all ages have taken part in the revival on Salt Spring Island.

Instruction in the game was offered from May 27 to August 5, representing 10 weeks of two-hour lessons.

During July and August there could have been another class, but the time of the instructor, Mrs. Loes Holland, was limited.

There have been many requests for a tennis club like the club in 1973, says Mrs. Holland. There were 25 paid-up members at that time. But with only one court on the island it is hard to give prime time to students, adults and tourists, so there is no club.

Just to lend books

- 800 MEMBERS

The Mary Hawkins Public Library has only one purpose. Its aims and objects are to provide library facilities for the residents of Salt Spring Island.

The library is staffed entirely by volunteers. There are no paid employees. Service is funded by membership fees, donations, gifts, and a grant from the provincial government.

This year, a grant of \$300 was received from the Recreation Commission.

Membership stands at 800, including adults and juveniles. There are 9,500 books on hand and the yearly circulation is approximately 55,000 books.

The calendar year still has two months to go so that these statistics are subject to amendment at the end of the year.

Skaters total 82 boys

Last year S. S. Island Roller Hockey registered 82 boys of school age, and hockey was played in the Fulford Hall from the beginning of January until the middle of April.

We had financial assistance from the Recreation Commission.

The games generate a great deal of enthusiasm and the coaches work hard to teach the boys hockey.

Our expenses chiefly come from costly equipment used for the goal keepers, timing equipment and hockey sweaters.

The boys buy their own protective equipment, helmets, hockey sticks and skates. We hope to set up our own skate trading system this year.

MEMBERS OF

Salt Spring Recreation Commission is made up of members of the island community all elected at a public meeting.

Heading the commission is Tom Marcus, teacher at Gulf Islands Secondary School. Members include two teachers and two housewives, with one each of farmer, salesman, assessor, foreman, fuel agent, contractor and accountant.

Members of the commission

Centennial Park

This is the Centennial Park! This is your park!

It was planned and constructed for the enjoyment and relaxation of both young and old by Salt Spring Islanders. It is also a Memorial Park, as each tree and flowering bush was planted to the memory of an Island pioneer, or family of pioneers, and the Cenotaph honours those Islanders who fell in World Wars I and II.

The park was opened in Centennial Year, 1967, by The Lieutenant-Governor of British Columbia, Maj.-Gen. George Pearkes, VC. This event is recorded on the cairn situated in the park, which also holds the transom of the Captain's gig of the British Warship HMC GANGES, a gift from the Royal Navy to Salt Spring Island.

Until 1973, the park was

REPORT ON

The sports picture continues to improve.

The number of beginning young players shows a significant increase that argues well in baseball the Minor League has four teams playing regular schedules both on and off-island, and Roller Hockey two teams in the 6-8 age group.

At the other end of the scale, the new facilities installed by the Commission last year at Fulford will accommodate a growing number of senior soccer and baseball players. Lack of proper-sized fields has previously led to a regrettable falling-off in sports participation among the more senior teenagers who no longer qualified for the junior leagues.

USE OF ISLAND LIVING

OF COMMISSION

are, in addition to Mr. Marcus R. M. Akerman, J. C. Albhouse, Mrs. Edith Barber, P. A. Clarke, Mrs. G. V. Holland, Bob Lawson, Roy Lee, H. R. Leighton, A. Spencer Marr and Glenn Woodley.

The members are elected to administer the affairs of the commission and to dispense any funds in the possession of the commission as they see fit.

ark is your Park

maintained and financed solely by donations from island businesses, organizations, clubs and individuals and through the sale of memberships in the Salt Spring Island Centennial Society.

This society holds the responsibility of managing the park, the provincial government's lease of the park. It is a federal regulated body whose charter was duly published in the Canada Gazette.

In 1973, a provincial grant, administered through the Salt Spring Island Recreation Commission, in the amount of \$1,500 was allotted for the maintenance of the park. As this grant only covered the salary of the park caretaker for the summer months, all other park expenditures have had to be met from the gener-

OF SPORTS

For the in-betweens in baseball the Commission's 1974 project for a Little League diamond on the recent extension of the school grounds in Ganges anticipates a pressing future need and will ease the present shortage attributable to the growing number of girls wishing to play softball.

Game schedules drawn up by our Recreation Director eased a right situation during the summer months when the school grounds were busy most evenings from 4 o'clock on. Some 20 teams comprising a minimum of 200 players (excluding visiting teams) kept the grass from growing too long.

Over 100 members of the younger generation were en-

(Turn to Page Thirteen)

Soccer draws 75 boys

- FIVE LEAGUES

There are now about 75 boys playing soccer on Salt Spring Island. All boys are welcomed and encouraged to play.

The soccer group, coaches, organizers, and administrators, have a job to do. They teach skills, physical fitness, good sportsmanship and, most of all, they teach the boys to enjoy themselves.

For the boys' part, we ask that they realize their obligations of regular attendance and good behaviour.

If any boy wants to join the soccer team, he can call Jack Albhouse at 537-2183. Jack is the president of the Salt Spring Island Soccer Association.

The association has teams playing in five mid-Island leagues, on Vancouver Island.

osity of the community donations. The average yearly expenditures to maintain the park have been approximately \$2,200.

The park offers the year round, a children's play area, shuffle-board, checkersboard and an open grass play area. There are benches and picnic tables. The toilet facilities are open from April to November.

This is your park!

Rarely less than 50 take part

Salt Spring Trail and Nature Club 1974 season ends in December with a membership of 117.

Events are held every Tuesday and are announced in Driftwood the last week of every month.

From January 1, we have had 21 planned trips. Every Tuesday there is a choice: hike or walk. Special trips have been made to Russell Island and Prevost Island. There have been bird walks, botany excursions and walks devoted to marine biology. Copper mine and rhodonite mine have been visited by club members.

Under strict constitutional rules we stress the environment demanding no disturbing of plants or wild life. No smoking and no dogs. We scout new trails and have trails built under LIP grants.

All planned trips so far have proved highly popular as on an average walk, 50 members show up.

Walkers and hikers meet usually at Centennial Park at 10 a.m. Participants are warned to bring lunch and wear sturdy shoes.

Even oldtimers get to know parts of the island they never saw before. Newcomers are eager to prowl around and everybody enjoys gorgeous views they would never see, as we have the gracious permission of many landowners to hike over their property. Anybody over 12 years of age may be a member.

HORSES ARE THE BOND

THE PLEASURE OF RIDING

At the present time there are approximately 60 members in the Salt Spring Island Riding Club, ranging in age from the young to not-so-young, but all with a common interest - the pleasures of riding.

The club meets in the Provincial Building, at Ganges, at 7.30 p.m. on the last Friday of each month.

Through its activities and meetings, the club endeavours to promote a good knowledge of horsemanship and horse-care. In the coming months, the club will be presenting educational films and instructive speakers on a variety of subjects relating to horses.

Riding clinics for beginners and advanced riders are held each spring. The members have found these clinics so helpful that we hope to hold them more frequently in the future.

We are hoping that in November we will have a demon-

stration of western pleasure and trail riding, followed by a clinic for those who are interested in this facet of horsemanship.

Apart from organized events many individual members or groups take weekend or day outings on their horses and the Riding Ring is always available for the use of members. Club members have spent many hours building and maintaining the ring but it has been a very worthwhile effort. We hope that in the near future we shall be able to add some jumps and an obstacle course.

The Riding Club wishes to express their gratitude to the Recreation Commission for assisting them financially in establishing the Riding Ring.

If anyone would like more information regarding the Riding Club, please call Ted Hamer, 537-2145, president, Mrs. Barbara Bourdin, treasurer, 653-4413 or Mrs. June Slocombe, secretary, 537-2282.

PENSIONERS LOOK BACK ON YEAR

JANUARY 1974

Annual dinner with gifts and Christmas decorations. Admission is free. Our Christmas dinner is in January as some of our people are with their families for Christmas.

FEBRUARY

We have an entertainment first week and serve tea, coffee and cakes and gifts.

MARCH

Entertainment, first Wednesday with tea and all the goodies. Meeting, fourth Thursday.

APRIL

Our Daffodil Lunch on the first Wednesday. We have received congratulations from some of our branches on this effort. This year we had more creation Commission and the Legion. Assistance helped them to buy much needed camping equipment for the Guides and to provide a first camping experience for the Brownies at Camp Yawaca.

Guiding tries to emphasize self discovery and improvement, and service to others in the home, in the community and in the out-of-doors. It is open to every girl who wants to take part.

The number of girls enrolled this year on Salt Spring has risen very sharply and consideration is being given to the forming of another Brownie pack.

than 80 to roast beef and the trimmings: all free and about 3,000 daffodils. Meeting, fourth Thursday.

MAY

First Wednesday, we entertained the Sidney Branch and provided tea, cakes, etc. Meeting on the fourth Thursday.

JUNE

Two busloads to Fulford and St. Mary's Church for a bazaar and tea, transportation was free.

JULY

Bus trip to Nanaimo, Island Council Picnic and lunch and shopping, all free. Full bus load.

SEPTEMBER

Opening luncheon with 86 present. Cold roast beef with all the trimmings and entertainment.

OCTOBER

Meeting, Oct. 24; all arrangements for bazaar; singing and dancing first Wednesday. Tea served, all free!

NOVEMBER

On November 2, our annual bazaar in St. George's Hall. This is the only time we call for help from the public. Over and above this, Mrs. E. Thacker as counsellor, takes the mini-bus to both Victoria and Nanaimo on a shopping trip, for the elderly, who have no car, or do not drive off the island.

FUN-FILLED SUMMER

An activity-filled summer, it was! This could describe the kind of summer enjoyed by many young people on Salt Spring.

The federal government enabled 124 children to participate in a day camp funded through the Opportunities for Youth programme. In total, \$9,523 was granted to cover the cost of salaries, supplies, insurance and transportation.

Together, 13 staff were directly supervising the campers: ten high school students, one university student and two young adults. The children ranged from three years to 13 years with some of the younger ones attending on a half-time basis.

Throughout June, some of

the day camp supervisors staffed a 'Drop-In for Fun' time held in Mahon Hall. This programme invited children from six to 12 years to drop-in for games, music, crafts, sports, cooking and special events. The response was good and showed that all children don't necessarily respond to formalized recreation.

The entire summer program was made better by the generous contributions of time, donations and money from the Recreation Commission, the School Board, and many Salt Springers.

HELP FOR CAMPING SERVICES

Members of the Salt Spring Island Girl Guide Association meet once a week. The Guides meet under the leadership of Mrs. Lois Perkins on Thursdays at 3.15 pm at the Legion Hall. Brownies meet under the leadership of Mrs. Sharon Sparling on Tuesdays at 3.15 pm at St. George's Hall.

Besides the regular meetings there are many other activities including field trips and camping.

Although the girls help to raise their own funds by selling Girl Guide cookies and their own handcrafts, they were glad to receive some assistance last year from the Re-

GARDENING TO HELP GARDENERS

Salt Spring Island Garden Club has three purposes.

The club seeks to encourage gardening skills and knowledge among members and to encourage gardening as a recreation which nourishes the mind and body. The gardeners also assist, whenever possible, with public beautification projects.

Membership is 123. Club holds monthly meetings and other activities.

Planting and care of flower boxes at Centennial Park has been undertaken by the Garden Club.

IODE honors former Regent

H. M. S. Ganges Chapter, I. O. D. E., held the monthly meeting on November 1 in the United Church Hall. The Regent, Mrs. Alfred Howell, presided.

A new member, Mrs. K. E. Patrick, was welcomed into the chapter by affirmation. The IODE 1975 calendars

are now on sale. These have beautiful flower pictures, representing the provinces and territories of Canada. Calendars may be obtained from members at \$1 each.

National Chapter, IODE, gave \$1,000 towards the relief of flood victims in Honduras. Last summer, the Director of Recreation for the North West Territories presented to the National Chapter a plaque bearing the N. W. T. crest in honor of the IODE's assistance in promoting the program for water safety known as Corky.

The IODE helped with a portable pool and swim suits and now, there are eight portable pools in remote settlements.

On Founders' Day, February 13, the IODE will have completed 75 years of service to humanity. The week from February 9 to February 15 will be IODE Week.

A few moments of silence were observed in memory of Mrs. Dallas Perry. Mrs. Perry was a former regent of the chapter and honorary regent

for many years, who died aged 94 years. Islanders will remember Mrs. Perry and her husband, Dr. Dallas Perry who died many years ago.

Miss Olive Mout, Citizenship and World Affairs Secretary, gave a comprehensive paper based on recent press releases, reporting on oppression, particularly in Bulgaria and Chad in Central Africa. Non-freedom of worship is

one of the most alarming denials of citizenship liberty in these countries.

H. M. S. Ganges Chapter will attend the Remembrance Day Service on Monday Nov. 11.

TOO BUSY FOR ROAD TRAFFIC

Department of highways has been too busy during the past year to give any thought to Ganges traffic problems.

This was the result of an approach to the department made 12 months ago to ask for help, advice and assistance.

Last Christmas members of the Chamber and Cpl. Doug Burke, RCMP Officer in Charge at Ganges, called on the department to initiate the enquiry.

It's Remembrance Day

* * * * * AND MAY THERE BE NO MORE TO REMEMBER!

BY A VETERAN
It's Armistice Day. It's Remembrance Day. It's a voice from the past.

Mutual Fire Insurance Co. of B.C.

Founded in 1902 by the Farmers of British Columbia
GULF ISLAND AGENT
Pender... F.R. Sterling

Mayne... H. Hampshire

First World War is a life-time ago. The Second World War is already the recollection of elderly gentlemen. Korean War, the most recent in which Canadian troops went to fight, is now fading into memory, as earlier wars will soon fade from memory.

First World War, the war to end wars, had introduced trench warfare to civilization. Millions died in bloody, filthy, stinking conditions.

That war ended on the 11th day of the 11th month at the 11th hour, in 1918. While the war and the loss and the vindictiveness were yet alive, the celebration of a hard-fought, hard-sought peace was a natural. Armistice Day was born.

For the interval between the two world wars Armistice Day was celebrated by various degrees of formality. There was always a silent period for remembering the dead. In many communities the morning included a public religious service.

Even during the Second World War, the Remembrance Day celebrations were kept. At the end of that war, the day was expanded to take in all veterans.

In 1945, when the Second World War came to a close, once again, the horrors and miseries and hazards of war were sharply engraved on the minds of the public. Every man, woman and child in many countries saw, again,

the crash and blood and stench of war. They were still remembering an experience of their own or transmitted to them in repeated reminiscences of men and women who had come close to death.

With the passage of the years came the war in Korea, when only a small part of the populace was involved and the grim aspect of war was less widely reported. Those who were there nevertheless, came back with vivid memories. Korea was Canada's last experience of a war of aggression. Subsequent military operations were destined to involve Canadian forces in working to preserve peace and order.

Today, 56 years after the first rejoicing at the Armistice; 29 years since the end of the war across the world and 21 years since the long-drawn (Turn to Page 15)

FROM PAST MEMBER

(Turn to Page Fifteen)
 rolled in the Commission's swimming lessons at Vesuvius Beach. Ninety per cent of the pre-beginners, beginners, intermediates and seniors qualified in their respective grades under the program supervised by the Canadian Red Cross.

The shortage of tennis courts is acute. The single public court at Ganges was frequently the scene of much frustration even although playing was restricted to doubles - and a 30 minute time limit. However, the newly formed Tennis Club has already helped bring about a marked increase in the standard of tennis played.

Under the efficient management of its Association Roller Hockey has shown healthy growth at all levels: the two teams of 6-8 year-olds are going great guns, while the Salties, 15-years-old and up, are making a name for themselves in B. C. Roller Hockey circles (maybe that should be 'arenas'). Some 100 boys are paid-up members.

Soccer, likewise functioning under its own local association is thriving. Teams play full schedules in five of the mid-Vancouver Island leagues.

Approximately \$1,000 was distributed among these sports organizations either in outright grants or in equipment, the allotment depending partly on the numbers involved, partly on need for support. Pending the re-establishment of the lacrosse box in a future sports arena - uncovered concrete surface suitably netted and boarded that will also accommodate roller hockey, 3 basket ball and two tennis courts, all on the old lacrosse box site - the lacrosse players were given financial assistance to practice off-island.

The committee feels that, in view of our relative isola-

tion from the excellent sports facilities available to young people in the more populous urban and suburban areas on Vancouver Island, some form of recreational complex, in-

cluding a swimming pool, skating or curling area, should be established on Salt Spring in the near future to the optimum extent comparable with our tax basis.

Bob Lawson,
 Chairman.

REMEMBRANCE

(From Page Fourteen)

out peace talks in Korea came to a conclusion; the man-in-the-street is no longer the same fellow. He has nothing to remember. "Lest we Forget" is a slogan used by people with whom he has no contact. He has nothing to remember.

Furthermore, the recent Oriental Wars of the United States have left a wave of revulsion in their wake among the rising generation. There were no Good Buys and no Bad Guys in the popular eye.

For as long as there are veterans who still recall the comradeship of fighting side-by-side, there will be memories. For as long as there are people who still remember the faces and the names they will not be forgotten. Memory will last as long as the fighting generation. Then there will be none. But nothing is lost.

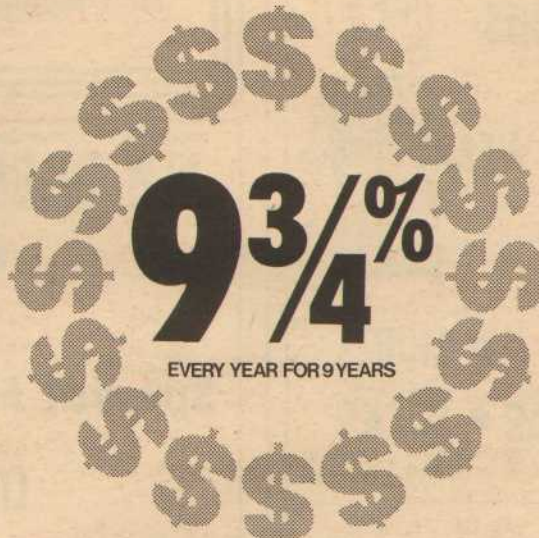

Without memories, a newer generation will have nothing to remember.

Let's hope they never have!

 Why wait? Aladdin Travel Service could get us airline tickets faster, at no extra charge!

Theatre Season for Ganges

It's the theatre season on Salt Spring Island. Last week end saw the Lions' presentation of Fran Dowie and the Barkerville Gang at Ganges. This week end will bring the Western Canada Theatre's presentation

CATTLE LOOSE

Number of reports have been received in the past week or so of cattle loose on the road on Salt Spring Island. Island drivers have been troubled by swerving to avoid deer since the first car came to the island. They are now swerving to avoid cows.

TWO FERRIES

(From Page One)

last week. The Bowen Queen was to serve the more important ferry link until the regular ship is back in operation. The Bowen Queen will then undergo her annual refit. At the conclusion of the refit she will relieve the Mayne Queen while the Outer Islands ship goes for her refit.

Travellers on the Pender Queen were warned that the 51-year-old ferry vessel is suffering from excessive rust and that there is no clear indication of the specific weak points in her structure. The ship is wooden and was once sailing between Sidney and Steveston as the CPR's Motor Princess. In her youth she was equipped with galley and dining room and served meals in the plush style of the CPR.

of Jacques Brel is Alive and Well and Living in Paris. The visiting show will be here on Friday and Saturday at the Activity Centre in Ganges.

The following week marks the most ambitious attempt so far by the Salt Spring Players with a four-day presentation of Harvey.

On December 14 a variety show will be offered by the Players and talented island residents will be urged to take part.

SPEC LOOKS AT LAKES

SPEC is concerned over watershed areas on Salt Spring Island.

Speaking at Saturday morning's Presidents' Breakfast, Mike Larmour reported that SPEC has asked for the retention of the 10-acre limit on watershed development while investigations are being carried out.

Island watershed serves three functions, he told the meeting. They are used for development, for recreation and for the supply of domestic water.

This freeze would be retained while the investigations reveal the effect of eutrophication on island water areas. Eutrophication is the gradual process which turns lakes and water areas into meadowland.

 18 Years Drilling Experience on Gulf Islands

Dear Fellow Islanders,

To make the new Island Trust work well, Salt Spring citizens need to have representatives with really deep roots in the community. John Stepaniuk and Mike Larmour are a team that fill the need. Both of them have been here since the 'forties, farming and holding down jobs in fields that bring them into everyday contact with all of us. Each of them has a long record of service to the community, participating in planning efforts, in environmental concerns. As the community has been growing, these men have been growing right along with it, -- searching out information that would help them to serve well in the organizational work each has done, and trying honestly to apply this increased knowledge to new challenges. If elected to the Island Trust, they will be steadfast and resourceful in their efforts to serve all of us well.

With confidence,

The Committee for Progress Through Conservation

HUMAN RESOURCES BOARD

LOCAL LIAISON COMMITTEE FORMED

Human resources branch of the provincial government will work more closely with Salt Spring Islanders as a result of the formation of a new advisory group on the island.

She gives a lot for disabled

Want a two-acre lot on South Pender?

There is one being raffled off for the Vancouver Island Housing Association for the Disabled. Tickets for the South Pender lot are available at Salt Spring Island Book and Stationery.

The tickets can also be purchased at Port Washington general store.

Property was donated for the purpose by Mrs. A. E. Craddock, who has already given a considerable acreage on South Pender for charitable purposes.

The project is aimed at providing an apartment house with common dining areas for the benefit of the physically disabled. Doors and access, generally, will be made to accommodate wheelchairs and occupants using crutches or other aids.

Raffle is the work of the Victoria Real Estate Board and the Association of Real Estate Salesmen. Tickets will be on sale after the Christmas period.

About 35 island residents gathered in Gulf Islands Secondary School on Friday evening to listen to proposals for a local human resources committee.

Government funds available for various projects in the community will be directed according to the recommendations of the committee.

Included in the scope of the new committee will be such activities as a co-operative, day care and day care centre, activity centre and other services to the community.

The meeting considered the establishment of a Community Resources Board, but the enabling legislation has not yet been implemented. A local committee was proposed to steer the group towards the establishment of a local society. The society will be advisory and will be able to do nothing without the department's approval. It will have the power to initiate projects and recommend its findings to the department.

Islanders looking for a specific provision on the island would consult the local society in order to get it started. The society, duly registered, would also be able to hold funds where the occasion demanded.

The meeting was chaired by Hank Schubart and Les MacDonald and Al Mollberg of the Human Resources Department were both present.

Mr. Mollberg explained that the department represented the integration of various social services.

The local committee is a liaison group to work with the social workers, he reported.

The meeting heard of the problems of a co-operative

INJURED ISLANDER RECOVERS

Ganges man who was injured last week by a falling tree is making good progress in hospital.

Bob Anderson, Gulf Islands Terminal Agent for B.C. Ferries is now walking up and down the halls of the hospital. Mrs. Anderson reports that she is hoping to see him home shortly.

Pinned down by a falling tree, Anderson suffered internal injuries and was rushed to the Royal Jubilee Hospital in Victoria.

FURTHER DELAY ON SEWERS

Sewers in Ganges underwent a further delay last week, when the Capital Regional District asked for a further 30-day delay in the issue of a permit to discharge into Ganges Harbour.

The Pollution Control Board had asked for a 30-day delay in order to clarify information furnished by the Regional Board.

New delay is sought by the Regional Board in order to re-

search the enquiries of the Pollution Control Board.

Permit was granted earlier in the year to discharge partially treated sewage into Ganges Harbour. It was suspended for a month following an appeal against its issue launched by SPEC, in Vancouver.

Sewer system would serve the "downtown" area of Ganges.

BRIDGE FOR ISLAND

Legion Auxiliary at Ganges is getting down to some bridge this fall.

The auxiliary is planning bridge in the Legion Hall at Ganges every Tuesday afternoon.

\$50,000 for Pender Islander

Two islanders last week received unexpected money from the Western Canada Lottery.

Frank Gelmetti, of North Pender Island, went to appear on television on Saturday and returned from Winnipeg, \$50,000 better off than when he went there.

Harry Newman of Ganges had a \$5 cheque from the lottery for selling a successful ticket.

The Pender winner could not win less than \$25,000 when he figured in the top eight tickets drawn. During the elimination program he settled for the prize of twice the minimum.

OLD HOSPITAL FOR COMMUNITY CENTRE-MUSEUM

John Stepaniuk has urged that the old dormitory on Ganges Hill, the original Lady Minto Hospital be acquired by the community.

On Saturday morning Stepaniuk urged that the building be acquired as historical monument on the island. It could then be used, in part, as a museum, he urged.

Fish to come to Ganges

— NO OBJECTION TO REZONING BID

Fish is coming to Salt Spring Island. John Christianson and David Pallot are bringing it.

The two Salt Spring Islanders are planning the erection of a concrete block building on Rainbow Road to prepare fish for sale and for freezing. Part of the building will house the processing plant and the remainder will be given over to a freezing unit.

When a public hearing was called on Thursday into a plea for change of zoning from rural-residential to commercial and industrial, there was no objector. Property is at the corner of Rainbow Road and Quesnel Road.

Mr. Christianson told the hearing that the plant will cater to the island fishermen who will have a local outlet for their catch. It will also offer fresh fish to island customers.

He explained that he had operated such a plant in Sidney 10 years ago and drew the attention of the hearing to published reports on the Satellite Fish Company at that time.

He recalled a glowing report of the operation in the Sidney Review as well as the Victoria Daily Colonist. The plant was also featured on a radio show by Hugh Curtis, who is now MLA for both Sidney and the Islands.

There were 17 in favour of the application and no objectors.

Chairman of the hearing in

the Legion Hall was Director George Heinekey and his only colleague was Capital Regional District planner Michael Bennett.

The building will measure 42 by 72 feet, reported Mr. Christianson and there will be ample parking for staff and customers.

SATURNA SCENE by Papajohn

Wonder how long those poor Presidents on Salt Spring had to fast and what for?

Hallowe'en Night passed by quietly here and we had a wonderful evening with the trick or treat kids. Their genuine happiness and enthusiasm are somehow contagious.

On Friday night following we had a venison dinner and a parade of kids of all ages dressed up in Hallowe'en costumes in the hall. The meal was superb and the costumes were a real witch's nightmare. Bob Crosby won the men's prize; Irene Lawson, the women's; wee Danny Bouch won a prize for the biggest Maple Leaf (some of the losers in this contest believe Neville, the father made it!); Leah and Trevor Smith won the prize for the smaller children; my two lady friends from next door, Sandra (Sam) and Shelley Crooks for the next oldest kids AND every kid got a prize. Jim Money had all the kids playing games afterwards and we think Jim was the youngest. It was a wonderful party in the true Saturna tradition. Everything was free. A big vote of thanks to Ann Bavis and her helpers!

The Lions Lyre: We are all looking forward to Tuesday, Nov. 12, meeting when we will show our District Governor what an up and coming Lions Club is like. We will also have the draw for the Texas Mickey. If you haven't got your ticket yet you had better start scrambling, for they are as scarce as hen's teeth. A LOT more next week but don't miss our next dinner meeting, don't know who the Generals of Gourmaise will be BUT WE DO KNOW that the food will be something that the French Michelin Guide for French Restaurants would have to dig out another star for. Don't miss it!

Speaking of that French Guide Book's Guide for gourmet food not mentioning Saturna Island gourmet food is that if they did, business would drop in France. One of the reasons is our superb ability to BARBECUE. SO our Pig Barbecue on Saturday Nov. 9 will be, as always, another food to remember. Refreshments at 5 or earlier and the dinner around 6 pm, depending on when our superb barbecuers say the meat is done to come up to our extreme standards of excellence. If you miss this gourmet dinner it is your LOSS!

Visiting Irene and Bill Lawson are Bill's mother, Edna Lawson and another old friend George Whitaker.

Last week John and Betty MacDonald journeyed to Victoria to be at the wedding of their daughter, Susan to Wayne Smith. John and Betty can now relax. They have no more daughters to give away.

GALIANO PAINTINGS ON SHOW

Galiano Painters' Guild will be holding an exhibition and sale on Saturday, Nov. 9. This is a yearly event.

"It is well worth a visit," a spokesman for the Guild told Driftwood, "There are many talented artists on the island."

Exhibitors are Elizabeth Hopkins, Ragna Frederickson, Dorothy Lupton, Corine Snell, Elizabeth Stewart, Claire Farrell, Amy Inkster, Harold Dyer, Gay Taylor and Lorna Tweedale.

On Saturday, Nov. 2, there were some fine paintings of Frances Ann Hopkins, exhibited on Channel 8 Television.

The Painter was the grandmother of Elizabeth Hopkins, who resides, and paints, on Galiano.

We know that Sue has the best wishes of all her friends on Saturna and think Wayne is a lucky guy, no foolin'!

One of the good looking gals on the Mayne Queen's crew, Bea Froeze had her sister Edna Engelbrecht a-visiting her and they both left for Victoria to celebrate their mother's B-day then on down to Edna's home at Auburn, Wash. for a holiday for Bea. Have a good time Bea, and we miss you!

One of our foremost Islanders Gene Marshall has just returned from a trip to the old sod, Ireland. Hope you had a good time Gene and glad to see that your skin is the same as you never were green. Hope that is Irish enough for you.

Graham Howarth an Islander from Calgary was out last week for a short trip to leave a new power boat in Steve Maskow's yard. Graham and Polly are retiring here next year and we guess the new boat is part of that plan.

PAINTERS TO SEE ART FILMS

At a recent meeting the Salt Spring Island Painters' Guild made plans for winter activities and elected a new executive.

President is Olive Clayton; vice-president, Gordon Matthews and secretary-treasurer, Evelyn Underhill.

On Thursday evening, Nov. 28, there will be a program of five National Film Board films shown in the Elementary School Activity Centre at 7.30 p.m. "Lismet", "Artists", and "In Search of Innocence", all in color, are about artists. "Angkor, the Lost City" covers the picture tapestries in stone of the famous Cambodian temples. "Pas de Deux" has won 16 awards for its creator, the famous improviser in music and illustration, Norman McLaren. The show will be open to the public with an admission fee of 25¢ to cover expenses.

Projects under discussion for

the New Year include a workshop by a visiting artist, a series of life drawing sessions with a model, and an exhibit from the Victoria Art Gallery, possibly showing Japanese prints.

The next meeting of the

Painters' Guild will be during the third week of this month. Watch next week's "Coming Events" for time and place. New members are invited and asked to bring new and old work finished or unfinished, for discussion.

MAYNE

BY MARYANN

The known facts to date on the Local Incentives Program (LIP) Grant application from the Island are as follows:

Purpose: a pre-school children's workshop;

Location: Community Hall (Rental);

Applicants:

Since many people are interested in asking further questions of the applicants, we hope to be able to reveal their identity in the next issue.

Paddy Lambert and his staff of Volunteer Firemen did a tremendous job in giving our children a memorable Hallowe'en Party. The children took

great delight in bobbing for apples and tossing water-filled balloons to one another for prizes. The evening was climaxed with a fantastic fireworks display. The costumes were remarkable.

Danny Imrie totals number six on our list of candidates for Island Trustees. We'll give you more information on your candidates in the next issue.

Since Mr. Rubin found it necessary to accost this writer at the Hallowe'en party to ask whether the proposed article on him had been written, I do suggest in all sincerity that he go through regular channels to purchase a copy.

On & Off The Island

Mr. and Mrs. J. L. Wolfe of Burnaby, were the recent guests of Mr. and Mrs. Webster Davidson, Alders Avenue, for one week.

Mr. and Mrs. W. Bavis of Prince George, were visitors at the home of Mrs. Bavis' parents, Mr. and Mrs. J. Harkema at the week end.

Mr. and Mrs. R. H. Lee of Fulford recently spent a week at Canim Lake visiting their daughter and son-in-law.

Mr. and Mrs. Neil McDonald and Barry of Campbell River spent the week end at the home of Mrs. McDonald's parents, Mr. and Mrs. R. H. Lee of Fulford.

Mrs. Carol Reynish and Pamela and Alton of White Rock were visiting at the home of Mr. and Mrs. D. Facca over the week end.

Mrs. G. Burger and son Brent of Vesuvius Bay have returned home after spending five weeks in Bavaria, West Germany, visiting Mrs. Burg-

er's parents and relatives.

Visiting friends on Salt Spring Island over the week end were Corporal and Mrs. Doug Burke, RCMP, of Williams Lake and Mr. and Mrs. Wayne Bradley of Parksville.

Mrs. T. E. Harcus, of Beddis Road, is a patient in Vancouver General Hospital.

Mr. and Mrs. J. H. M. Lamb and Mr. and Mrs. P. V. O'Gorman, Calgary, have returned from a month's visit to New Zealand and Hawaii. Arriving at Auckland drove the North Island to Wellington, flew to Christchurch, a very beautiful city, and continued their tour of the South Island. Returning to Christchurch, they flew to Honolulu, spent a week on the Island of Maui and thence flew to the Island of Kauai, returning to Honolulu. They remained at Waikiki, while there took advantage of a conducted tour given by the U.S. Navy to Pearl Harbour.

THEY WANT FOUR-WHEEL DRIVERS

Group of Salt Spring Island women are looking for four-wheel drive vehicles with volunteer four-wheel drivers.

Mrs. Dorothy Sneddon told the Presidents' Breakfast on Saturday that Meals on Wheels will need help during the winter months. One trip distributing hot dinners to the aged and infirm covers 45 miles.

She is calling for special vehicles to deliver meals in snow storms when the volunteers are unable to get around.

Volunteers may call Mrs. Sneddon.

FARMERS' INTEREST GAINED

Salt Spring Island Farmers' Institute plans to take a more active interest in May Day.

Regional Director George Heinekey, who is also president of the institute, told delegates to the Presidents' Breakfast on Saturday that his organization will take more interest in the May Day activities in view of the new attention to stock raising and showing.

The Institute will work with Mike Byron, sponsor of the livestock show, said Heinekey

HUMAN RESOURCES

(From Page Seventeen)

on the island. Michael Hogan explained that transportation takes the lion's share of profits and that the additional expenses are beyond the range of the operation, based on a cost-plus-5% pricing.

"We are trying to keep it going without raising the price of food," he added.

Mr. Mollberg said there are grants available for co-operatives. The community must establish its priorities, he told the meeting. If the co-op is at the top of the Est, it can be helped, but the new society will offer advice to his department on the relative importance of community services.

Mary Williamson recalled her problems with a day care service. The sponsors had been told to form a society, but the society was no nearer a day care centre than when they started a year ago.

The sponsors wanted to use the old Lady Minto Hospital on Ganges Hill, but reports on its condition had been kept secret and no information was available. The government had recommended a mobile unit, but it did not meet with warm support on the island.

Regional Director George Heinekey said he wanted to see the reports on the condition of the old hospital. It is only a few years since it was used to accommodate 30 children, he recalled.

Agnes Bacon reviewed the launching of Meals on Wheels. "It's going great," she reported.

Hospital Administrator Harold Hoffman, explained that he was not speaking for Lady Minto Hospital, when he protested that planning of all kinds on the island tended to overlook the hospital. "It is a community resource," he

World opinion helps black people

Four members of the Mizpah Group of the United Church at Ganges, Mrs. Frank D. Artiss, Mrs. J. R. Gibson, Miss O. Mout, and Mrs. H. S. Noakes attended the meeting of Presbyterial held in Garden City United Church, Victoria.

The speaker, Mrs. G. G. Smith, had been with her husband in Rhodesia. Although they went especially to visit their son who lectures at the University of Rhodesia, they were also eager to revisit a part of the world in which they had been United Church missionaries.

Mrs. Smith showed concern and sympathy for all those who face the difficult problems of colonies that are struggling to become nations. She quoted a friend who said of the black people of Zambia, "They walk with dignity now."

Mrs. Smith is convinced that world opinion is helping the coloured people of South

told the meeting. He tied the hospital in with the establishment of home makers services and home nursing services.

Jacques Goldman saw the local committee as an information centre. It could catalogue community services and find who is interested in what, he suggested.

Mollberg suggested that it was possible that the committee might share offices with the social worker in the Court House.

When it came to a vote, Hank Schubart said that the meeting either agreed to establish a local committee or it did not.

"There is no alternative." The meeting agreed.

Price of sugar hits pensioners

BY PENSIONER

Saturday, Nov. 2, was a busy day for O.A.P.'s when the Rev. Dr. V. E. McEachern opened the annual bazaar in St. George's Hall at 2 pm. Mrs. E. Thacker introduced the minister and it was a busy hour with lots of Christmas gifts, cakes, fancy goods and other commodities. Walter Bridgen and Mr. Smith received the bargain hunters and took care of tea tickets.

Mrs. V. Griffin assisted by Mrs. Betty Drummond and Mrs. Jameski did a roaring business with cakes and good things to eat.

Mrs. Edith Barber assisted by Mrs. G. Code, took care of fancy goods, knitting and were kept very busy.

Mrs. M. Clark had the suggested Christmas gifts and china.

Mrs. Jones and Mrs. Brigder had the Pick-n-Choose.

Mrs. Margaret Westcott and Mrs. Sampson took care of the "Draw" and it was a busy table.

The tea tables were kept very busy. Mrs. Joan Hayward was in great demand and we were very pleased to see Mrs. E. St. Onge again in the tea room. Mrs. Nelson and Mrs. Connie Ramsay assisted.

Mrs. E. Thacker regretted she was not able to have her usual stall of marmalade and preserves due to sugar prices, but the affair raised more than \$400.

Thanks to everyone for their support.

Winners of the draws were food hamper, Diana Gearay, 2923; set of TV tables, Burch Taylor, 3737; Mrs. Cleo Weston and Mrs. Fay Westin, Sidney, sealed envelopes.

capped; it is 50 years since the ladies of Metropolitan United Church joined together to found a fore-runner of the present United Church Women, and 20 years since the Rev. Laura Butler came to be an assistant minister at that church; the congregations of Garden City and of St. Aiden's United Churches are now 60 years old and 100 years old, respectively; the Shady Creek members proudly claimed 110 years of service; Pearson College has asked church members to invite students who are from other countries into their homes for week ends or holidays like Christmas.

As it is 100 years since Thomas Crosby and his wife were appointed missionaries to the Indian community at Port Simpson, the Mizpah Unit voted to send a donation to help in the centennial project which is to assist native leaders to obtain instruction in music, church work and theology.

TRUCK TRAVEL EXPENSIVE

Difficulty of getting a reservation on the Sechart Queen is worrying some island truckers. A heavy vehicle picking up goods in Vancouver cannot get a reservation on the Islands ferry service.

Such a vehicle travelling to Salt Spring Island must then take the Victoria ferry. He then travels to the islands ferry terminal entrance and he is required to pay for two tickets to Salt Spring Island, one to get there and the other to cover his return.

The vehicle that is only using the route to avoid being stranded in Vancouver over the week end will not return to Swartz Bay, but will probably do exactly the same routine next week, points out Heinekey. By this pattern, the operator is busy buying return tickets he cannot use.

The same applies to trailers coming to Salt Spring Island to be left here, noted the director. They must pay a double charge for a single trip.

ISLANDS NO DIFFERENT

The B. C. Association of Hospitals and Health Organizations held their 57th annual conference in Penticton October 16 - 18 jointly with the B. C. Hospital Auxiliaries for their 30th annual conference with 670 delegates present. Among them were 3 members of the Lady Minto G. I. Hospital board and four members of the Hospital Auxiliary.

Mrs. Lynn Rosenfield of Winnipeg, president of the Canadian Association of Hospital Auxiliaries urged that all hospital boards have a representative of the auxiliary as a member in order to co-ordinate their efforts.

It seems all auxiliaries, large and small, throughout the province have the same problems: How to raise money and how to get members and how to keep them.

It was most gratifying to learn that the Lady Minto Hosp

ital Auxiliary was among the top ten in raising money in the province and considering what a small community this is, one can appreciate it even more. Also it was interesting to note that the larger fund raising groups had Thrift Shops.

Many auxiliaries brought displays of their work from bazaar items to scrapbooks. The Lady Minto display was the only one showing the work done by the patients in the extended care ward.

The name of Candy Strippers will be changed to Junior Hospital Volunteers. Since this is a high school credit, boys are encouraged to join and it seems boys do not like being called sweet names.

HE'S HERE AT BC HYDRO IN GANGES

Established in his new office on Rainbow Road, Ganges is B. C. Hydro's man on the spot, John Thomson.

Mr. Thomson is the Hydro man on the islands and is in charge of power distribution. The Hydro office is still located in Duncan and no office is maintained on the islands.

The new Hydro man came to the island from Lillooet, to take over the place of Bob Lawson.

HE PICKS UP POUND OF PAPER

Ferry labels are spread around the countryside.

Doug Motherwell, of Ganges was curious when he noticed the small slips of paper on the road. They were the identity labels which ferry personnel slip under the windshield wiper at Tsawwassen. Majority were for "Long Harbour", although some were "Village Bay" and other points.

Motherwell's curiosity got the better of him and he walked the full length of Scott Road from the Long Harbour terminal to Upper Ganges Road. On that journey he picked up every label he saw.

The end of the road was a bag of more than one pound of paper, representing about 400 labels.

Lions press for funds for complex

Lions Club on Salt Spring Island is busy, reported Ian Brown on Saturday morning.

The club has just staged its Barkerville Show at Ganges. It is holding a bingo once each month, on the last Wednesday.

On November 23 there will be a Klondyke Night at the Golf and Country Club.

The service club is directing most of its revenues and efforts towards the Recreation Complex at Central.

In December the club will give its annual Christmas dinner for old age residents of Salt Spring Island.

safer speed limits now coming into effect

WATCH FOR NEW SPEED LIMITS

The new reduced speed limits are now coming into effect and motorists are requested to watch for the changes as the new signs appear on our highways. Speed reductions will vary throughout the Province according to traffic volume, terrain, population density and road standards. The Government has established these new limits in the interest of public safety.

GOVERNMENT OF BRITISH COLUMBIA

DEPARTMENT OF HIGHWAYS
Honourable Graham R. Lea, Minister

OWNERS RETAIN CONTROL

BY MARYANN

Tempers ran high on the Isl- and this past week end at the Mayne Island Ratepayers Association's extraordinary meet- ing. The purpose of this meeting was to discuss and vote upon the following:

Section I: Article 1,

Membership is open to any resident or non-resident having title or pecuniary interest in title to property, land or business undertaking on Mayne Island, providing that this person is a Canadian citizen or a British subject immigrating to Canada prior to June 1967; a full 18 years of age, residing in Canada for one full year.

Be it further resolved that a new Article be added to Section II to read:

Admittance to all meetings of M.I.R.A. shall be gained only by the presentation of a membership card, and admittance of non-members as guests or observers may be voted upon by the membership providing this person shall have no voice or vote.

Chairman Dennis Woods called for an orderly debate on Article 1, asking members to restrict themselves to their views either for or against the amendment.

Ruled out of order, Vic Griffiths spoke for both sides of the issue.

Mr. Grosvenor spoke against the amendment when he stated "that the tenters or renters who lived on the Island for an indeterminate length of time could easily pack up and move on should some form of crisis strike, whereas Canadian land-

owners would be the ones to stay and bear the brunt."

Taking the renters' views, Sue Tabor stated, that although our schoolteacher, Ms. Takagaki is from San Francisco, she is a community-oriented person and denial of membership would be refusal of such spirit in our community.

Barry Wilkes spoke for those opposing the amendment. He called for M.I.R.A. to be a community organization rather than a "select and private club".

Ben Brocklehurst replied that such spirit would best serve itself in our community clubs such as the Lions, Fire Department, or others.

After the ballots were counted, it was obvious that M.I.R.A. will remain under Canadian Landowners' control. Voting was 65 for the amendment and 24 against.

KIOSK FOR POSTERS

Community Arts Council is designing a kiosk to be constructed between Mouat's Store and Ganges Post Office. The kiosk will be used to display posters announcing community events to take place.

Last week Salt Spring Island Chamber of Commerce approved a donation of \$25 towards the cost of the kiosk.

BOWLERS OF THE WEEK

Bowlers of the week at Leisure Lanes, Ganges, were Ruth Bedford with 200, 231 and 293 for 724 and Ron McNally whose 183, 272 and 328 totalled 783.

Notable three-game totals were Dave Nisbet, 721; Jake Javorski, 738; Deanna Marleau 709; Rita Dods, 722; Jeannett Lee, 705.
