

Quick year for new Salt Spring fire chief

It was a quick year for Bob Leask. New Salt Spring Island Fire Chief Bob Leask presented his first annual report at last week's annual meeting of the Salt Spring Island Fire District. The fire chief has been on the island for a week or so. Report referred to the year 1977, when Kelly Hanke was fire chief. There were 69 alarms during the year, of which four were in respect

of house fires. In addition to fire fighting, and firemen spent 1,480 hours at he pumps, a total of 42 training sessions were undertaken. The fire department inspected schools, halls and other premises for fire hazards. The Chief's report expressed thanks to the fire department and particularly to fireman Les Wagg.

Staggering growth

Credit Union triples in three years with 1,528 members

Growth of the Salt Spring Island Credit Union branch has been astronomical.

Three years ago the Duncan and District Credit Union established a new branch in the Valcourt Centre on Salt Spring Island.

In March, 1975, the branch was new and staggering on its thin legs.

Less than a year later, at the

end of December, it boasted a membership of 552, with loans of close to \$2 million.

The deposits at Ganges amounted to \$1,104,647 and loans were \$1,878,328.

This year is the branch's third birthday.

Manager Ray Bush was asked for some statistics. And he furnished them.

	Members	Deposits	Loans
March 31, '76	704	1,582,950	1,884,496
March 31, '77	1,146	2,883,912	3,868,145
March 31, '78	1,528	3,982,706	5,256,020

It is a big change from the uncertainty when the Duncan management looked at Salt Spring Island.

New hospital trustee from Galiano

Mrs. M.G. Whillans, hospital trustee from Galiano for the past four years has resigned from the board of management of Lady Minto Gulf Islands Hospital.

The past year she had been vice-chairman of the board.

The Galiano trustee resigned for personal reasons and her colleagues expressed their regret at her departure.

Her place on the board will be taken by Mrs. Eva New until the annual general meeting in June. At that time an election will be held to name a successor to finish out the remaining two years of Mrs. Whillans' term.

Mrs. New comes to Galiano with experience of public affairs in Vancouver. She has served as school trustee in Vancouver, part of which term was as chairman; she was a member of the Metropolitan Board of Health, including a stint as chairman of that board and she is a past chairman of the Community College Council.

Boater suffers poisoning

A Vancouver man was treated at Lady Minto Hospital Sunday for carbon monoxide poisoning after he was taken from his boat in Ganges Harbour.

John Martin was able to switch off the engine in his 25-foot boat before passing out from the fumes. E. Dennis on the Sea Pup noticed the boat drifting in the harbour and Martin was subsequently taken to the hospital. He has since been released.

The past year cannot be described as anything but successful, said Bush, reflecting on the figures for the Salt Spring Island branch.

This is in despite of a semi-controlled inflation and a declining dollar, he noted.

During the passage of those three years the island staff of the Credit Union has grown from two full-time and one part-time staff member to six full-time members. That number includes Tony Palmer, who services the loan portfolio of the branch.

Predictions are that the branch will outgrow its present accommodation within the next two years, Driftwood was told. Larger premises will be needed. These will require the provision of a full-size, walk-in vault and night depository facilities.

The Credit Union branch also faces another challenge, revealed Bush.

It is even now looking for methods of serving the Outer Gulf Islands. Numerous enquiries have been received, reported the branch manager, from Galiano, Pender and Mayne.

Fire costs fall

— By \$10,000

Salt Spring Island fire protection cost \$96,191 in 1977. This was down from the 1976 figure of \$106,820.

Financial statement was presented to the annual meeting of the fire district by Spencer Marr at the annual meeting in Mahon Hall on Tuesday evening last week.

Biggest single expense was wages and salaries, with debt charges running in second place.

Telephone service stood high at \$2,353, but the system depends on the telephone service for its alarm calls. Telephone service was up a few hundred dollars from 1976, and insurance, at \$2,545 was down from the 1976 figure of \$2,999.

Public hearing at Ganges on Tuesday draws seven islanders to Court House

One of the first recommendations made to the Royal Commission on Electoral Reform at the public hearing in Ganges on Tuesday was that voters should have some way of recalling their representative.

Seven people turned up at the hearing.

Arnold Humes, of Salt Spring Island, said that voters should have the opportunity of telling their elected representatives "to get out if they can't do their job". He felt that people should not have to wait until the next election to replace their representative.

"We've got to bring back democracy before we end up with a dictatorship," he stated.

Locally, he cited two examples of misrepresentation. The Ganges sewer petition, he said, was not legal at all and yet the sewers are being "rammed down our throats".

Yvette Valcourt told the hearing that the Gulf Islands should be a

~~~~~  
One of the first to address the public hearing on Tuesday was Betty Delmonico, who asked for a postponement because of the lack of publicity it was given.

"It wasn't announced in our local paper," she explained, "There would be quite a few people here otherwise."

The hearing was advertised in the two Vancouver daily papers and the two in Victoria, she was told, and Jack Webster at CJOR was also contacted because of "his affinity with the islands".

Head of the commission, Judge L.S. Eckardt, explained that he and his staff had come to Ganges at "considerable expense".

But, he said, he would consider returning if the mayor or council of the community requested him to do so.

~~~~~  
separate entity from any suburban area. She felt that the islands should be one electoral riding in itself.

The commission's counsel, Col. Clyde Rippon, asked if Mrs. Valcourt knew what the population of Salt Spring was. She said that according to a B.C. Tel survey, there are 10,000 people on the Gulf Islands. Col. Rippon suggested it would be a small riding with only about 7,000 registered voters.

"How could you justify such a small riding when everyone else is in a riding of 30-35,000?" he asked.

Mrs. Valcourt said that the islands have nothing in common with Saanich or "the big city".

"We don't want to be the bedroom of Vancouver," said Betty Delmonico. "They want to make this a playground."

Arnold Humes felt that a riding consisting of only the Gulf Islands

North Salt Spring Waterworks District

Water was supplied in an eminently satisfactory manner, trustees report

The North Salt Spring Waterworks District supplied its members with water in "an eminently satisfactory manner" last year, according to the report of the trustees at the district's annual meeting last Tuesday.

The amount of water used by members of the water district, totalled 58,703,320 imperial gallons last year, up some six per cent over 1976. New connections during the year numbered 40.

Continuous growth, said the report, indicated the requirement for a progressive program of mains extension, replacement and enlargement. The first step in the program was to replace the four-inch line from Mobrae to Central with one of eight inches. Adequate pressures were maintained from Central to and in Ganges during the summer as a result.

The next step will be to upgrade the Maxwell Lake supply system and will include replacement of the four-inch main that runs most of the way from the lake to the tank in Ganges. The amount of water that can be taken from the Maxwell

watershed will determine the size of the line, though it has been tentatively set at 10 inches. Final decision will be made when sufficient data has been accumulated.

THREE PROJECTS

In the meantime, the supply of water to the critical areas will be made available through three projects: construction of a short section of the Cranberry main, which can be built without jeopardizing the final design of the rest of the system; extension of the line that was put in on Vesuvius Bay Road last year; and erection of a storage tank to serve the Donore, 100 Hills and Charlesworth areas.

Land for the Donore tank has been promised to the district by Mrs. Jean Barnes.

A new storage tank is to be erected at Mobrae at a cost of about \$20,000. It will replace the old, wooden tank built in 1960. The new one will be of steel construction with a 1,500 gallon capacity; contract has been awarded to A.H. Winter and Sons Ltd., of Victoria.

The district is investigating the possibility of obtaining small act-

ivated charcoal filters for use in individual homes.

There have been some complaints during the summer from residents on the St. Mary Lake water system of an unpleasant taste in the water. The provincial Ministry of Health has suggested that the charcoal filter might eliminate the problem.

The maintenance staff was kept busy during the year, the trustees report. They had to repair 26 leaks that were caused by "old age and decrepitude" as well as protect the mains from damage due to various construction projects.

The staff also constructed the Parshall flume to measure the outflow from Maxwell Lake.

Trustees to receive remuneration

Trustees of the North Salt Spring Water District will receive annual remuneration of \$100 each, it was decided at the district's annual meeting last week. The chairman will receive \$200.

The proposal was made by John Lloyd, of Salt Spring, who suggested that the trustees should be compensated for the amount of time they spend on district business. There were 16 meetings in 1976 and 24 in 1977, Lloyd noted.

The water district had done some investigating to find out what trustees in other districts received, the meeting was told. Most of those districts paid the trustees a sum equivalent to what they will receive on Salt Spring.

Trustee Bud Kreissl pointed out that the trustees of one district were given a free Christmas dinner. The district's staff were included, too, added staff member Ellen Bennett.

Exhibition at Mahon Hall is planned for May 24

Gulf Islands Studios are sponsoring an Artists' and Craftsmen's exhibition at Mahon Hall on the Victoria Day weekend.

The only criteria for participation will be a willingness to demonstrate some aspect of each creative process for the visiting public.

The success of the exhibition will depend entirely on those taking part. Sales will be permiss-

ed, but will be the responsibility of each individual, not Gulf Islands Studios.

All those wishing to take part are asked to phone Pat Barnes, on Salt Spring Island or Bill Wheaton, at Mayne Island. Registration will close on May 1.

A display of the work done by students of Gulf Islands Studios will be included.

Four generations at christening

Four generations attended a baptism in a Salt Spring Island church last weekend.

Michael Gregory Weisner, son of Mr. and Mrs. Ron Weisner, of Kincardine, Ontario, was christened on Sunday morning at Ganges United Church.

Present also were Michael's sister Lianne; grandparents, Maurine and Harold Fryer, of Ganges and Michael's great-grandfather,

Chester Fryer, of Burnaby who is 94 years of age.

Charged

An American visitor in island waters has been charged with impaired operation of a motor vessel.

D.R. Lundbom, of Portland, Oregon, was charged after his boat ran up on rocks near Fulford Harbour on Monday.

Death of Jack Saunders at Saturna

Resident of Saturna Island for the past seven years, Jack Saunders, died at his home on Thursday. He was 73 years of age.

He leaves his wife, Evelyn; a son, James of North Vancouver; three daughters: Martha Brooks of Frederickton, N.B., Barbara Holmes of Montreal and Katharine Wise of Richmond; and six grandchildren.

Born in Buffalo, New York, Jack Saunders was employed in the shipbuilding and dry dock business in New Brunswick until his retirement in 1970. He was recently a contributor to the Saturna Scene column in Driftwood.

Exchange student at Ganges is from Brazil

A grade 12 student at Gulf Islands Secondary School this year is from Monte Aprazivel, Brazil. Joao Vitor Teodozio arrived on Salt Spring in late January and will be here for about one year.

A Rotary Exchange student, John, as he is known on the island, will graduate at the local school before returning home. Following graduation, he plans on studying medicine, which will involve six years of study in order to specialize. Medicine is in the family: John's father is a dentist.

This trip to Canada is the first time John has been out of Brazil, although he has travelled a lot within his own country. He likes the island, he says, and would like to return some day.

Hit and run at Galiano is costly

Extensive damage was reported following a hit and run incident on Galiano Island Saturday. Vehicles belonging to Bernie Knudson and Sam Maberley were parked outside a house on Georgeson Bay Road when a truck rear-ended Knudson's vehicle, which in turn hit Maberley's.

Ganges RCMP have not yet discovered who was driving the truck and are still investigating.

Senior Girls come in close second to champions

BY CATHY ANDERSON

Recently, the senior girls' basketball team played in the Vancouver Island Senior "A" Championship Tournament held at Lake Cowichan. The girls entered the tournament with two wins and four losses, but this didn't bother the girls as they were determined to play better than ever.

The girls played their first game against Chemainus and although they obtained a victory it was no easy win. The Gulf Island girls led throughout most of the game and as the game neared the end the girls were able to hang onto their lead and win.

The girls were back early the next day to take on the first place team, Lake Cowichan. The Gulf Island girls surprised the Lake Cowichan team by playing an excellent game and keeping the score close throughout.

The girls had little hope of beating the last year's Provincial champions but they planned to go

out and give Lake Cowichan a game they wouldn't forget.

This is just what the girls did, as they went out and played their best game of the season. Up until the last couple of minutes the game could have gone either way but in the dying minutes Lake Cowichan managed to add another victory to their record as they went on to win, by eleven points.

Although the girls lost they were successful in what they had planned, that being to give Lake Cowichan a hard time.

The Gulf Island team played their final game against Southgate. Again the girls had to play a tough game but this time they were able to hang on and beat Southgate, to obtain third position.

All members played very well and rightly deserved third position. Two allstars were presented to the Gulf Island team as Jill Johnson received first allstar and Cathy Anderson received second allstar.

The senior girls' team consisted of the following: Jill Johnson, Janice Hull, Barb Mouat, Susan Mouat, Glynis Kinnear, Barb Woodley, Michelle Anderson and Cathy Anderson.

All the girls would like to thank their coach, Ray Tenisci for such a successful and good season.

An accident on Stewart Road, Salt Spring Island, last week resulted in about \$1,000 in damage to the one vehicle involved, report RCMP at Ganges.

Don Harker, of Ganges, rolled his Toyota at about 2.30 Wednesday morning.

YOU MUST APPLY BEFORE MAY 1, 1978 TO BE ELIGIBLE

FARM OPERATORS

Apply Now

For 1977 Partial Interest Reimbursement

1977 interest reimbursement application forms are available at offices of the British Columbia Ministry of Agriculture, banks, credit unions, Farm Credit Corporation, Federal Business Development Bank and Veterans' Land Act.

Interest paid on eligible agricultural loans in place during 1977 through any of the above lending institutions may be eligible for benefits under the Agricultural Credit Act.

In order to qualify, farm operators must submit their application forms bearing a postmark not later than May 1, 1978 to:

British Columbia Ministry of Agriculture
Agriculture Credit Branch,
Parliament Buildings,
Victoria, British Columbia. V8W 2Z7

Further enquiries should be directed to your local British Columbia Ministry of Agriculture office or the
Agricultural Credit Branch, Victoria at 387-5121, local 213 or 247.

Recyclers - you need not take labels
off jars or bottles, just wash. Fold
and tie newspapers. Don't just
squash cans, take both ends off
before flattening. No oil cans,
sardine, or corned beef cans, as
they won't flatten. Clean plastic
bags, foil, aluminum plates and
egg boxes also recycled.

No wire, light bulbs, catalogues
or phone directories please.
Co-ordinator needed for June.
Phone 537-2903 tfn

JUVENILE SOCCER

Local teams win three out of seven games in week end tournament

BY MALCOLM LEGG

It was a 4.00 pm on Sunday afternoon as the last few players and spectators drifted away from Fulford Park. The concession stands were closing, goal nets coming down, corner flags uprooted, balls put away and the last few bits of clean-up were still in progress.

The games were over, the moments of joy and disappointment were now past history and silence once again reigned over the Fulford soccer field.

Two days of soccer were completed, eight games, 240 players and coaches had participated, ribbons, trophies, hot dogs, pop, coffee and many, many spectators created another successful soccer tournament on Salt Spring.

The excitement and thrills of the tournament were evident by reflect-

ing back on the full slate of games that were played.

Salt Spring Wildcats, 2; Peninsula Skyhawks, 0.

The younger girls team with new recruits Paulette and Christine Cottrell and Bernice Kaye won the Des Crofton Trophy with a solid effort, in their first match on a full-sized pitch.

Paulette scored in the opening minutes of the match and Peggy Kent added an insurance marker to ensure the Wildcats victory. Barbara McWhirter, Caroline Andress and Cara Bogdonavitch played strong games in defence.

Salt Spring Mighty Mites, 0; Bays United Greens, 6

The visitors from Oak Bay were simply too over-powering for the intra-island players as their experience and positional play gave them a 6-0 win and the Pete Roland

Trophy.

The Mighty Mites received strong performances from Troy Logan, Robert Calkins, Terry Chase and David McWhirter and never gave up even though the outcome was obvious.

Salt Spring Wanderers, 3; Peninsula Cardinals, 2

This match had to be called the feature game of the tournament. The play was of very high calibre and featured end-to-end action with spectacular goal-keeping at both ends.

The teams shared goals in the first half with Shauneen Spence scoring for the Wanderers on a pretty passing play with Teresa Byron.

The two teams fought through a scoreless second half and the game was forced into penalty kicks. Both clubs missed on their first three kicks but Brenda Murray put the Wanderers ahead momentarily on a well-placed shot. Peninsula got that one back but Shauneen once again put Salt Spring ahead. Peninsula then missed their last shot and the Wanderers had regained the Ed Lumley trophy.

All the Salt Spring girls contributed 100% with special mention to Janice Hull who was outstanding throughout in goal with many spectacular saves. A great win.

Salt Spring Stars, 4; Kerrisdale Hornets, 5

The game was more like a shoot-out and in the long run the Hornets had the better shooters and took home the Stan Wagg Trophy.

Kerrisdale struck first blood but Kenny MacPherson fired the equalizer on a close-in shot. Kerrisdale regained the lead late in the half only to see Jeff Moger bang home a rebound for the equalizer.

Early in the second half Kerrisdale struck for three unanswered goals and it appeared all was over for the Stars. But no, the local team rallied with two goals by Brian Kaye and gave the match a very exciting finish.

Salt Spring Kicks, 8; Cordova Bay Bruins, 0

The offence of the Kicks resembled the awesome foursome of last season as they pummelled the Bruins into submission and retained the Captain Drummond Trophy for the second straight year.

Paul "Mighty Mite" Cottrell led the way with three goals, Kerry Walker and Andrew Hoeller had a pair each and Ricky Andrews added a single marker to round out the Kicks' scoring.

The most amazing part of the game was the fact that the two clubs had tied 1-1 in the District Cup Final one week before. But playing at home before a large crowd seemed to inspire the boys to greater things and a big victory.

Salt Spring Executives, 5; Salt Spring Girls, 3

For the second straight year the Executives won the Galiano Cup but this year they showed a new look in overcoming a very competitive girls' squad.

The Execs sported a forward line with three women, Ursula Legg, Audrey Cottrell, and Jackie Coates, who tore apart the Girls' defence with nifty moves, crafty passes and deft shooting. Their mid-field was anchored by Mel Coates, Ray Tenisci and Gerry Marleau and holding up the rear were Cec Webb, John Cottrell and Dave Chase in the nets. The supporting cast included George Legg, Ron Moger, Malcolm Legg, Ken Collins and Peter Moonen.

The soccer might not have been too tantalizing but the comic relief

was a welcome sight for all involved and all those who watched.

Salt Spring Canadians, 2; Bays United, 3

This was a match the Canadians should have, could have and would have won but somehow victory slipped out of their hands and the Bays won the Harry Nichols Trophy.

The Canadians dominated play for three quarters of the match and held a commanding 2-0 lead on a pair of excellent goals by Colin MacLean. Unfortunately, the last 15 minutes proved to be the undoing of the Canadians. The Bays' offence, once they found the range for one goal, quickly banged home two more to steal the victory and the cup.

Salt Spring Orange, 1; Bays United, 3

The difference in the game came down to a little better shooting around the goal as the Bays capitalized on their chances to win the game and the Tom Isherwood Trophy.

The opening half was carried by the Orange led offensively by Kevin Davies, Chris Lake, Marty Legg and Wayne Reynolds but it was the Bays who got the only tally.

After the Bays went up 2-0 the Orange rallied and Reynolds slammed home their lone goal to narrow the gap. A late goal by the Bays sealed the Orange's fate even though they had numerous chances to close the gap.

Jay Bourdin played a strong game in the nets, particularly in the second half making several key saves to keep the Orange close. Mike Scott was a stand-out defensively with his steady play.

THREE OUT OF SEVEN

All in all the Salt Spring teams won three of the seven matches which is quite respectable considering the quality of most of their opponents. And in reality winning was never the objective of the tournament, but rather a wrap-up of our soccer season where all our teams are on exhibition for parents and islanders to come and view. Our main hope was that all who participated had fun because soccer is fun and should be played as such.

The true success of the tournament would not have been possible without the help of several groups who all did an excellent job, the Recreation Commission for their excellent preparation of the field, the Cottrells and Coates who did a superb job of running the concessions, our referees, Alan Webb, Trevor Tamboline, Bob Anderson, Peter Moonen, Ken Collins, Kevin Davies, Ray Tenisci, who showed impartiality and sound officiating throughout and Driftwood for their excellent coverage of the tournament. The Salt Spring Juvenile Soccer Association wishes to thank you one and all.

The games were exciting and one and all had fun at another successful soccer tournament. But now all is quiet; the players are gone, the roar of the crowd has diminished, silence reigns true. Only the footprints remain to tell of the week end of soccer; the season is over, the posts will come down until next August when once again this madness reappears. I hope to see you all then.

Remember the Soccer Banquet on Friday, April 21 at 6.00 pm at Fulford Hall: pot-luck style dinner, door prizes, awards and films and most of all, lots of fun.

Delta woman dies following fall on stairs

A 58-year-old Delta woman died Saturday after falling down basement stairs at the home of Albert Dillabough, Salt Spring Island.

Mrs. Ann Lorraine Rhodes died on the Queen of the Islands while en route to Swartz Bay. The ferry made a special trip for Mrs. Rhodes, who sustained head injuries in the accident. She had been visiting at the Dillabough home at the time.

She leaves a son, Doug Rhodes, at Fulford Harbour.

Saturna Scene

BY KUKLOS

Archdeacon Powell of Pender Island visited Saturna for a service on Sunday, April 16. He plans to return regularly the third Sunday of each month; time of service is 2 pm.

The Saturna Lions Club drew the lucky tickets for the sides of beef and pork, and the prizes stayed in the Davidson family.

John Silvester drew Geri Davidson's name, as first-prize winner, and Gordie Wick drew Geri's father-in-law, Tom Davidson's name, as second-prize winner.

There was a meeting of the Islands Trust at the hall where the public heard arguments from Vaughan Steves regarding his desire to build a marina in Boot Cove. Under the Saturna Community Plan such a development is not permitted.

There will soon be the election of an Advisory Planning Council to work with the Islands Trust Committee. Anyone interested in more information should contact John Gaines, Barry Crooks or Jim Monney.

Long-time, part-time Saturna resident, Pat Carney, has announced her intention to seek the Progressive Conservative nomination for the riding of Vancouver Centre. If she is successful in her bid, she will likely be running against ex-Vancouver mayor Art Phillips.

UPCOMING

May 6, Games Night at the Community Hall; 8 pm, \$2 admission charge; refreshments served. Proceeds for the Transportation Fund for Saturna children going to Mayne School.

May 21 week end, a walk-a-thon is planned by the students at Saturna School for their school activity fund. Proposed route is lighthouse to government wharf, approximately 16 kilometres (10 miles).

We record with great sadness the passing of good friend and neighbour, Jack Saunders.

He was a kind and generous man, a well-respected citizen, a lover of fine books and an engaging raconteur, always ready with a bright quip or 'shaggy dog' story. Jack graced us all with his too-brief stay on Saturna.

He contributed regularly to this Saturna Scene, and always with his inimitable wit and charm. He is sorely missed and Saturna wishes all the very best in the future to his beloved wife, Evelyn, and the Saunders family.

Pigs will bite police warn

RCMP at Ganges aren't exactly pleased with having to round up roaming pigs in the Beaver Point area. Police have issued the warning that pigs will bite.

According to reports, there are two of the wandering porkers.

MILLER & TOYNBEE
 BOX 8, GANGES, B.C.
 537-5537

2.63 ha. (6.52 ac.) with small cottage. Young fruit trees, year round pond. Arable land. Some wooded property. Serviced with water main, power and telephone. \$49,500

 HARVEY HENDERSON (EVES.) 653-4380

SALT SPRING ISLAND GOLF AND COUNTRY CLUB

GOLFING

BY PAT DOHERTY

Well it is that time of the year again when hope springs eternal, and this is the year that your game is going to fall into place, etc., etc.

Most of our members who go down south in the winter and keep their games in shape are back home with their tans and weather-beaten countenances.

In the nine hole ladies' section, on April 4, seven girls turned out, Molly Hardie won "Throw out the worst hole", and Bunny Jordan won the consolation event. On April 11, 22 girls turned out and in closest to the pin on number 2, was Miriam Jeffries, and the hidden hole was won by Peg McLean.

In the 18-hole players, on the first ladies' day on April 4, we had 30 ladies on the tee. The winners

were Low Net, Gloria Lloyd, runner up, Connie Hardy. On April 11, the Chemainus team played at Salt Spring, and in the match our girls came out on the right side of a 16 point to eight point game. Congratulations. The remainder of the ladies' section played "Player vs Par". The winner was Cathy Cairns and Ada Woodley was runner-up.

GLOWING REPORTS

On Thursday, April 13, 93 ladies showed up (you can imagine the din) for a combined bowling, bridge, and golf luncheon. According to our reports they had a lovely lunch, beautifully prepared by Jan and Edna, the two ladies who have taken over the operation of the coffee shop. In case any of our members did not know, the coffee shop is now in full swing, and all reports of the service etc. are glowing. So if you haven't already tried it, do drop in to say hello to the new girls and patronize the coffee shop.

The men's captain wishes to notify all members that the first

major event of the season will be held on Sunday, May 7. It will be played over 18 holes and will determine the winner of the Morris Cup, Medal Low Net, the Mouat Cup, Medal Low Gross and in addition, will be the qualifying round for the Matson Cup. This is a return to the formula followed for many years for these three events. The entry sheet is already posted on the board, so get your names in early for these major events in the men's golf calendar.

ANOTHER CHANCE

There is one other change which members are requested to note, and this concerns the Aage Villadsen Golf Classic. This event will now be played on Saturday, May 13 and not on May 27 as originally posted. This is the major nine-hole event of the North American Tour and already all the biggies have their applications in. This is also the event where all the profit is donated to charity.

Members are again reminded that it is their responsibility to keep their own handicaps current at all times. No longer will a Handicap Committee perform these tedious calculations. You have been warned!

We have been asked to say that in the Alice Hammett Bridge

[Turn to Page Twenty-Eight]

Midget Girls finish fourth in basketball tournament

BY CATHY ANDERSON

The Midget Girls' basketball team recently finished their season by playing in the Mid-Island Tournament held by George Bonner High School.

Throughout the season the girls played very well showing improvement with every new game. The girls ended their league play and entered the tournament in fourth position with six wins, six losses, and one tie.

The Midget girls played their first game of the tournament against Mt. Prevost.

Both teams fought a good battle with the final score showing 23 to 21 for Gulf Islands. The girls then had an hour's rest before they played their game against the first place team, George Bonner.

An outstanding performance was shown by all players as the game was close all the way. The Gulf Island girls had their hopes up for a victory but had to settle for a defeat as the final score showed 45 to 40 for George Bonner.

The next day the Gulf Island girls were back at George Bonner to play two more games. They won their first game 39 to 12 against Lake Cowichan and therefore were assured of third or fourth place.

Their last game was played against Ladysmith to decide which placing they would receive. The girls fought hard and well, only to face defeat again as Ladysmith won by a score of 37 to 26.

The girls were a little disappointed that they didn't do better but they were happy to make fourth place.

All members of the team played well throughout the season and showed considerable skill and improvement in the tournament.

The team members consisted of the following: Ellen Carter, Cheryl Veltman, Jenny Taylor, Susan Chew, Julie Collins, Elaine Davies, Val John, Pam MacDougald, Penny Wright, Colleen Simpson, Doreen Pickering and Robin Sacker.

Congratulations girls and good luck next year!

MODERNIZE WITH PROPANE

CANADA
PROVINCE OF BRITISH COLUMBIA

ELIZABETH the SECOND, by the Grace of God, of the United Kingdom, Canada, and Her other Realms and Territories, Queen, Head of the Commonwealth, Defender of the Faith.

To all to whom these presents shall come -

GREETING. (WHEREAS by Order dated the 17th day of January, 1978, the Director, (of January, 1978, the Director, (Pollution Control Board of the (Province of British Columbia ordered (the Capital Regional District to

install a sanitary sewage collection and disposal system to serve a part of the Electoral Area of Salt Spring Island:

AND WHEREAS subsection (2) of Section 766 of the Municipal Act provides that, in addition to the functions conferred by this Act, a Regional Board has such functions as are provided by Letters Patent or supplementary Letters Patent, and for this purpose the Lieutenant-Governor in Council may, on the recommendation of the Minister, provide in the Letters Patent or supplementary Letters Patent such further objects, powers, obligations, duties, limitations, and conditions in respect to any or all functions requested pursuant to this section:

AND WHEREAS the Regional Board of the Capital Regional District has requested that it be granted the power to undertake the provision of a sanitary sewage collection and disposal system within the said Electoral Area of Salt Spring Island:

AND WHEREAS under the authority of supplementary Letters Patent dated the 28th day of December, 1967 as amended the Capital Regional District has been granted the function of Division VII - Trunk Sewers and Sewage Disposal:

AND WHEREAS under the provisions of subsection (4c) of section 766 of the Municipal Act the Regional Board requested by the affirmative vote of a majority of all the Directors having among them the majority of all the votes that it be granted the power to undertake the function of the provision of trunk sewers and sewage disposal facilities with respect to any participating electoral area or that part thereof which could benefit from the said facilities without the assent of the electors:

AND WHEREAS by supplementary Letters Patent dated the 12th day of February, 1971 the function of Division VII - Trunk Sewers and Sewage Disposal was amended to provide for participation in the function without assent of the electors:

AND WHEREAS under the provisions of subsection (4d) of section 766 of the Municipal Act the Lieutenant-Governor in Council may by supplementary Letters Patent upon the request of the Regional Board amend the provisions of Letters Patent or supplementary Letters Patent granting the function of public housing, trunk sewers or sewage disposal facilities to provide for the participation of additional member municipalities:

AND WHEREAS the Regional Board of the Capital Regional District has requested that it be granted the power to undertake the provision of sanitary sewage collection and disposal within the electoral area of Salt Spring Island:

AND WHEREAS the provisions of section 766 of the Municipal Act have been duly complied with:

NOW KNOW YE THAT by these presents, We do order and proclaim that the following be added to the objects, powers, obligations, duties, limitations and conditions of the Capital Regional District:-

1. Paragraph numbered 1 of the function of Division VII - Trunk Sewers and Sewage Disposal granted by supplementary Letters Patent dated the 28th day of December, 1967 as amended, be further amended by striking out the words "Salt Spring Island" in the second and third lines and adding after the word "Division" the words "providing that the

function shall be exercised in the electoral area of Salt Spring Island in accordance with the provisions as set out in paragraph numbered 17" so that the paragraph reads as follows:

"1. All member municipalities except the electoral areas of Sooke and the Outer Gulf Islands participate in the function of the Regional District provided by this Division providing that the function shall be exercised in the electoral area of Salt Spring Island in accordance with the provisions as set out in paragraph numbered 17."

2. The function of Division VII - Trunk Sewers and Sewage Disposal as granted by supplementary Letters Patent dated December 28, 1967, as amended, is further amended by adding the following as paragraph 17:-

"17. The Capital Regional District may without the assent of the electors, design, install, operate, maintain, renew and administer sewage collection and disposal facilities in a part or portions of the electoral area of Salt Spring Island that may be defined by by-law of the Capital Regional Board subject to the conditions hereinafter provided:-

- (a) the Regional Board may in exercising the authority provided for in this paragraph, by by-law, a copy of which shall be deposited in the Office of the Inspector of Municipalities define the part or portions of the electoral area of Salt Spring Island benefitting from or to benefit from the sewage collection and disposal facilities;
- (b) for the purpose of the sewage collection and disposal facilities provided for by this paragraph the Regional Board may, by by-law, establish and impose charges and/or frontage taxes or parcel taxes for the use thereof in the manner provided for in the Municipal Act;
- (c) any deficiency in the annual cost attributable to the sewage collection and disposal facilities provided pursuant to this paragraph that is not recovered by charges and/or frontage taxes or parcel taxes shall be assessed and levied on land and improvements within the part or portions of the electoral area of Salt Spring Island defined by by-law as aforesaid, on the basis provided under subsection (4) of section 784 of the Municipal Act and the provisions of subsections (4), (5), and (6) of section 784 shall apply mutatis mutandis;
- (d) the aggregate debt other than temporary current borrowings which may be incurred by the Regional District for the service provided pursuant to this paragraph shall not exceed the sum of \$2,700,000.

AND THAT the Letters Patent of the Capital Regional District be amended accordingly.

IN TESTIMONY WHEREOF, We have caused these Our Letters to be made Patent and the Great Seal of Our said Province to be hereunto affixed.

WITNESS, Colonel, the Honourable Walter S. Owen, Q.C., LL.D., Lieutenant-Governor of Our said Province of British Columbia, in Our City of Victoria, in Our said Province, this 30th day of March, in the year of Our Lord one thousand nine hundred and seventy-eight and in the twenty-seventh year of Our Reign.

By Command.

Grace McCarthy
Provincial Secretary and
Minister of Travel Industry.

**CREEKSIDE DRIVE
TWO ACRES VIEW!**

High rocky view lot. Various house sites - percs well - Trincomali Channel views. Vendors have priced this lot to interest the market at \$18,000. MLS 31781.

ST. MARY LAKE WATERFRONT!

A 2¼ acre! Waterfront lot. A rare opportunity! Your own private beach and warm warm summer swimming. Build your home (or cottage) and enjoy the serene southerly views. Rapid response recommended as this is priced at \$46,500. MLS 30013.

WOODLAND DRIVE SECLUSION

A fifteen year old bungalow on a quiet road. This home is set to take full advantage of the views of St. Mary Lake. Three nicely sized BRs. Large LR with picture window overlooking the lake! The lot is nicely landscaped and the overall property is a bargain at \$58,900. MLS 31030.

RAINBOW ROAD - SPECIAL USE!

This property also is introduced to the market at below replacement cost. First of all it is a 3 acre site. Next there is a 3 BR, 12 year old rancher in very good condition. Then there is the 2 year old guest cottage with sauna and shower beside the pool. Now there is an office with space for two offices and finally the large workshop garage for trucks and has gasoline and diesel pumps. Now it isn't everybody's property but to the person interested in starting a trucking business or ??? you know that there's more than the \$99,500 that is asked. MLS 29870.

NORTH END ROAD

Would you believe St. Mary Lake again! The vendors regretfully are having to move to Victoria and are asking a most realistic price of \$49,900 for this lovely 3 BR home which enjoys an eastern exposure to the lake. It's one of those houses which don't stay on the market too long. Exclusive.

TRIPP ROAD WATERFRONT

This just may be the nicest lot on the lake! And the 18 year old fully finished two level home with 2 BRs on the main floor and a guest and rumpus room down is in spotless condition. (We're told that you can catch trout from the dock.) No this isn't below replacement - it's right on market value at \$72,000. MLS 29633.

WEBSTER ROAD 30.2 ACRES \$60,000!

The vendor of this property is now living in Holland and phoned on April 4 to slash this property asking price by \$5,000! He really wants to sell. The property is adjacent to 5 acre parcels and is ideal for holding or for a hideaway. This is less than \$2,000 per acre!

MALIVIEW DRIVE - AT BELOW REPLACEMENT!

No matter which way this property is evaluated the conclusion is the same. It is priced to sell by willing vendors at below replacement cost. Only 2 years old! Two floors fully finished. 3 BRs, family room, rec room, 2 baths, floor to ceiling fireplace (a beauty!). Community water supply and sewer. Half acre lot - and here's the price: \$58,900. MLS 31782.

WOULD YOU BELIEVE!

Just \$39,900 for brand new 3 bedroom strata title duplex on community water and sewer on a half acre lot overlooking Trincomali Channel on Maliview Drive. Both sides are still available (at press time) so you can buy both and have revenue property on the island! (Until you're ready to move) or buy it with a friend as an investment or island get-away. We feel this is a hot one so if you're interested - you'd better call right away.

BEAVER POINT BEAUTIES

Menhinic Drive two ½ acre lots, near ocean, vendor says sell! We say \$12,900 each.

Mobrae - Woodland Drive - .46 acre lot, same vendor, same urgency - \$13,900.

Fulford Harbour - 56 acres! Development potential - priced to sell \$113,000.

Long Harbour Road - 3 minutes from Ganges, 10 acres - beautiful property - \$35,000.

Downtown Ganges rare opportunity! 6 acres excellent holding, within proposed sewer project. You must see the whole file to appreciate this investment. \$350,000. A superb property.

 EQUAL HOUSING OPPORTUNITY

Commission on Electoral Reform

[From Page Seventeen]

would be justified because of the "summer population of 30,000"

ONE MAN, ONE VOTE?

The hearing dealt with a number of questions relating to the Elections Act. Col. Rippon asked if those who were present were satisfied with the present method of voting: one man, one vote.

Both Arnold Humes and his wife, Sabara, expressed disfavour with the fact that voters don't have the opportunity to change their minds until the next election.

"A member who is elected should have to go back (to his riding) for a vote of confidence," they felt.

Dr. David Lott felt that a candidate should get more than 50% of the votes cast in order to get elected. He also said that the method in use up until 1952 was "very admirable". Known as the preferential method, he felt it gave a fairer indication of the voters' wishes. Voters were required to list their choices of candidates in order of preference.

Dr. Lott also expressed surprise at the often inaccurate counting of votes in an election.

OFTEN DIFFERENT

"When there is a judicial recount," he said, "the second total is so often remarkably different from the first."

"We should be able to come up with a much better system."

With regard to the qualifications for voting, the hearing was reminded that B.C. is the only province where British subjects are allowed to vote. Everyone who was at the hearing believed that only Canadian citizens should be permitted to vote.

As to the voting age, most of those present felt that 19 years was fine; two felt it should be dropped to 18.

An adequate knowledge of English or French is needed in order to cast a vote in B.C., and this was also discussed.

"If they're Canadian citizens, how can we deny them the right to vote?" asked Yvette Valcourt.

Language has no bearing on it, agreed David Lott.

Agreement was unanimous that there should be a limit on the amount of money a candidate can spend on election expenses. Feeling was again unanimous that such expenses should not be subsidized out of the public purse.

EXTRA MONEY

The suggestion that M.L.A.'s in northern B.C. get extra expense money for travelling was also unanimously endorsed.

Four voted in favour of leaders of political parties with only one elected representative being entitled to the extra pay and privileges

that other party leaders are entitled to.

Majority of those present were not in favour of retaining dual ridings, where two members are elected in one constituency.

The voting was tied on the question of whether or not the identification system currently in use at the polls was adequate. Some felt that some sort of simple identification form was needed.

And finally, most of the people at the hearing agreed that if a voter fails to cast a vote in an election, his name should be removed from the voters' list.

The hearing was told that a lot of people have moved to different ridings since the voters' list was compiled. And that was a long time ago, said Col. Rippon.

VOTE MORE THAN ONCE

Arnold Humes pointed out the possibility that someone could vote in a few different ridings in one election.

At the hearing's close, the commissioner, Judge Eckardt, asked that his respects be conveyed to the island's chamber of commerce. He said he would like to have a submission from that group.

"We don't want to see anyone excluded," he said.

Any islanders who were not aware of the hearing and wish to make a presentation to the commission may do so when hearings are held in Victoria and Duncan.

In Victoria, the hearing will be held at the Court House at 9.30 am Thursday; in Duncan, at the Court House on 10 am Friday.

Golf

[From Page Twenty-Six]

Tournament, Dorie Best and Betty Lochhead were in the number one spot, runners-up were Janet Saunders and Phylis Henderson, and in place position were Barbara Maguire and Marg Frattinger. The winners for most small slams bid and made were Barbara Hughes and Helen Kernaghan. The winners for most Grand Slams bid and made were Dorie Best and Betty Lochhead.

If there are any errors or omissions in the Bridge report, we apologize for same, but the news was received over the telephone by a non-bridge player and recorded on the back of a golf score card. We would like to thank the ladies' bridge section on behalf of all the golf club members, as we only found out that the proceeds from the bridge are given to the Ladies' Section to improve the Golf Club Fund, and this year that came to \$440. A really commendable effort.
